President's Message

by Michael Spadaccini

I would like to wish everyone a Merry Christmas and Happy Holidays. It was a great honor to serve as your President these last few months. I appreciate everyone's support for my team and myself during the election process. In the past few months, I accomplished much in a short amount of time. The Coalition was reestablished for longevity with the other four unions and we are now moving forward with our case in front of an arbitrator. We started cutting some of the unnecessary spending and saved the membership \$132,000 annually. But, there is still much more to do, and I am sure that your new board will continue in the same direction.

LONGEVITY

Our longevity arbitration is rescheduled to January 25th due to the upcoming changes in the County administration and the PBA board. The Coalition and I felt that this is the best option for our memberships. So, stay tuned in the new year to see how our case proceeds through the arbitration process.

RETIREMENTS

I would like to wish the current board members—Pete Paterson, Dean Losquadro, Tommy O'Reilly, Kenny Cortes, and Billy Purcell—happy and healthy retirements. The time and dedication of these men for the benefit of our membership will be greatly missed.

Legal Report

by Milan Rada, Esq. with John Hewson, Esq

Being able to speak with clients on a regular basis, gives us quite the opportunity to interact with the men and women of the Police Department to find out what is occurring in their respective commands. For us, obviously our concerns are always regarding injuries on the job and how they are being handled. As we approach the conclusion of another trying year, we always find it appropriate to go over many of the things we have heard recently that need to be addressed as well as those points that need to be stressed over and over so that valuable and important benefits are not lost or put in jeopardy.

With the start of holiday party season, one of the biggest things that struck us from our conversations at the parties were the number of young members that had

gotten injured yet really had done very little towards protecting themselves completely. For starters, just because you are injured in the line of duty and report that injury to your supervisor does not mean that everything has been done to protect you in the future. This is especially true for injuries which the member does not think will cause him/her to miss much time from work or will need very much medical care in the future. Here is the reality: if a full injury packet is not completed and all the Workers' Compensation forms are not completed thereafter, a member is always at risk of having that injury become a headache (no pun intended) years later. This is exactly the reason why we almost always advise against doing non-recordables. Recently, a member slipped off a curb at a domestic and felt a twinge in his knee. He called my cell phone to ask what needed to be done because his supervisor had suggested just doing a non-recordable. We advised against it especially considering that the member had a prior knee injury, and the act of slipping off a curb is a new bonafide line of duty injury. We also suggested that he get his own treating orthopedist to examine him in the following few days because the emergency room was likely to simply do an x-ray and release him. Over the next few days, the "twinge" became more painful and after having an MRI performed, this member was diagnosed with a tear in the knee. By filing a complete packet early on, this member had no difficulty getting the treatment and diagnostics authorized quickly and efficiently. Plus, there is absolutely no way of knowing if all of this would have been handled as quickly and smoothly if weeks later the member asked to convert his non-recordable into a full packet or if the powers that be would have started to give the member a hard time. It is simply easier to do a complete packet right away.

The other thing to keep in mind when injured in the line of duty is that beyond reporting the injury to your supervisors and making sure they know about the event, you should also reach out to your PBA delegate and/or trustee to let them know what happened. Countless times we have been asked to get involved in members' problematic situations only to find out, when we reach out to the trustee or delegate, they know nothing about the injury or the case. This can be especially problematic in cases regarding line of duty injuries or recurrences where the Police Surgeons or MAO might be disagreeing with the member or the member's doctor. Obviously, our feeling is that the sooner we can address any issues, then the more likely we are to get a favorable result for the member. Therefore, whenever a member gets injured, there is no reason for that member not to inform their delegate, or their trustee, and then get in touch with our office so we can make sure that the Workers' Compensation paperwork is properly completed.

Which brings us to the most important point of all... the evolution of any disability claim from Workers'

Compensation to a 3/4 Accidental Disability Retirement case, which begins and ends with the proper development of the claim and an award of benefits. Every claim begins with an on-the-job event – and from that event the entire claim can be either successful or problematic. Therefore, whenever a member is involved in a work-related injury, they have no reason not to contact their delegate or trustee and then our office for help. You have SEVEN DAYS to write your accident statement. Therefore, take the time and care to do it accurately and completely because what is written initially cannot be fixed most of the time. We prefer to get involved right from the start so any hurdles can be kept as molehills instead of watching them grow into mountains. And as always, we remind you that every consultation is free, so sitting down with us or contacting us over the phone as soon as you can is in each member's best interest.

One of the other major reasons to keep as many people in the loop as possible also relates to the interplay between these cases. Just because someone has a workers' compensation claim that is fully established and seems to be running smoothly, it does not mean that the member might not have a problem with MAO or the police surgeons if that member is put back to restricted duty or something of that nature. Further, just because a member is out on a line of duty claim and then has a disability pension pending with the Retirement System does not preclude the Department from then having that member evaluated to come back to work in any capacity if the police surgeon deems the officer to be capable of performing either full or restricted duty. In this instance, the members would certainly avail themselves of utilizing the Medical Review process. However, if your Sgt at Arms, or your trustee, or your delegate is unaware of your Medical Review claim, the claim then becomes incredibly difficult to help protect members in the best way possible. So, to that end, the more that we are involved early in the process, the better we can protect a member if anything like this were to occur in the future. We have also found that there are members completely unfamiliar with the Medical Review process, so we suggest that all members take the time to talk to anyone of their PBA representatives to make sure they know how to use the process when the time comes.

