President's Message

by Thomas Shevlin

First, I would like to thank each of you for your participation in the longevity voting process. As you know, we voted to ratify the longevity agreement that was recently negotiated between the PBA, the County, and four other unions. Thank you for your patience and participation during this process.

I want to thank in a special way the PBA Board, our Trustees and Delegates for their hard work, dedication, and commitment to getting this deal done, and their help spreading the information and facts about the agreement.

It is now my turn to take this deal across the finish line.

We all know the challenges that we have faced trying to get longevity, and other contracts, approved by the membership, the County Legislature, and the Nassau County Interim Finance Authority (NIFA). I am not naive, and know full-well that there is work to be done to show how this deal is fair, reasonable, and fiscally responsible to the County - and I will fight to do so.

In the interest of our organization, I have built and sustained relationships with government and community leaders, and continue to communicate the importance of this agreement to them. I will be continuing to meet and speak with these decision makers through the duration of this process.

These relationships and open dialogue with these leaders plays a vital role in my duties as President of the PBA. I am very hopeful and optimistic for the future, and believe that not only will we continue to reunite our union, but that many of our goals and priorities will be accomplished in the future. For this to happen, I understand that communication is a key to our success, which is why we will be transparent each and every step of the way, keeping the membership informed of progress along the way.

In terms of a timeline of the process of the longevity deal, now that we have voted to ratify the agreement, the Nassau County Legislature will vote on the agreement in their April 25 session. If the vote is favorable, from there it is considered and reviewed by NIFA. We hope that both of these bodies will do their due diligence and come to the same conclusion as we have.

If you have any questions or concerns, feel free to contact your PBA Reps or the Board. Thank you, and as always, be safe. Back each other up mentally and physically.

Legal Report

by Milan Rada, Esq. with John Hewson, Esq

With the changing of the seasons comes that need and desire for the warm summer months, and hopefully some good news for a change. Thankfully, the Retirement System provided that recently on a great win on the issue of accident versus incident, believe it or not! While it did not involve a police officer, it did involve a court officer with an accidental claim which also pays 3/4 of final average salary under the law. Therefore, this win is a major victory for all accidental claims, and it gives some insight into how the current Appellate Division is viewing this issue.

In Matter of Como v. New York State Employees' Retirement System, the Court reversed the Retirement System on an issue that it has been narrowing for years, most notably the issue of slip and falls and what they would claim to be missteps. Our office retained this case several years ago, and it involved a court officer who was injured while working in her courthouse after the close of general business in the building. She typically did not work much overtime, but on the date in question, she was walking from one area of the building to another in order to return her radio to the technology room in the basement. As she walked through the main vestibule of the courthouse, she unexpectedly slipped and had her legs fly out from underneath her. She landed hard on the white marble floor suffering devastating injuries to her neck and back.

As we have discussed numerous times in Legal Reports, the initial accident reports were very important in this case. Fortunately, this court officer did just enough in her reports to protect herself, but she did not consult with anyone prior to drafting them so several crucial facts were omitted. She simply wrote that as she walked from one area of the building to another, she stated that she slipped on the floor which apparently had been freshly mopped. Her supervisor then investigated and wrote that the applicant had slipped on a wet floor. This lack of specificity led the Retirement System to jump all over the claim, and It found that the applicant was not injured as a result of an "accident" as the term is used for 3/4 claims. We obviously appealed.

During testimony, the applicant noted that the white marble floor made it impossible to see whether the floor was wet until after she had already slammed to the floor. She found out after the fall that the floor had been freshly mopped by the maintenance staff, but they did not put out a "Wet Floor" sign. Further, she stated that she knew the floor was wet because her pant leg and side of her body was wet after falling to the floor. She also mentioned that because she rarely worked overtime, she was entirely unaware of when and where the maintenance staff would clean the floors.

Remarkably, despite this very straightforward testimony outlining the unexpected nature of her fall, the Hearing Officer affirmed the Retirement System and found that an “accident” had not occurred.

The Hearing Officer’s decision indicated that the floor should have been observably wet because the applicant testified that her clothes were wet after the fall. In addition, the Hearing Officer also adopted the Retirement System’s absurd argument that the slipping on wet floors must be an inherent risk of the job of a court officer because they were issued non-slip rubber soled shoes as part of their uniforms. Also, the Hearing Officer indicated the injury occurred due simply to the inattention of the court officer as opposed to any unexpected, out of the ordinary act.

As one can imagine, we were upset by the decision, but we were far from shocked. The Retirement System has narrowed this definition for years, and it has made a particular focus on trying to wedge most cases with these type of facts into missteps or simple slip and falls as opposed to anything out of the ordinary. The case law in this area also has been horrible for years with many of the applicants being accused or blamed for essentially being clumsy. However, the cases that came down in the past three to four years did offer a glimmer of hope even in the face of the overwhelming defeats by applicants. In the Matter of Kelly that has been discussed in past articles as well as Matter of Stancarone, the Appellate Division appeared to create a logical distinction between the missteps that could be anticipated as opposed to those that could not. The same logic could and should be applied to hazards in the workplace. That give us the argument and line of thinking that we thought could swing this claim.

