President's Message

by James McDermott

I stated last month that I was in the process of holding informal meetings with the Delegates and Trustees from each command. The purpose of these meetings was two-fold, the primary reason was to better understand the thoughts and ideas of each command as it pertains to the contract. Secondly, I felt it was important to provide your representatives with the behind-the-scenes process that we went through when negotiating the agreement and to clarify why and how the final product came about. Unfortunately, these details could not be publicly discussed during the actual negotiations. We have concluded the meetings with all eight precincts and all three HQ commands. I believe that they were all very productive and an important step in moving forward in our endeavor to put something in place that will benefit our members now and into the future.

The second phase of our initiative has also begun. I have asked the Trustees to schedule Precinct meetings so that the Executive Board and myself can have an informal conversation with the members of each command regarding what they feel is important to enhance their futures on this job. Individual precinct meetings are important and it is no secret that the opinions of the last contract were vastly divided depending on where you worked or more precisely where you were getting your facts or non-facts from. I hope to clear up any of the questions you may have so that we will be united going forward, because quite frankly, that is the only way we succeed.

On March 22, 2021 the Fourth Precinct had their meeting and we had a very respectful productive conversation about many of the issues that we face. As I write this article, we are scheduled to meet with HQ III on March 25, 2021. We hope to meet with all the commands in the very near future and hope to have everyone heading in the same direction for our battle to a better future.

I had sent out a Presidents Message last month which included a warning to be very weary about information that is disseminated anonymously. Unfortunately, there are people out there who still want to divide us and weaken our Union. If someone has an opinion, we encourage you to share it with us and welcome a conversation. As for anonymous information, it is cowardly and filled with nonfactual propaganda that is not helpful to any of our members. I stand behind every decision that I have made and look forward to clarifying any of your concerns that you may have. Until then, be safe.

Legal Report

by Milan Rada, Esq. with John Hewson, Esq

Recently we were contacted by a City of Newburgh police officer who wanted to appeal a denial of Accidental Disability Retirement (3/4) benefits by the NYS Local Police and Fire Retirement System upon the finding that "the incident alleged to have occurred on 10/16/17 does not constitute an 'accident' as this term is used in Section 363 of the Retirement and Social Security Law."

Readers of the Legal Report will recognize that we have frequently written about the need to have an "accident" as this term is used in the statute and defined in the case law dealing with the subject in order to qualify for $\frac{3}{4}$. Contact with the City of Newburgh police officer illustrates that this remains a continuing problem.

The Newburgh police officer described his accident as follows: "On the date in question, I was on duty at the City of Newburgh Police Department as a Police Officer along with two partners. While in pursuit of a suspect I fell down an 8+ foot drop onto a black top driveway. I landed on my right foot and left knee struck the ground, I also fell forward scraping both of my hands and right elbow. I followed up to see a doctor 2 days later. I later went back to see a doctor regarding back pain because of this incident."

Was the Retirement System correct in determining that the event as described was not an "accident" within the meaning of Section 363 of the Retirement and Social Security Law? At the outset you should know that there is still a great deal of confusion about what is and what is not an "accident" for Retirement System purposes. Not only have police officers struggled to make sense of this, so have disability lawyers and so have the courts, except for certain very specific events that clearly qualify for $\frac{3}{4}$ such as MVAs.

The New York State Court of Appeals most recently dealt with this issue in its February 13, 2018 decision, Matter of Kelly v. DiNapoli. This case was the result of two appeals both dealing with the issue of whether the manner of the injuries to a police officer and a firefighter were "accidents" in order to qualify each of the first responders for $\frac{3}{4}$.

Kelly was a police officer on duty during Hurricane Sandy. Kelly was dispatched, along with another officer to a residence on which a tree had fallen, trapping the residents inside. Kelly saw that the house was "very unstable" as $\frac{1}{2}$ of the roof, a rear wall and a side wall had been knocked down. Kelly called the fire department for help and requested, in addition to ambulances, that the fire department's technical response unit perform the rescue. Kelly decided he had to enter the unstable

structure because of screams coming from the house and his estimation that the fire department was at least two (2) hours out.

When he entered the house, Kelly saw that a resident “had been impaled and put through the floor into the basement.” Kelly began to throw debris out of the back of the house to free residents under the rubble when he felt a pain in his shoulder. Shortly after that, there was a rafter that was dangling from a portion of the roof, which began to fall; Kelly reached up to brace the rafter and caused further injury to his shoulder and neck.

The Retirement System initially denied Kelly’s application for $\frac{3}{4}$, so he requested a hearing. The hearing officer rendered a favorable determination, that Kelly’s injuries were the result of an “accident,” but the Comptroller overturned the Hearing Officer’s decision. An article 78 appeal to the Appellate Division followed, which resulted in an affirmation of the Comptroller’s decision. The matter ended up on appeal to the NYS Court of Appeals, the highest Court in NYS.

The other cause of action involved a firefighter, Pat Sica, who was injured when he responded to a 911 call that someone was having trouble breathing in a supermarket. At the supermarket, Sica and his crew members found two (2) unconscious persons, one inside and one outside a walk-in freezer. Sica performed CPR for about 30 minutes on the individual inside the freezer and then tended to the one outside the freezer. Sica did not smell any odors or chemicals and he did not see or hear anything indicating that chemicals might be involved in this event. Sica went to the ER when he began to feel nauseous and light-headed, and it was determined that he had been exposed to toxic gases. Initially, Sica’s application was denied but was then approved by a Hearing Officer. However, in this case also, the Comptroller overturned the Hearing Officer’s favorable decision and Sica filed an article 78 appeal to the Appellate Division, which overturned the Comptroller’s determination denying the application for $\frac{3}{4}$. The Appellate Division’s rationale for concluding that Sica was entitled to $\frac{3}{4}$ was that he “was not responding to a fire that presented the inherent and foreseeable risk of inhaling toxic gases or smoke” and that he “was neither aware that the air within the supermarket contained toxic chemical gases, nor did he have any information that could reasonably have led him to anticipate, expect[,] or foresee the precise hazard when responding to the medical emergency at the supermarket.” The Comptroller appealed to the Court of Appeals.

The Court of Appeals first dealt with the issue of whether an injury resulted from an “accident” in 1982. The Court now, in its 2018 decision, held that neither Kelly, the police officer nor Sica, the firefighter, was entitled to $\frac{3}{4}$. The Court noted that it first defined “accident”

as being “the commonsense definition of a sudden, fortuitous mischance, unexpected, out of the ordinary, and injurious in impact.” “Stated otherwise, ‘an injury which occurs without an unexpected event as the result of activity undertaken in the performance of ordinary employment duties, considered in view of the particular employment in question, is not an accidental injury.’”

The Court noted that both Kelly and Sica were “acting within the scope of their ‘ordinary employment duties, considered in view of the particular employment in question’ and that there was no sudden, unexpected event that was not an inherent risk of [Kelly’s and Sica’s] regular duties.” The argument can be distilled as follows: “. . . there is substantial evidence in the record to support the determination that Kelly’s actions in assisting the injured residents of the house during life-threatening conditions fell within his job duties, and that his injuries did not result from a sudden, unexpected event that was not a risk inherent in his duties as a police officer.”

In the case of Sica, the firefighter, he was performing his regular duties when he responded to the 911 call with the rest of his emergency response team. The Court adopted the position of the Comptroller that “exposure to toxic chemicals was a risk for which Sica had been trained, that he had responded to a gas leak in the past, and that his job duties specifically required ‘working with exposure to . . . fumes, explosives, toxic materials, chemicals, and corrosives,’ the particular risk that caused Sica’s injury.”

The Court concluded with the observation that neither Kelly nor Sica was entitled to $\frac{3}{4}$ since the “precipitating causes of [their] injuries were not accidents because they did not consist of sudden, unexpected events that were not risks inherent in” their jobs as a police officer and a firefighter, where the former was required to assist injured people as a first responder and the latter was required to provide emergency services.

Turning back to the Newburgh police officer who was injured when he fell in pursuit of a suspect, is there in any doubt that the Retirement System was correct in finding that the officer’s injury was not the result of an “accident”? These decisions illustrate that when police officers and firefighters perform their duties, which include, responding to emergencies as first responders, establishing an “accident” will remain challenging until the law is changed.

Please stay safe and healthy. But if you are injured in the line of duty be sure to contact your PBA trustee or delegate or us so that an accurate and complete “accident” description is written. As always please do not hesitate to contact us in the event of any questions, comments, or criticisms at: mrada@fbrlaw.com, or jhewson@fbrlaw.com or 516-941-4403.

Hello, and happy Spring!! If you're like me, I am sure you're happy that winter is over. I love the warm weather, I love being out doors and I love that the sun stays out longer. As a police officer Spring means more people out, more people doing stupid things, and warmer weather means motorcycles, dirt bikes and quads. Be smart out there. This winter has been busier then I have seen in years. I am sure the spring will follow suit.

I would like to give a special shout out to Officer Salvadori. Officer Salvadori, after binge watching Cobra Kai, has decided to take up shadow karate! He is offering free lessons to active and retired members and their families. Just please call in advance because between playing X-box and watching Crown Vic videos on you-tube his free time is very limited.

BUFFY'S SPOTLIGHT

On March 2nd, Officer Hickman, Simonetti and Dones responded to a suspicious vehicle in the dead of Cooper Court in Uniondale. Officers located a 2017 Black Mercedes Benz parked in front of 508 Cooper Court in Uniondale. Officer Hickman approached the vehicle, the Defendant walked over to the vehicle and Officer Hickman asked the defendant "Do you know who's car this is?", the defendant replied "Yea, it's mine". Officer then looked into the rear of the vehicle and observed a large bag filled with what appeared to be marijuana. Officer Simonetti arrived at scene and began to assist Officer and when he looked in the front driver's side window he saw what he believed to be a black and silver hand handgun lodged between the driver's seat and center console. PO Simonetti asked the defendant if the gun was loaded and the defendant stated that he did not know, Officer Simonetti then asked him if there was one in the chamber and he replied "no, there's not one in the chamber". The defendant was then placed in the rear of RMP 101 and transported to the 1st squad for arrest processing. This is a great job boys!!!! You know I love those hardware collars!!!!

On March 8th, Officer Rooney and Officer McAllister while on routine patrol observed a 2020 Grey Mercedes Benz A220 NY REG (KEH5376) traveling north bound on Nassau Rd at a high rate of speed and failing to signal while changing lanes. Officers activated emergency lights and attempted to pull over above vehicle. The above vehicle while refusing to pull over entered the southern state parkway exit 21 westbound and then exited the southern state parkway at exit 19N on Peninsula Blvd, Hempstead. At the intersection of W Peninsula Blvd/Evans Ave, Hempstead the Defendant exited the vehicle out of the driver's seat while it was moving attempting to flee from officers on foot. Officers

Rooney and Officer McAllister were able to place the defendant into custody after a foot pursuit and brief struggle. Officer Salvadori located to vehicle traveling northbound on Peninsula Avenue and was able to risk life and limb to stop the vehicle while it was ghosting at 3 mile per hour. Officers located a loaded firearm in the vehicle as well as assorted narcotics. Great job fellas!!! More hardware.