On appeal to the Third Department, we focused on the fact that all of the uncontroverted evidence in the matter supported the contention that this court officer was injured as a result of an injurious event and hazard that she could not anticipate. Even if she was wearing non-slip shoes as part of her uniform, there was nothing in the record to indicate she would have anticipated a wet floor at that time. The white marble obscured the wetness of the floor, the lack of a “Wet Floor” sign provided no indication of the freshly mopped floor or the hazardous condition, and the fact she rarely worked overtime provided her with no constructive knowledge that the floors would be mopped after the courthouse closed to the general public. This was simply a situation that she could not see coming.

In a decision that chalks one up for the good guys for a change, the Appellate Division flat out rejected the arguments of the Retirement System and the Attorney General’s office instead laying out that the facts at hand clearly showed a situation that could not be anticipated

by the applicant. Thus, the Court ruled this is exactly the type of “accident” envisioned by the State Legislature when this statute was enacted. Therefore, as we have been arguing for years, the question of accident turns essentially on whether the event causing the injury could have been reasonably anticipated or controlled by the applicant.

What did we learn? As we have been advocating for years, those initial accident reports can be crucial to a case. Bad facts or bad statements that lead to a finding that the applicant could have seen the event coming from a mile away will instantly kill a 3/4 case. Also, those factors showing that the event in question could not be anticipated will be the biggest things to make sure we fit into our accident statements because this is clearly the path that the Court wants these 3/4 cases to be paid upon.

As always, it is an honor and a privilege to be the Disability Counsel to the PBA for all these years. Our experience with these cases gives us the unique opportunity and perspective to argue these cases and evaluate them with the institutional knowledge of both wisdom, creativity, and the knowledge of the current case law. If you have any questions about this topic or any others, please do not hesitate to contact us at mrada@fbrlaw.com or 516-941-4403. Until next month, please stay safe, and if you do get injured, make sure that you take great care with those accident statements.

First Precinct

by PO James Fullerton

Hello and Happy Spring. All I am going to say is get ready. I have been in this precinct for 16 years. I have never seen a winter this busy, so I can only imagine what this place is going to look like when it starts to get warmer. In the last month we had one suspect flee a VTL stop and while running pointed a loaded gun at our officers. Just wait I’ll get to that. Then just a few weeks later BSO attempts a VTL and that suspect actually fired on our officers. Wait, I’ll get to that too. This is no joke. We have a lot of officers with less the 3 years on the job. This is a busy command and we need to watch each other’s backs. For my new cops, watch and listen to the senior guys. Be guided by them. And remember if something doesn’t feel right listen to your gut. And I will say this over and over again, WATCH THOSE HANDS!! Learn to watch peoples body language. Are they looking at you, or are they looking around to see if anyone is around or they looking for an avenue of

escape? Where are their feet pointed, are they getting ready to run? I took a class years ago and they showed us hours of videos of police officers getting attacked. In each video they showed us, the suspect right before the attack touched some part of their head. Either they tapped their head, or scratched their nose, or pulled their ear. They believe that the suspect already knows they are about to fight, and with the adrenaline building up the touch to some part of the head is like a trigger. Just think Sylvester Stallone in Over the Top. Seriously.

Congratulations to Lilly, Izzo and Taddeo on your promotion to Sergeant. All will be greatly missed, and you will all make great bosses. O wait. Sorry, welcome back to the command Taddeo. I guess the hold Baldwin has on you is just too great to take a promotion.

This would normally be a Maureen's What 2 Officers....? Article, but I thought long and hard about how to write this special shout out to 2 Officers that have probably never been in my newsletter. The only thing I can say, always keep an eye out, you never know who is standing right next to you! LOL Next stop, Wantagh!!!!

BUFFY'S SPOTLIGHT

We want to congratulate our very own James Fullerton on his new designation as President of the Wantagh Men's Book Club

CONGRATULATIONS ! and GOOD LUCK!

On February 17th Officers Foley and Walsh observed a vehicle with a defective head light and pulled behind the vehicle. While behind the vehicle, it escalated its speed and made several quick turns in an attempt to lose the RMP. Officers at this point activated their emergency lights to conduct a VTL stop. The vehicle refused to pull over and fled down the dead end of Valdur Court. The driver then fled on foot with Officers Walsh and Foley right behind. As the suspect ran to a real yard he attempted to scale a fence but was unsuccessful and then turned on PO Walsh with a loaded firearm in his hand and pointed it directly at PO Walsh's chest. PO Walsh observing the firearm and a green dot on his chest, feared

for his life and took cover. PO Foley, still in foot pursuit observed the Firearm, and the defendant pointing it at his partner. The suspect then threw the firearm over the fence as officers were attempting to place him into custody. After a violent struggle the suspect was taken into custody. Officers recovered a loaded .45 caliber handgun with a laser sight. This is another amazing Buffy spotlight. Great job fellas and luckily no one was injured. **OUTSTANDING WORK!!!!!!!**