FIRST PRECINCT TOP COP AWARD JANUARY 2021

The Top Cop Committee convened and awarded Police Officer Kevin Salvadori, Serial 10173, Shield 2551, Police Officer Emily Slack, Serial 10026, Shield 3549 as the Top Cop of the First Precinct for the month of January 2021. Officers responded to a call of a burglary in progress. Upon arrival Officer Salvadori observed a black Chevrolet Silverado fleeing out of the parking lot by driving over the curb and proceeding north bound on Grand Avenue in Baldwin. The Defendant refused to pull over and drove over the front lawn and struck two vehicles causing extensive damage. The vehicle then entered the Southern State Parkway traveling west bound towards the borough of Queens.

While on the Southern State Parkway, Officer Slack then noticed a dark colored Toyota traveling at a high rate of speed towards Officer Salvadori. The Toyota then recklessly drove in front of Officer Salvadori, and behind the Silverado trying to create a gap with evasive maneuvers to help the Silverado get away. The passenger of the Silverado, exited the vehicle and attempted to resist arrest by pushing and shoving and then attempted to flee from Police Officers Salvadori and Slack. At this time, Officer Salvadori deployed his taser at Defendant with positive results. The Defendant then fell to the ground to which he actively resisted arrest. The Defendant was placed into custody by Officers Salvadori and Slack and it was determined that the vehicle was stolen from New York City. Upon further investigation Officers observed 6 iPads and 3 iPhones in the front passenger floor of the vehicle as well as an atm machine in the pickup part of the truck which was determined to be stolen.

Due to Officers quick response, tactics and observation skills they placed the defendant under arrest. The Defendant was charged with violation of PL 140.20 Burglary 3rd; PL 165.45 Criminal Possession stolen property 4TH; PL 205.30 Resisting Arrest; PL 165.52 Criminal Possession stolen property 2nd; \$50K. The Top Cop Committee is proud to have Police Officers Kevin Salvadori and Emily Slack as the Top Cop of the First Precinct for the month of January 2021

REMEMBER, WATCH THOSE HANDS!!!!

As always, stay safe, stay healthy, and Happy Easter

Congratulations to Inspector Gary Stanzoni on getting the well-deserved promotion to Chief. It is a bittersweet day for the command but one we all knew was coming. I cannot think of anyone more deserving. A cop's cop and one who always took care of his guys. We all wish him the best of luck in support as well as any stop he makes after that. We were fortunate to have a commanding officer who was a patrol cop in the precinct. Incoming is Inspector Frank Labate, who was also a patrol cop within the '02 for a short time. It is very beneficial to have someone at that level who knows the lay of the land. We look forward to establishing a good working relationship and I have no doubt that the 2nd is in good hands.

Best of luck to all of the cops who threw their name in the ring for FTO school. This job is a very important one, molding and shaping the new cops in this climate is crucial. Unfortunately, we have a significant shortage of FTO's around the county so we are thankful that the ranks were filled. It became a tough task to get anyone willing to volunteer the last few years, but it's not rocket science. You have the middle portion of this job so burnt out by their contract not being honored dating back to March 24, 2011 that they wanted nothing to do with it. Let's hope the county and NIFA never get into that situation again, nor have the reason to do such damage.

We as a union are facing a vast array of challenges lately. Just know that the attempts at getting a new deal done are being made. There are multiple news articles out there claiming what the real financial numbers of this county are. All of those articles are politically motivated. It is best not to get too emotional about these numbers and what it means to getting a deal done. I'll put it to you this way, we (the county) can receive a check for a billion dollars (yes that's billion with a B) and we would still be in debt! Please keep that in mind when you read the different points of view regarding what we should be doing or what we shouldn't be doing. Sometimes there's a reason why it's anonymous.

With the weather getting nicer, and the government seeming to loosen its grip on the restrictions out there regarding Covid, look for the possibility of precinct outings to get started again. We could use a good shot in the arm to get us going here, and no that wasn't a poor excuse at a Covid vaccination pun. Kevin Mullick and I will be starting up the process for the softball league very shortly, anyone interested in the 2nd/8th precinct team please contact me for information. Take care of each other out there, and I'll see you soon.

It was a busy few months , the Nassau County Police Reform was presented to the County Legislature. There were 3 memorials and anniversaries of Police Officers Joseph Coote, Michael Califano, and Geoffrey Breitkopf who all made the ultimate sacrifice. To say that all 3 were well attended would be an understatement, the amount of active cops, bosses and retired cops was inspiring and motivating. The Police Reform Bill was presented to the Legislature. The Commissioner and his staff did an excellent job with their presentation of Nassau Police reform Bill. Our department has always been a service oriented department. This was demonstrated time in and time out especially this last year. First with covid and then with the demonstrations ,our department handled itself with professionalism and dignity. All this during an epidemic that hasn't happened in over a hundred years. Covid 19 and the Spanish flu were both extremely deadly viruses. The difference between the two is that in this century the Nassau Police are now First Responders. We administer aid and transportation to the hospital, putting our lives and our families lives in danger. It was also shown how professional we are on all our calls for service especially mental aids. All of our qualities of the department were well received by the Legislature. The state required Police Reform Bill passed the Legislature 16 to 3. There will be no Civilian Complaint Board , no Inspector General for police. We are keeping our cops in the schools and we are keeping our indemnification.

All of these events which were either organized or presented by our Union and the Department reassured my feeling of pride and camaraderie for our police family.

Special congrats to Daniel Bonanno and Ryan Napolitano on their promotion to Supervisors. The beaches will not be quite as safe as when they patrolled the shores. Also Danny congrats on winning the PBA Top Cop award for the arrest at the Atlantic Beach Post Office.

Softball will be starting, we hope in April , coach Barretti started already with pitchers and catchers.

We are also hoping to do our Precinct Picnic with the 1st Precinct sometime in August, The PBA also set a date for the Golf Outing at Bethpage , September 23rd.

Stay Safe

TOP COPS

It has been too long since I put out our Precinct Top Cops. I want to express my appreciation to our Sixth Precinct Top Cop committee members, Sgt Vitiello, PO Maass, PO Coscino, PO Blozis, PO Sedita, PO Mundy, PO Cioni, PO Karina Baxter. If you have any good arrests or aided cases, get that information to the Top Cop Committee as soon as possible.

JANUARY 2019 P.O. SALVATORE RONGO

On January 10, 2019 PO Salvatore Rongo, while on patrol, observed a motor vehicle commit a traffic infraction. PO Rongo initiated a car stop, notified communications, and conducted an investigation. The results of the investigation revealed that the vehicle had a stolen vehicle alarm from NYPD jurisdiction. There were also numerous illegal narcotics recovered from inside the vehicle. The occupants were charged with 2 Felony and 7 Misdemeanor charges.

FEBRUARY 2019 P.O.'S JOSEPH ALTIERI, KIRSTIN LORENZO, AND JOSEPH OGINSKI

On February 11, 2019 PO's Altieri, Lorenzo, and Oginski responded to an aided case for a male not breathing. Upon arrival, at scene, the officers observed that co-workers were performing CPR prior to arrival. The officers worked to maintain an open airway and assisted breathing by use of the bag valve mask (BVM). The aided was then applied with an automated external defibrillator (AED) and received several shocks. The aided became semi-conscious and was breathing prior to transport to the hospital. PO's Altieri, Lorenzo, and Oginski, with great teamwork, relied on their training, instincts, and Department equipment in the successful recovery of the aided patient.

MARCH 2019 P.O.S BRIAN CORBO, BRIAN SCIBILIA, AND JAMES WALLACE

On March 23, 2019 at 2000 hours PO Corbo, inside a location, was alerted by customers that an unresponsive male was outside the location. PO Corbo's scene assessment revealed that the male was not breathing and did not have a pulse. PO Corbo ran to his RMP to secure Department equipment which included applying the

AED. PO Scibilia and Wallace arrived at scene to assist. The AED was activated and one shock was administered. A short time later the aided regained consciousness. PO Corbo's initial swift actions with PO's Scibilia and Wallace at scene operated with great teamwork, relied on their training, instincts, and Department equipment in the successful recovery of the patient.

APRIL 2019 P.O. MICHAEL FORMOLO

On April 26, 2019 at 2350 hours PO Formolo responded to an assignment of a suspicious motor vehicle. While canvassing, PO Formolo observed a motor vehicle with a defective tail light and initiated a VTL stop. The investigation revealed that the driver had 20 suspensions on his license and the driver was not authorized to drive the vehicle. A search of the vehicle, after the arrest, resulted in the recovery of a vial of unknown substance and a scale commonly used in drug transactions. PO Formolo used knowledge of his post to locate a suspicious car and as a result of his investigation removed a dangerous driver off the road.

MAY 2019 P.O. EDWARD CODDINGTON

On May 19, 2019 at 1750 hours PO Coddington responded to a larceny at the Americana Mall, Manhasset. Communications advised units of a description of the suspect's vehicle. PO Coddington's swift response, resulted in his observation of the suspect's vehicle with two occupants. A car stop was initiated and evidence was recovered from the vehicle. A show up was conducted with positive results. After placing both subjects under arrest the vehicle was searched and a pipe containing cocaine was recovered. Both subjects were transported to the station house where a search recovered counterfeit USC from both arrestees. Further investigation revealed that the arrestees had been involved in three additional grand larcenies within the confines of the Sixth Precinct. PO Coddington's quick response and past knowledge led to the apprehension of two subjects who were involved in numerous crimes within the Sixth Precinct.

How's everyone feeling these days? Most of you have already gotten your Covid-19 vaccines. Most people I talked to had little to no side effects. I'm glad most of you did sign up to get the shot, because we were a hot bed for positive cases for awhile and the joke was the 7th precinct was having private parties. Hopefully this is the start of the world getting back to normal again. Hopefully we can start having some fun again because I know I'm not the only one that has missed having precinct functions. When we have these functions it's not only a stress reliever but also to have some comradery within the command. I'm hoping restrictions drop in the coming months and we can start having some fun again. We are going to start by trying to have a precinct meeting very soon I just have to check the availability of the Executive Board.

I want to thank all of you that stepped up and are now fully trained FTO's. I always found it an enjoyable time working with a recruit and thankfully all of mine have stayed in the 7th precinct. The recruit you train will have an impact on the future of this department, so make sure you train them well,

HAPPY RETIREMENT

Happy retirement to Steve Parry who finally got his workman's comp. case closed. I worked next to Steve for many years and had a lot of laughs with him. He was a great officer to work with and will be missed. Now that he's retired he has time to find his shield lol. He can now play with his toys all day long and not at the signal monitors desk. Good luck and congratulations.