On March 1st, BSO Offices Sierzant and Psomas while in Roosevelt observed a vehicle that matched a description of a prior armed robbery. Officers attempted a VTL stop, and the vehicle refused to pull over. After the vehicle was involved in an auto accident, and seemed to be disabled, Officers exited their RMP and were immediately fired upon by the suspect. One of the rounds striking the hood of the RMP. The suspect then fled again southbound on Nassau Road and eventually fled the vehicle on foot, with the gun still in his hand and pointing at officers. The suspect was taken into custody without further incident. Every officer involved, BSO, First Precinct officers, Supervisors and Detectives all did an amazing job. I am sure for most of the cops that were working that night, this was the first time hearing a fellow officer coming over the air with those dreaded words "shots fired." The suspect was wanted for numerous shootings in Hempstead and is known violent gang member. Again **OUTSTANDING!!!!!!**

On March 3rd, Officer Riccio and Officer Alonge, no the other one, conducted a VTL stop on Nassau Road in Roosevelt. During the investigation officers observed one of the passengers holding a string bag. Officer Alonge asked the passenger to place the bag on the vehicle where he observed the bag to be weighted down, and could then see the outline of a firearm in bag. PO Riccio then observed a loaded Glock 27 handgun inside the bag. At this point one of the suspects fled on foot with PO Alonge giving chase. Officers requested assistance and PO Horn and PO Sukalic assisted PO Alonge placing the suspect into custody who was violently resisting arrest. Again **HARDWARE!!!!** Great work all involved. I love buffy spotlights with hardware.

This is all great work being done out there, and its being done professionally and safely.

Till next month.....

REMEMBER, WATCH THOSE HANDS!!!!

As always, stay safe and watch each other's backs

Second Precinct

by James Springer

THANK YOU FRANK BOKROSH JR.

On March 16th, Trustee nominations were held at the PBA Open Meeting, and our Trustee Frank Bokrosh has decided to not run for re-election. Frank has been a dedicated PBA rep for this command for almost 12 years and has always approached the position with the utmost seriousness and devotion. The calmness with which he was able to handle any issue will go unmatched. PBA work can sometimes feel like a thankless job. But for those like Frank, they know it's not about the "credit". For Frank it's always been about helping each of you and he always did that better than people realize. Frank will be finishing out his term which ends June 30th.....so feel free to keep calling him at 3am. LOL!

LONGEVITY

As of this writing the PBA Board of governors approved a settlement to the longevity issue. For our precinct, James Tedeschi was able to cast the vote to send it out for ratification. Fitting, since he is currently the most impacted member in the entire union. This longevity deal is not what we deserve. We all know this. It is a compromise to a very complicated situation. If there was such an easy fix it would have been figured out years ago. No matter where we are in the process be sure to keep in contact with your PBA Reps and ask for as much information as possible.

CONGRATULATIONS

More babies in the precinct. Congrats to Katlyn Picardi and her family on their baby girl. And to Edward Malone and his family on their baby boy! Congratulations are also in order for Rob Konik who retired last month!

Everyone stay safe and watch out for each other!

Fourth Precinct

by Todd Torchia

Well Spring is here, hopefully the weather will start agreeing with the calendar. Along with Spring came the long awaited Longevity Settlement that passed the PBA membership overwhelmingly. It should very well pass the Legislature, and If the NIFA Board does its initial intention by making sound financial decisions

their board should also pass the agreement. It is a fair deal for the county and fiscally sound for the County. Tommy Shevlin did a very good job in the negotiations along with the rest of the Union Coalition. The PBA team held out until they had all the language that they didn't agree with, either changed or removed. Hopefully soon we will all see the monies that are owed to us in our bank accounts. A Job Well Done by our New Board!

The Fourth Precinct just had 2 transfers, Joseph Genchi and Jerome Moore. Joseph went to the BIG ROAD, Highway, and Jerome to BSO. Both Joseph and Jerome will be missed in the Fourth, they're both good people

and outstanding cops. I know Inspector Bowden will miss them the most. Officer Moore was just recognized by the Five Towns Kiwanis for his outstanding work with all his gun arrests in the Five Towns. Great Job Jerome!

The Boys and Girls of the Spring, SOFTBALL, should be starting soon, contact Jarred or Kevin if you're interested in playing on the Fourth Precinct team.

Stay Safe

Fifth Precinct

by Brian Monahan
pbanewsletter@yahoo.com

Spring is here, and this month we have the great pleasure of recognizing some great police work done by several members of the Fifth Precinct. A bit of a delay but we are finally able to congratulate and recognize those who deserve praise for their individual achievements. These are officers who have earned the distinction of Top Cop for their respective months during the year 2021.