SOFTBALL PLAYERS WANTED

Last year our captain Kenny Watson went down with a knee injury and the team was never the same. We also lost key players to promotions and transfers. Now that the captain is back from knee surgery he's looking for a few of you younger guys to step up and play. With the amount of young guys recently added to our command there shouldn't be any problem putting a competitive team on the field. If you are interested in playing let Kenny know.

TOP COP OCTOBER 2020

On October 27,2020 at approximately 1600hrs Police Officer James Callinan received a phone call at the 7th precinct stationhouse from a concerned male who stated he thought his father was being scammed for money. The caller stated that couriers were on the way to his fathers house to pick up money. Police Officer Callinan

asked to have the father conferenced in on the phone call and explained to him this was in fact a scam and that police were on the way to his residence. Police Officer Callinan was able to coordinate the 7th and the post car to respond to the residence with no visible signs of a police presence as to not deter the courier.

Police Officer Fred Trifaro who was working RMP 705 was informed of the scam and arranged to be dropped off at the residence. Once inside the residence, the victim informed Police Officer Trifaro that he received a phone call from a male that stated his grandson was in jail and that a courier would come to his residence and pick up \$8,500 to bail his grandson out. The victim was worried about his grandson and agreed to the arrangement. When the suspect arrived at the residence he called the victim and asked him to walk outside to the car and deliver the money. Police Officer Trifaro fearing for the victims safety coached the victim as to what to say and have the suspect come to the front door. Once the suspect exchanged a receipt for the money, Police Officer Trifaro exited the residence and had a brief foot pursuit before apprehending the suspect. Detectives from the Seventh Squad were on scene and apprehended the second suspect who was waiting outside the residence in the car.

After a thorough investigation was conducted, it was determined that the suspects had scammed another elderly victim out of \$9,200 in Ossing NY, earlier that same day. Both suspects were placed under arrest and the proceeds from the earlier elder scam were recovered in the suspect's car at the scene.

Congratulations Police Officer James Callinan and Police Officer Fred Trifaro on being awarded Top Cop October 2020

BSO

by Keath Mishkin

On Friday March 12th The Bureau of Special Operations held Geoff Breitkopf's ten year anniversary memorial in Massapequa Park. It was amazing to see the showing of support of all the members that came for Geoff, not only from the Bureau but every member that came out whether they were a retiree, on their own time or even from another unit. This just shows how tight knit the BSO family really is. Special thanks to Rob Garofalo from ESU who took his own time and helped put together a shadow box for Geoff Breitkopf.

SHOUT OUTS

The Bureau would like to congratulate Raymon Buttacavoli and Richie Muller on their promotion to detective. Raymon who is also known as "Butta" and Richie Muller who can't sit still now bring their expertise from CIRRT to the sixth squad. They will now team up with CIRRT alumni Detective Sergeant Frank Diconza who was Muller's partner in the fifth precinct and CIRRT. Also, we can't forget Mr. Tough Guy himself Detective Sergeant Sammy the Bull Augello. The CIRRT takeover of the sixth squad has just begun! Big BSO shoutout to my boys Mike Shreve and Dakota Clark on their promotion to detective. Although it is extremely tough to see them go we wish them the best in the future and know that they are a huge asset to the Detective Division. Congratulations to Tommy Mulligan on his promotion to Sergeant. Tommy who is one of our senior operators and a very experienced plainclothes officer also worked in our sister unit CIRRT before coming over to the SWAT team. Now he brings his skills to the mean streets of the 2nd precinct!

GOOD-BYE MARIHUANA HELLO CRYSTAL METH

As New York State and Nassau County possibly look to legalize Marihuana come April 1st, a highly addictive drug has surfaced on Long Island. As seen on the series "Breaking Bad" Crystal Meth which is also known as Tina, Ice, or glass is a highly addictive stimulant drug which causes a sense of euphoria when consumed. This drug which is most commonly smoked out of glass pipes can also be snorted, injected, or swallowed. Since the beginning of the year BSO and CIRRT have already recorded approximately 20 arrests related to this highly addictive drug with all of these arrests coming on self initiated stops. Before last year it was unlikely that you would ever see an arrest that involved Crystal Meth but since the pandemic, and the opening up of borders from Mexico it is easier to ship methamphetamine since it is odorless and undetectable.

PAL (POLICE ACTIVITY LEAGUE)

Spring is here and we are happy to have a return to league play for sports. It is great to get back to real games for all the kids in Nassau County while adhering to all the safety protocols. Plainview, Massapequa, Bethpage & Hicksville have been battling it out for the top spot in our PAL 7th-9th grade basketball league. Championship game is April 27th. Our widely acclaimed PAL County Lacrosse program starts this month with our first games since 2019 due to covid. And our successful Nassau County PAL Track program starts this month with track meets at Mitchel Field.

POLAR PLUNGE

On Saturday March 13th members from the Bureau of Special Operations represented the NCPD and participated in the annual Special Olympics Polar Plunge at Tobay Beach. The Bureau along with the PBA was able to raise over \$3,300 in support of the athletes for the special olympics.

MARINE BUREAU

by P.O. John Kannengeiser

For the past two consecutive months, I have discussed the rigors of working out in the winter weather in a maritime capacity. And again, just as I finished writing, another incident takes place that almost makes it seem like I'm reading from a script.