First, we'd like to start off in January of 2021. For the month of January, we will recognize P.O. Michael DeStefano, and P.O. Salvatore Malone. Mike and Sal have been proactive officers since they were assigned to the Fifth Precinct. Once again, on January 14th, 2021, they were out conducting their routine patrol when they observed a vehicle being operated with no license plates. Upon stopping the vehicle and conducting further investigation these two officers recovered a loaded illegal firearm which the subject was in possession of. Said subject was also found to be driving with a suspended license and was at the time on parole for a prior conviction of Burglary in the 2nd degree. This is outstanding work done once again by these two officers, and they deserve a big hand for their diligence and hard work. A huge congratulations goes out to P.O. DeStefano and P.O. Milone for their hard work. Thanks for making our streets a safer place, stay safe out there.

Next, we go on to February of 2021. For February we recognize the outstanding work done by P.O. Evan

O'Brien and P.O. Michael Graham. These two officers have been recognized on several occasions during their careers already, and once again we see why. On February 8th, 2021, these officers were assigned to a 911 call for a recovered stolen vehicle. Upon arrival at the scene, they observed two males sitting in the suspected vehicle. Upon approaching the vehicle, Officer O'Brien asked the driver to exit the vehicle, as the subject exited the vehicle he fled on foot, as did the passenger. A foot pursuit then ensued. Officers were able to catch up with the driver who then fought with the two officers, thankfully the officers were able to subdue the subject. The subject had dropped a handgun from his waistband during the foot pursuit which was observed by another officer while also in pursuit. Upon responding to the scene our very own Sergeant Peter Arigo witnessed the passenger of the vehicle standing by a nearby building. When the second subject observed Sgt Arigo heading in his direction a foot pursuit once again began. Many details, including Canine, Aviation, and BSO were all called in for assistance. This ultimately resulted in Aviation locating the subject behind a building on Brixton Rd S. The second subject was subsequently apprehended. The illegal firearm recovered was a loaded Glock which also had a powdery substance on it presumed to be crack cocaine. We would like to congratulate these officers, Sergeant Arigo, P.O. O'Brien, and P.O. Graham on their bravery and outstanding police work. Congratulations gentlemen! Keep up the great work and stay safe out there!

March of 2021 leads us to P.O. Thomas Ryan. P.O. Ryan received a radio run for a 911 call from Home Depot located at the Green Acres Mall. The subject committed a robbery in the 3rd degree coupled with Menacing 3rd while also committing a larceny at the Home Depot. The subject was fighting with and threatening the Loss Prevention Officer at the scene. The subject was able to get away from the Home Depot LPO, but with information provided to Officer Ryan he was able to locate the subject while in his vehicle. Officer Ryan was able to stop the subject's vehicle and apprehend the subject whom he subsequently arrested for the charges listed above. Officer Ryan was also able to recover the stolen goods from the subject as well. Yet again, great police work done by Officer Ryan. Congratulations for a job well done. Another violent criminal has been taken off the street. We congratulate Officer Ryan and recognize his hard work with the award of Top Cop in the Fifth Precinct for the Month of March 2021! Keep up the great work and stay safe out there!

As I read through the write ups for the great work performed by our officer's day in and day out, the bravery of our officers never ceases to amaze me. I am glad that I was provided with this information, and that I can do my small part recognizing the hard work and heroism of these officers. Often these tasks are all too

common in the Fifth and become overlooked as “just another day’s work in the Fifth”, but these are serious and dangerous calls to respond to, and they deserve our recognition.

As always, to each one of you, never hesitate to reach out to any one of your representatives with any issues or concerns. Secondly, never hesitate to reach out if you wish to recognize the great work by one of your fellow officers. You all work extremely hard and deserve recognition for a job well done. Stay safe out there and watch each other’s backs!

Sixth Precinct

by Joe Lianzo

This month’s newsletter entry will be brief. The Sixth Precinct PBA team is now at full staff. The last few months have been challenging with COVID, the implementation of body worn cameras and Precinct elections. I want to thank our Delegates; Mike Calfayan, Bill Popiolek, Ken Mundy and Mike DiClemente for their hard work and dedication to the Sixth Precinct. Stay safe and back each other up.

a most excellent expedition to Top Golf. Golfers and non-golfers alike racked up points as we pulled, pushed, shanked, sliced, topped, hooked, and occasionally nailed, shots from our cozy bays.

Lorraine reigned all month and the escapades continued as she braved the 40 degree waters of Tobay Beach with our own Inspector Hirsch at the annual Polar Plunge for Special Olympics New York. Our two brave bobbers were joined by Dave Reed and Chris Reardon, “tactical” medics extraordinaire, who took up the flanks of the law enforcement wave of plungers. The Fab Four, joined by my son and stand-in, Eddie, hung for a solid three minute soak with Commissioner Ryder, TOB Supervisor Saladino, and the BSO contingent. The reason for the freezing was the financial support of the year-round training and competition for local athletes and in that task, we excelled.

The police interactions in the precinct this past month were very indicative of March Madness. Whatever the cause, the need for vigilance is evident. Continue to expect the unexpected and to back each other up.

Special thanks to Lorraine Vultaggio for putting together

They say working paybacks is like a trip to the dentist; just ask PO Chris Lamonica. PO Lamonica was working his chart orange patrol payback in the most coveted post in the precinct. A nice weekday payback in Massapequa Harbor, what could go wrong? Not even halfway through the day and PO Lamonica was dealing with a barricaded 62 with a gun. With the assistance of BSO, ESU, and the detective squad, the scene was resolved quickly and safely, but not before PO Lamonica was tasked with safeguarding dozens of ghost guns and rifles that were seized from the subject’s residence.

Accolades are warranted for PO Dave Pyes who was one of this year’s MADD Excellent Top Individual Awardees for his work in DWI enforcement. There is no post off limits when PO Pyes is rolling around. If he rolls up his sleeves, you know the cuffs are about to come out.

Mounted gained 2 new riders this past month. Best of luck to PO Mark Valentino and PO Brandon Inman on

their transfers from the 7th. Those horses will have their hooves full.

The 7th POP Unit welcomes a new addition. Congratulations to PO Joe Cangro on his new gig.

Congrats to PO Stephen DeAngelis and his wife on the birth of baby Mia!

I'd like to acknowledge the work of peer support over the last month. Several incidents resulted in a mandated response by peer support and many officers were grateful for the opportunity to debrief their incidents and have someone to talk to. A lot of work has been done over the last few years to help eliminate the stigma of mental health awareness in law enforcement and it is nice to see the officers involved in serious incidents appreciating the work that is being done by members of peer support.

SHOUT-OUTS

LONG TIME COMING BUT THE 8th RETIREMENT GALA HAS FINALLY ARRIVED!!!

After a long hiatus, we are set to dance, celebrate, toast, catch-up and honor our recent (or not so recent) retirees. Eighth legends such as the very likable Lt. John Owen, Sherry Jablonski, Robert Desimone and many many more will be in attendance. Our Union Trustee, Joe Bruno, has been working tirelessly to make this not just happen, but a resounding success as well.

The deets... April 14th at The Milleridge Inn in Jericho at 7pm. Reach out to any PBA or SOA representative for advance tickets (100\$ each, not sold at door).

*See Flyer at end of my column for further...

SHOUT-OUT'S

Shout to retired 8th legend, the epochal Charlie Seich. For those of you not familiar, Charlie runs the Retired Members of the 8th Precinct Flower Fund. Thankfully, as of now, the fund is not in need of donations because of the networking and effort Charlie puts in. CS is a class act and someone I looked up to when I arrived in the 8th. If the Retired Members fund was the Standard Oil Company, Seich would be John D. Rockefeller hands down. Anyone interested in joining...please message

ret8thflowerfund@yahoo.com

Note: The flower fund just recently purchased a paver stone for Richard Rose, 8th pct., who was killed in the line of duty. That stone will be installed at the new Nassau County Police Academy as a tribute to his ultimate sacrifice.

Upstairs 4th floor shout to PO/Dr. Parsa Karimi. Parsa has been successfully running the fitness facility since the building was opened. Membership has recently soared to levels not seen in the 8th in recent decades. That rise can be attributed to the direction and vision Karimi had for this small yet very diverse gym. His background in fitness, PT, medicine, weight training, orthopedics and all the mental aspects of health and wellness make him the round peg for this round hole. If you are interested in staying fit, prolonging your career, working towards a healthy retirement or just want to impress this summer at the beach...contact Parsa and the yearly dues are minimal.

FULL DISCLOSURE

I am not a member of the 8th gym. When the 8th was closed, annexed by the 2nd and we lost our old physical precinct structure, I joined the 2nd's Woodbury palatial gym. BSO's own Keath Mischkin (formerly of the 2nd and various old school Suffolk County dance clubs) and his esteemed staff welcomed me with open arms and I never looked back, even after the 8th became whole again.

Big shout to the Nassau PBA Benefits Booklet. Do yourself a solid and become familiar and aware of what they offer. The various perks may not only surprise you, but may be something in your best interest to rightly take advantage of. And while I'm on the topic of some Union perks, don't forget about the yearly PBA Health Reimbursement Plan. Save your receipts!!!

Retirement shout to PO Pete McDonough. Pete came to the 8th in 2006 full of vim and vigor. Pete was a mainstay on night tours, mostly working the Levittown locale. He teamed up with Sherry Jablonski and the two were invaluable to the communities they patrolled. And while Pete hasn't been on the streets in a while, he was a family member of the 8th and just an overall cool guy. While his catchphrase can't be printed (PO Dave Caffarella can imitate it good, ask him), we nonetheless honor and recognize Pete for his quality years he gave the 8th. Be well Pete. God speed.

ALL ABOARD!!!...

The 8th has some new talent who just walked through the door.

We would like to welcome PO's;

Anthony "It's a wrap" Reynolds
Sean "Travis" Scott
Michael "Killa" Schiller
Dylan "Doug" Floody
Steven "VTL compiler" Weiler
Vincent "Consigliere" Tossone
Nicholas "Nico" Aprea
Michael "Not Lucian" Compitello
Alexander "Gets the job" Dunn
Tyler "Yes he" Cann (can)
Anthony "Ja" Morante
Vinicius "I'm Like a Bird" Furtado and
Emmanuel "They shall call him" Rodriquez
And PO Jacques Clark by way of the 5th.