On Thursday, March 4 at approximately 1700 hours, the Crew of Marine 6 did receive an assignment via Marine Base for a Distress Response with Aided aboard a 75' commercial clam dredge located 14 miles southeast of Jones Inlet.

At the time of occurrence, the vessel was actively engaged in commercial clamming with heavy gear in the water. At some point, the vessel's fishing gear became entangled in the propeller rendering it powerless. In that process, a deckhand who was working in the stern of the vessel was struck in the head by the gear and was knocked unconscious suffering a laceration to the head and was in need of immediate medical transport. As the Captain put out a "May Day" call over VHF 16, the vessel began taking on water as 4-6' waves crashed over the transom.

As is often the case during the winter months, the weather was not favorable that day with 30+ knot northwest winds and a small craft advisory in effect for hazardous sea conditions. Immediately upon being advised of the

assignment, Commanding Officer Lt. Adam Fischer established contact with BMC (Chief Boatswain's Mate) David Turner of USCG Station Jones Beach whereby the two put a rescue plan in place.

USCG Station Jones Beach launched a 45' Response Boat Medium to the scene while Marine 6 Crew were ordered to stand by in the vicinity of Jones Inlet to provide support. In the meantime, NCPD Aviation Bureau Pilot Dennis Angermaier, Co-Pilot Dan Galgano and Tactical Flight Officer Greg Millwater responded aboard Helicopter 4. In addition, NYPD Aviation dispatched Helicopter 19 with rescue divers aboard.

Upon arrival at scene, it was determined that the sea conditions were too dangerous to try and effect a surface transfer, so NYPD Aviation deployed two rescue divers from their helicopter. One of the rescue divers was injured while being lowered via cable as he became entangled in the commercial vessel's rigging but still was able to carry out his role in the mission. Once aboard, they secured the aided to a litter to be hoisted and then transferred to the USCG vessel.

Mother Nature had other ideas as the sea conditions and the subject vessel's configuration would not allow for the initial plan to be safely carried out, so the aided was

transported directly to Staten Island Trauma Center by NYPD Aviation. NCPD Aviation remained at scene and continued to assist until the assignment was completed.

The two NYPD rescue divers, who were wearing dry suits, were forced to enter the rough and frigid ocean waters and be pulled by a rescue line alongside the USCG vessel to then be recovered. The USCG vessel then promptly returned to base once the divers were safely aboard, with both being transported to local hospitals for injury or exposure.

The clamming vessel remained at scene awaiting a commercial salvage company to provide a tow back to safe harbor.

This was a very serious call and provides yet another example of how dangerous maritime operations can be especially during the cold winter months.

Hats off to both NCPD and USCG management for leading by example and taking the reins to coordinate what became an effective rescue. Special thanks to the NYPD for always providing assistance regardless of the situation. Prayers to the two NYPD rescue divers for a speedy recovery

Until next month, Fair Winds and Following Seas.

ARPO

by Bob Livoti

What a brutal winter back home. We left town right after New Year's and drove down to Florida then onto the Florida Keys where it is always warm. Its always warm in the Key's and the weather couldn't have been better down here this year.

A reminder that a second dues notice has gone out to those that didn't pay their ARPO dues on time and now must pay a late fee.

Jim Mezy has been hard at work trying to keep your information up to date but we seem to have a problem with many e-mail addresses being wrong. We rely on your email address being correct so we can email you important information and reminders like having to file to get you excess payments for Medicare back from the county.

HR218 CERTIFICATIONS

Our next annual HR218 certification is scheduled for Sunday, May 16th at the Nassau County Rifle and Pistol Range at the Mitchel Field sports complex in Uniondale. **Our May annual certification was cancelled last year because of the virus and we are now returning to our normal annual schedule so those of you who took it last July, this is your annual certification class, not July. There will be no July certification this year.** Registration forms will be e-mailed to all ARPO members who have given us their e-mail address and will also be in the April ARPO newsletter. You must be registered to take the course.

ARPO FISHING TRIP

Looking ahead, we will be having our annual ARPO Fishing Trip Wednesday, June 30th 8 AM till 12 noon aboard the Capt Pete, 540 Guy Lombardo Blvd. Freeport. Cost is \$ 45pp and all are welcome, family and friends. Price includes coffee, juice, bagels, donuts, beer, soda, and bottled water. Look for the notice in the ARPO newsletter.

ARPO PISTOL MATCH

I'm working on our annual pistol match that had to be cancelled last year because of the virus. I've been in contact with the PC and Firearms Training and we're waiting for approval and a tentative date. Everything depends on the Covid 19 situation. Watch the ARPO Newsletter for updates on everything.

For our snowbirds, please let us know in advance when you are coming back north. This way we will make the necessary address change for your newsletter mailing. **If you notify us prior to the 15th of the month you are making the move, your newsletter will arrive in the right place.** Otherwise it will be lost forever, as the post office doesn't forward it.