Birth shout to Camden Tanner...Arcuri. Former 8th front man, Tommy, who is now crafting his trade at applicant investigations, welcomed his second son in late January with wife Christine. Congrats brother Tommy.

DONATE PLEASE

If your in good health and eligible, please donate. Donations are at about 80-90% of what they were pre-pandemic, according to the Red Cross. The shortages are mostly due to drive shortages during that time. Our area has about a three- or four-day supply of blood while a five- to seven-day is needed. It's a selfless act that reaps so many benefits.

Reminder: Our email address is joeysal77@yahoo.com for any questions, comments, etc., you may have. And if you were just married, divorced, had a baby, won the lottery, etc., please email us so we can recognize you in our next column. Thanks for the feedback.

Notes From the E.S.U. Corner

by Kevin Probst

ON THE JOB

The hot topic for major calls recently have been overturned gasoline tankers. ESU (along with every FD and other agency) responded to a massive tanker overturned into a building with fire in Rockville Centre. A few weeks later a second overturned tanker happened in Bellmore, luckily no fire and it was mitigated relatively quickly.

A handful of guys have been cleaning/organizing and making more room in the back cage of ESU. We have a new and improved area for breaking down weapons and weapon checks, another full table for gear and repairs. Moving things around made more room for everyone, and this will help keep things more organized. Thank you to everyone who has been helping and keeping up with the cleanliness of the space.

This year is the 10th anniversary of the passing of Artie Lopez, and the members of ESU are planning a golf outing. Please (tentatively) keep October 7th, 2022 in your calendar for the date of the outing. All proceeds will be going to the Artie Lopez Scholarship Fund and for upkeep of the Memorial Site at the Cross Island. Once we have more information on the location, and any assistance we may need, along with signup sheets to play we will get it out to you all. Look forward to seeing you all there and making this a successful event!

TRAINING

Now that COVID numbers have dropped and NY is starting to open up, there have been classes that have been coming back to the local area. Take this opportunity to better yourselves and increase your knowledge base. Yes, some of these classes you may have taken in the past but knowing the material going in you may pick up on something you missed the first time.

Inservice is coming up in April and we will hit the ground running, we have good training planned and build on the last inservice. It's always good to see and hear guys in the unit touching up on skills in the bay during their tour. Can't hurt to stay sharp and on point!

RETIREES

Let's not forget about the ESB/ESU retired members breakfast. Beginning January it will be moved to the Embassy Diner on Hempstead Tpke, Bethpage. Just west of the 135 across from St. Joe's Hospital and just a

reminder it's the FIRST Thursday of every month at 10 am.

PICTURE OF THE MONTH

Thank you for your service PO Russo! And thank you to Project Thank a Cop for the support over the years!

MARINE BUREAU

by P.O. John Kannengeiser

MARINE 7: ARTHUR LOPEZ

2022 marks the 10-year anniversary of the passing of PO Arthur Lopez. When Marine 7 was purchased it was dedicated to his loving memory. Marine 7 had been out of service with mechanical problems for an extended period of time but has recently made her triumphant return to the fleet in her new home at Roosevelt Park Marina in Oyster Bay.

It was a proud moment to see her back in the water adorning the name of our fallen brother. Every time I step on board, I make a point of saying a prayer and thinking about the sacrifice made by PO Lopez. God Bless him and his family. He will never be forgotten and lives on in our hearts and minds.

JONES INLET DEATH TRAP

As the majority of South Shore boaters are aware, Jones Inlet has become a veritable “death trap” in recent years. This can be attributed to the constant shift of sand as a result of longshore drift as well as errors in previous jetty reconstruction projects.

The Inlet has shoaled up to the point where it is almost impossible to pass through at the bottom of the tide. The “marked channel” is supposed to be designated for safe passage but anyone doing so would be taking a significant risk. Buoys 3 and 4 are now missing and it’s anyone’s guess when this will get rectified.

On a rough day, the entire Inlet is closed out all the way across and is seemingly a wall of whitewater. Jones Inlet is in need of immediate dredging to eliminate the existing shoals. With a project this size, however, comes the political red tape.

A number of local recreational boaters joined forces with some area commercial captains and formed a grass roots social media campaign to petition Albany and bring awareness to the politicians who dole out the funds. The Army Corps of Engineers has surveyed the Inlet and the

dredging project is moving forward but at a snail's pace. Senator Chuck Schumer has been working with them and has allocated the funds necessary to complete the project which is slated to begin in October 2022.

We have had countless groundings as well as several capsized vessels in Jones Inlet in the last several years with 2 fatalities. Unfortunately, the South Shore can't afford to wait until October with the boating season quickly approaching. As per Albany, there is a mandatory 120-day "Contract Advertising Clause" where the project goes out to bidding. Thus, any expedition of this project is unlikely to happen.