We will also be resuming our regular ARPO open meetings shortly. The numbers are down for the virus and the numbers are up for vaccinations. Reporting on my own experience getting vaccinated, I really had no problem down in Florida. I contacted the local health department and called and sent them emails and they were in the process of setting up a web site to sign up for the vaccination. At the same time I called the local VA Clinic in Key Largo and was automatically transferred to the VA Hospital in Miami. When the person answered the phone there, I asked if and when it would be possible to get the vaccination and she said, "would you like to come in today?" I replied, "how about tomorrow?" She said, "fine, how about between 1 and 4?" I said, "Fine, see you then." The next day I drove up to the Miami VA, about an hours drive, walked in, gave my name and

last four, was directed up to the second floor, walked in got a date for my second shot and was directed to booth 4 where I received my first shot and was out of there in fifteen minutes! I drove back home and was telling my wife about the experience when I received an email from the local health department asking me to call to make an appointment for my vaccination there. I called and advised the woman that I had just received my vaccination at the VA and needed an appointment for my wife. This was a Friday. She said, "Fine, have her come in Tuesday at 4 PM." That was it. Even the local supermarket here was giving out the shots. Meanwhile all I kept hearing about from New York was horror stories about people having to drive up to Plattsburgh or Syracuse to get it. In Florida, they were setting up tents for a drive through at the Miami Stadium and other locations and had an assembly line process for giving out the shots.

For those of you who support "Crooked" Governor Cuomo and are fretting over the sexual harassment charges brought against him by several women, don't fret that it may cost him money for a lawyer to defend him. Our wonderful Democratic legislators took care of that problem. They enacted a law that makes the state pay for any of their legal fees if they are ever accused of any sexual harassment charges. Just another stab in the taxpayers back by our thoughtful legislators.

Speaking of sex, look for changes coming to our clothing stores in the near future. I heard that they would be doing away with separate Men's and Women's clothing sections. Since so many people can't make up their minds what sex they are, they are removing all the gender signs. I suspect they will also remove the signs from the bathroom doors and just make them bathroom so you feel like you are at home. This is really getting to be too much.

January just was not the same this year without Nassau Blue. The annual pilgrimage to Kissimmee did not take place this year due to the threat imposed by the China Virus. This would have been the 28th Annual Reunion but as one era ends hopefully another begins.

If you are one of the lucky ones who have made all of them since 1984, you didn't miss the 28th, it has been rescheduled to next year. God willing, I hope to see you there.

REMEMBERING FRED MUNNICH

While working with Fred in 2260 back in 1976, he pulled over a motorcyclist on Broadway just south of the LIE. We stopped him for operating his bike without eye protection and he was not happy.

We walked back to the car with his papers and Fred says to me, "He says he is a Rock & Roll star," and laughed. Fred was a diehard country western, bluegrass music fan and had told the guy that he never heard of him. I checked his license and told Fred that yes he was a Rock & Roll Star, Billy Joel.

Fred went back to him, reviewed his status and gave him a warning. He also gave him a lecture about becoming a "blind" Rock & Roll star if he kept riding without eye coverage. I still laugh over the event.

In the end, Joel changed his attitude, thanked Fred for his valid point of view and continued on his way. RIP Freddy.....

1941 CONTINUED

On July 21, the Board withdrew the resolution for a pay raise and approved the hiring of an attorney to help obtain the longevity increments that were due them.

A third group within P.O. & P.A., originally called the "Officers Association" was formed on July 28, 1941. It was renamed the Superior Officers Association on February 10, 1964.

These two additional organizations stressed the same beliefs of the P.O. & P.A. and were included in all negotiations and contract talks up until the time of their decertification in the 1980's. The majority of these two groups still remain Associate Members of the PBA.

At the August Board Meeting the topic of discussion was the so called "Cabana Cops" which were a problem in Precinct 4 and "Private Police," in other precincts. One problem with these other "cops" was that they all wore a similar uniform as the members of the County Force and they were often getting involved in disturbances in saloons and still in uniform. This behavior resulted in a number of complaints being made to the Commissioner about "his" Patrolmen.

The Board suggested that some type of distinguishing markings, such as a shoulder patch, be placed on the uniforms of the County Force members so that there would be no further mistakes. Some members opposed this idea. The Commissioner took it into consideration.

On September 15, the attorney that the Board had hired in the attempt to secure the longevity that they were owed gave his report. Mr. Albert Wield of the firm of Littleton and Levy reported that he had found a salary level that was stated in the Nassau County Civil Service Law of 1935 which set the salary of the Nassau County Police at starting pay of \$2,000 and top pay after five years at \$2,700.

A motion to go to court and sue the County for the back pay was defeated. Some men were owed \$1,100 for every year since 1935 which added up to \$7,700., yet the Board voted only to pursue the Longevity of \$200 and \$400 for each year. They then formed a committee to inquire about the back pay.

The matter of the back pay that was owed each Member appeared to be an open and shut case according to Mr. Wield. With the Law in his hand he assured the Board that they could not lose the case. Rather than going ahead with the Lawsuit, the Board displayed total complacency with regards to the issue. Why?

Most of the members of the Members of the Department had never seen money in the amount that was owed them. \$7,700 was nearly three and one half years pay at the rate that they were currently receiving. All the hardships that they and their families had experienced over the years, all

of the lies that they had been told saying that there was no money budgeted for raises. It was all out in the open now.

On September 29, the Special Open Meeting that the President had called in order to discuss the back pay was held. President Hanlon reported that he had been given an offer by the County Executive of \$120.00 increments for each year owed with a maximum of \$840.00 to be paid. This was some \$6,860.00 less than what they were owed. The meeting exploded with a near riot atmosphere. The President accepted a motion to accept the offer of the County Executive and asked for a vote.

The arguing went on for nearly an hour with tempers flaring and fingers being pointed. Many a friendship was either severely injured or ended on that day. The motion passed sixteen in favor and twelve opposed.

The fall of 1941 was relatively quiet as far as the Association was concerned. Trouble had been brewing for some time with the rest of the world at war. On December 1, the Board voted to give Commissioner Skidmore a Christmas gift in the amount of \$275.00. In turn, he approved an accumulation of sick leave that could be carried over yearly.