How does that affect us as Marine Bureau officers? Well, as if we didn't have enough to worry about as Police Officers, it puts our lives and the livelihoods of our families in even greater danger every time we step foot on deck.

I speak from experience when I explain to people the feeling of being out at sea and not knowing if I'd make it home. Being 80 miles offshore in 20' seas makes you appreciate what you have in life when you think there's a chance you might not have it anymore. It creates a feeling that's difficult to put into words and that sobering feeling is going to be more frequent as the boating season gets into full swing. Every time a Marine Bureau crew enters or exits Jones Inlet, the pressures mount in an already dangerous existence.

WATER SAFETY & SURVIVAL TRAINING

On February 8, 2022, the Marine Bureau Training Staff and Dive Team members joined forces with BSO members for a night of Water Safety and Survival Training at SUNY Old Westbury. PO's Joseph Stassi, Michael Beard, Al Perez and Sgt. Joseph Frederico and were all on hand to help educate these officers. During the training, BSO officers learned swim strokes, life saving maneuvers and survival techniques. It was a successful collaboration and it was good to get the chance to work alongside of our brothers in other areas of the department. Stay safe gentlemen and we look forward to getting the chance to train together again soon.

SMPVOC

The 31st installment of SMPVOC or Standard Marine Patrol Vessel Operations Course begins on April 4, 2022. As of now, we have 15 students from a number of different agencies scheduled to start training to become professional mariners. It's always a pleasure to be a part of such a great program that was developed by NCPD Marine Bureau retired PO Joel Fuoco. With each passing year, this program grows bigger and better.

OPERATION GATEWAY 2022

NYS Department of Homeland Security and Emergency Services has approved our request to conduct our annual Operation Gateway. This initiative sees the Marine Bureau join forces with US Customs and Border Protection officers to target Foreign vessels who are transiting Nassau County District waterways. We are currently awaiting HQ stamp of approval before we gear up for Foreign Flag vessel interdictions for possible smugglers of contraband, illegal weapons, illicit drugs and human trafficking.

ANCIENT MARINERS

The Ancient Mariners recently made a \$500 donation to the Nassau County PBA Widows and Orphans Fund. The Ancient Mariners are a group of retired Marine Bureau members who have remained close friends after separating from the job. They do a great deal of charity work and are instrumental in maintaining the pride and tradition that make the Marine Bureau such a special family to be a part of. Thanks gents!

Until next time, fair winds and following seas.

Our regular ARPO open meetings are held the second Wednesday of the month at the PBA office. Meetings start at 1930 hours. Come on down and get some good info on retired matters, a bit to eat and a grab bag of tchotchke's courtesy of Dave Fischer.

WHEN A MEMBER PASSES

We always had numbers to call when a member passes away so that the family knew whom to contact. The Police Academy has moved to the new location recently and there has been a problem with contacting them with information about members passing. Family members have been told, "we don't know anything about that", "we're busy right now can you call back tomorrow?" I called the PA and got the same thing. I spent half a day trying to contact someone there and they couldn't even transfer my call. The new number for the Police Academy is 516 573-2700, but I had no success in talking to anyone and couldn't even be put in contact with a boss at the PA. I called the Commissioner's Office and spoke to someone there who is trying to find out what is going on. So until things are cleared up, I recommend that you call the main number 515 573-7000 and just tell them you want to inform them of a retired members passing and hope that they can get you to the right people. As soon as I have the correct contact numbers, I'll get it in the newsletters. I'm sorry for the mix up.

Our fraternal organization is open to all Nassau sworn force - county and village, NCPD civilians and outside agency sworn force. We are inclusive but we are more than an organization - we are a family. We invite all of you to join us at our events to see for yourself.

We are concluding our prom wear collection of shoes and bags on April 1. We again teamed up with the Long Island Volunteer Center and will be providing prom wear to many young ladies at our event in NCC. We have set up on April 7 & 8 and clean up on April 10 if you want to volunteer with us. There's some lifting and moving things around required.

The 8th Annual Scholarship and Awards Gala is Thursday, September 15, 2022 - tickets will go on sale August 1st and don't wait, 2021 was a sold-out event! We are honoring Deputy Inspector Damian Ramos, Detective Elizabeth Campos, SUNY PD PO Scott Rodriguez, Department Chaplain Derek Garcia and NCPD Laborer Jesus Moreno. Additionally, we will be awarding our Memorial Scholarship, NC Explorer Leadership Award and Community Youth Award.

Our annual Comedy Show Fundraiser & Coat Drive is Thursday, November 10, 2022 - there are laughs, door prizes and lots of raffles. Our 50/50 (and the winter coats) from this event goes to local families through the Office of Hispanic Affairs.

A little business: a new event type TRANSLATOR has been added to the CAD system. When a member receives an assignment to translate, request that you have this call type instead of the event. This can also be self-initiated through the MDT. This is something that we had been requesting to have through the Department and are glad to see that our skills as translators has been recognized as important as other activity done during our tour. Don't forget to remind people to utilize Language Line and how easy it is to utilize!

And on that note - NCPD Department Administration Order 08-001 states: When a member of the Department writes a Supporting Deposition or Statement of Admission in English and reads it to the complainant/witness/subject in a foreign language the following should be used: "Det./P.O. (name) has read this to me in (language). I understand what s/he has told me, it is the truth and sign my name to it." Followed by: "I, Det./P.O. (name), am fluent in both (language) and English. I read the above statement to (complainant/witness/subject) in (language). I asked if s/he understood and

asked him/her to affix their signature to it." (used most often when the deponent speaks but does not read or write their language)

Also, when a Supporting Deposition or Statement of Admission is written in a foreign language by a complainant/witness/subject and is re-written in English by a member of the department, it should include: "I, Det./P.O. (name), am fluent in both (language) and English. I have read the attached statement in (language) and re-written it in English. It is a translation to the best of my ability." This is used most often when deponent speaks, reads and writes their language. Statement in their language signed by deponent and the officer talking the statement.

If the Det./P.O. has the skills and ability to write in the language of the deponent and chooses to write the Supporting Deposition or Statement of Admission for the deponent, you may do so. While often we hear that the Spanish speaking officers are frustrated, overutilized, and pulled in every direction, remember that it is for the communities we serve. More precisely, our people in the communities we serve. We would want it done for our family members if they needed it done for them.

Please keep in mind however, if you are translating for another post, command or department, the primary officer should be the one to do the English part of the 32B and the translating officer only add/sign the caveat.

Retiree Column

by Joe Failla
JoeFaillaNCPBA@aol.com

April is upon us, spring is here. The trees and flowers are in bloom and the grass is growing. Lines are wrapping around the various banks and credit unions in an attempt to secure loans to pay "your fair share" of taxes. After all there are millions of people depending on you to clothe, educate, feed and house them.

I just pray to God that by the time you read this that our Nation is not involved in a war. A war where our elected representatives and many fellow citizens believe that at all cost we must defend the sovereign border of a country on the other side of the planet but refuse to secure the border of our own Country.

Now that we have a choice as to wear or not wear a mask, things seem to be getting back to normal. The monthly gatherings of the various commands are picking up and a few retirement parties are on the horizon. Check this issue for their schedule.

On a personal note, my first book, "God Blessed America" has just about completely sold out. It is still available as an E Book and you can still get a copy on Amazon if you are so inclined.

My second book "Steel Wheel Cowboys" should be coming out soon. It is the story of the first of my cross country motorcycle rides from the Atlantic to the Pacific and back.

My third book, which deals with a cold case is still in the works and is nearing completion. End of Watch, Friday, September 6, 1940 Ptl. Charles H. Shaw.

As long as I am plugging the Failla name, tune in to FOX ACROSS AMERICA with Jimmy Failla, my youngest, Monday - Friday from noon to 3.

Cops are tough. They slough-off injuries every day. In the rough and tumble world of Police Officers, on-the-job injuries are hardly a novelty. Cops get hurt. They get better and quickly get back on the job. But some of those injuries may find a way of sneaking back and biting them in the.....

Dear PBA Member,

Periodically, your PBA reminds its membership of appropriate steps that should be taken if you are called to Internal Affairs or become part of ANY department investigation. Recent events underscore the importance of involving the PBA and your legal counsel, me, as soon as possible.

Should you be called to Internal Affairs, be it as a witness or subject, you must notify your local PBA representative IMMEDIATELY. If you are deemed a subject, you have the right to have both a union representative and legal counsel with you during the interview. **If the investigation is criminal in nature, call me first!**

REMEMBER: You must be afforded a reasonable amount of time to contact a PBA representative and attorney. You have the right to confer with us both before and after questioning.

YOUR PBA REPRESENTATIVES AND ATTORNEY
ARE HERE TO PROTECT YOU!

In any situation, be it at Internal Affairs or otherwise, where you are asked to write a letter and there is even a remote possibility of discipline, be sure to begin the letter with the following statement:

"I am making this statement for administrative purposes only. I have not done so voluntarily, but in compliance with an order of a Superior Officer. This statement in no way constitutes any waiver of my rights, and this statement, or any part thereof, may not be used against me in any subsequent criminal proceeding."

Finally, upon notifying your PBA representative that you have been called to Internal Affairs as the subject of an investigation, we will arrange to meet prior to your interview at my office to review the facts and circumstances.

Fraternally,

Bill Miller

Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

PLANNING FOR THE "CRISIS MOMENTS" IN LIFE

A basic estate protection plan consists of 4 documents:

- 1) NYS Living Will
- 2) NYS Health Care Proxy
- 3) NYS Durable Power of Attorney
- 4) Last Will and Testament

Everyone, once they have reached the age of 18, should have the basic estate planning documents in place to help lessen the blow should life throw you into a "CRISIS MOMENT."

We can help you prepare for those moments with documents that never expire and are a **ONE TIME** cost which maybe less than you would realize.

REAL discounts for all active and retired SOA / DAI / PBA members and their families.