By the time the Open Meeting was held the Nation was at war. The Board approved a motion that would prohibit any new mortgages from the Associations Credit Union. The balance in the treasury at the end of the year was \$52,089.52.

FINAL 10 - 11

Since the last column, we have lost the following Members;

On December 10, we lost PO Fred A. Munnich, Serial 3583, Records Bureau, who served from August 6, 1965 until February 17, 1986.

On December 11, we lost SGT Arthur J. Hans, Serial 2114, Third Precinct, who served from May 16, 1955 until September 27, 1976.

On December 17, we lost SGT William Pattison, Serial 2946, Patrol Division, who served from April 5, 1960 until May 23, 1993.

*On December 27, we lost Rev. Monsg. John A. Alesandro, Serial 2836C, OCOP, who served from June 17, 1977 until December 31, 2008.

May they rest in peace.

*Honorable mention is being given to Monsignor Alesandro for the countless lives that he touched throughout his years of service, even though he was not a Member of the PBA. Because of his Civilian Status, he did not have that option.

Remember to update your information

For those who have not done so in a while you should check your contact and personal information with the PBA and the Department especially if you have any changes in your life. Changes may include an address or telephone number change. A change in marital status or the birth of a child. You should also make sure that your beneficiaries are up to date with any life insurance, the Pension system and the Departments Termination pay beneficiary form. If you have never completed the Termination Beneficiary Form you should do so immediately. A copy of the Termination Pay Beneficiary form (PDCN 406) is included in this newsletter and can also be obtained from the Departments Intranet site.

PBA PENSION ESTIMATE PROGRAM

Your PBA has instituted a Pension Estimate benefit for all FULL Dues paying Members. This benefit will entitle each member to one Pension Estimate during the course of his or her career. As a part of this service you will be entitled to have your pension estimate updated for 3 years after the initial estimate. We have hired Lynn Ang Pension Estimate and Projections L.L.C. to perform these estimates for the members. To take advantage of this benefit you will have to obtain a Pension Estimate Voucher at the PBA office. This voucher will then be given to Lynn when you meet with him to perform the initial estimate.

Dear PBA Member,

Periodically, your PBA reminds its membership of appropriate steps that should be taken if you are called to Internal Affairs or become part of ANY department investigation. Recent events underscore the importance of involving the PBA and your legal counsel, me, as soon as possible.

Should you be called to Internal Affairs, be it as a witness or subject, you must notify your local PBA representative IMMEDIATELY. If you are deemed a subject, you have the right to have both a union representative and legal counsel with you during the interview. **If the investigation is criminal in nature, call me first!**

REMEMBER: You must be afforded a reasonable amount of time to contact a PBA representative and attorney. You have the right to confer with us both before and after questioning.

YOUR PBA REPRESENTATIVES AND ATTORNEY
ARE HERE TO PROTECT YOU!

In any situation, be it at Internal Affairs or otherwise, where you are asked to write a letter and there is even a remote possibility of discipline, be sure to begin the letter with the following statement:

"I am making this statement for administrative purposes only. I have not done so voluntarily, but in compliance with an order of a Superior Officer. This statement in no way constitutes any waiver of my rights, and this statement, or any part thereof, may not be used against me in any subsequent criminal proceeding."

Finally, upon notifying your PBA representative that you have been called to Internal Affairs as the subject of an investigation, we will arrange to meet prior to your interview at my office to review the facts and circumstances.

Fraternaly,

Bill Miller

Dear Dr.

Police Officer _____ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 – 12 hour shifts answering phones and interviewing complainants that enter the station house. Dear President James McDermott,

Jim,

Just a loud shout out to the PBA and all the members for taking the time and effort to run the Boater Safety course this past Saturday, March 20, 2021, at the union headquarters.

The PBA has always done fantastic things for our membership and continues to do so.

I did 31 years in uniform at different assignments and posts but was always impressed by the people in the union.

I have been retired for 18 years and still am truly thankful for all you all do for all of us.

The course teachings lead by Mike Shaninian and his 3 assistants was great, they ran a course of tremendous volume and content with knowledge, humor and kindness. Their hospitality was amazing.

I am truly honored to say I am still part of this great organization.

You all are under such tremendous pressure this past year or so and as always the men and woman of Nassau PD stand tall.

With many Thanks,

Bill McKenna

Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

Law Enforcement Specialists

Do you have experience serving as a law enforcement officer? If so, consider joining the United States Coast Guard Reserve as a Maritime Enforcement Specialist. Here's your chance to get a good-paying, part-time job that comes with impressive benefits as well as action, adventure and the chance to make a difference. So consider maintaining a dual career path to serve two days a month and two weeks a year. Earn subsidized income, receive paid training, with the added benefit of low cost health, dental, and life insurance, and much more. Plus, as a reservist, you'll typically serve close to home.

Christina Reddy's Acupuncture & Healing Arts Center

Licensed Acupuncture and Medical Massage Therapy

Let us help you take an active role in becoming healthier and happier!

We are committed to providing the highest level of care and to help you find effective relief from ailments, pain and stress. If you've been feeling stiff, tired, or rundown - allow us to help get you back to feeling like yourself again.

Live a longer, healthier life through pain management and relaxation!

High amounts of pain, stress and tension can reduce your overall health, quality of life and even life expectancy. While massage and acupuncture can't solve all of your life's challenges, it does promote your body's natural healing and functioning, placing you in a better frame of mind to deal with them head on!