Over the course of the past year, as well as years past, many members of the Police Department have extended very many courtesies to us and members of our firm. We thank each and every PBA member for their considerations.

If you ever have any questions, concerns or criticisms please do not hesitate to contact the firm at 516- 941-4403 or mrada@fbrlaw.com or jhewson@fbrlaw.com We welcome the opportunity to answer any questions that members may have or address any rumors that might be floating around out there. With every consultation in disability matters being free of charge, there is no reason for members not to see us as often as they would like.

Likewise, we are available to assist your friends and family in all work and non-work-related matters, also without a consultation fee. And as we conclude another tough year – please stay safe and healthy during this holiday season! The entire firm wishes all of you, your families and friends a very happy holiday season and a healthy and prosperous New Year.

Happy Fall, or should I say Happy winter. I guess were just going to skip fall this year and go from nice summer weather straight to winter. My guess, Fall had enough nonsense in 2020 and figured it would take this year off. So, a lot of changes around the halls of Nassau County. First the biggest, Body Cameras. This is obviosity a big game changer. I have told cops for years, you should think there is someone recording you on every call, since there probably is. But putting the camera on us is new, and will definitely take some getting used too. Of course, being Buffy I think its pretty cool to go back and watch your calls. Like my own personal episode of Cops. Now on to the PBA. So, it started with a new President, and by the time you read this we will have a whole new board. And from the looks of it possibly a new County Executive. I guess having a new CE and new PBA board is like starting with a clean page. I wish whoever the CE, and PBA board are they can work together to make this job great again.

The last few months we had some big icons retire from the First. Sgt. Iger finally after many years has hung it up. Well yes, single life, but also his career. Sgt. Iger has been here for over 15 years and has given us a lot of great advice. Some even had to do with work. Sgt. It has been an honor and a pleasure to work with you. You left big shoes to fill and you will be greatly missed.

Another First Precinct legend, PO Clarke. No not that one. Nope not that one. Not that one either, okay PO Dan Clarke. Dan spent many great years working in the First. Dan is a wealth of knowledge, and sadly only one pair of white socks. Well grey now. Many of you know Dan as working in POP, you know, Pass off Police work. But Dan spent many years working 117, you know, one of the toughest cars in Roosevelt. Trying to figure out what to eat for breakfast, then where should we get lunch. All while crossing his fingers hoping that CB doesn't call that magic number, 117! Dan you know we love you and you will be missed. Now take that retirement check and go by yourself a new pair of sneakers, some socks and

maybe even another undershirt. God Bless and enjoy your retirement, we all know you have earned it!

Winter is upon us and that means one thing, Holiday parties!!! Keep a look out for up coming dates. These parties are great, and with so many new faces it's a great time to get together and listen to me tell some of my many war stories. Sorry Jimmy I beat you to it.

BUFFY'S SPOTLIGHT

So normally I keep the Buffy Spotlight on members of the First Precinct, but today I have to give a Special Buffy Spotlight.

On October 29th, Car One, Commissioner Ryder while southbound on the Meadowbrook Parkway came across an overturned vehicle into the woods just north of the Southern State Parkway. Commissioner Ryder's internal Buffyness kicked in and he notified CB of his location and requested assistance. Doing what he loves to do, Police Work, he immediately ran over and removed the occupants of the vehicle. Knowing him, he probably leaped from Car One, rolled up his sleeves, and said "it's time to go to work." Great job Sir! Once a sheepdog, always a sheepdog! And for this, you get the top spot on this issue of Buffy's Spotlight!!!

On September 25th, Officers were dispatched for a House Fire in East Meadow. PO Mastrangelo arrived and confirmed a working house fire and made entry to remove the resident's dog who was trapped inside the house. PO Mastrangelo was able to locate the canine and rescue him from the house. From all accounts, Mastrangelo and his new furry friend are doing well. Is it true McGee pulled up after the fact to shake Ryan's hand?

On October 2nd, Officers responded to a Domestic Disturbance in Uniondale for a 26-year-old male acting erratically and burning a bible inside the home. Prior to arriving at the location Officers received a special situation warning from dispatch stating a resident of the home stated he would fight or kill cops to get to Honduras.

PO Alonge and PO Shannon arrived on scene at 0623 and entered the rear basement door. Upon entry PO Alonge had his taser out of the holster. PO Alonge and PO Shannon then began to enter the apartment when they saw one defendant standing in front of a fire in the kitchen and another defendant standing in the corner with a large kitchen knife in his right hand. PO Alonge and PO Shannon then drew their firearms on the defendant who was armed with the knife and repeatedly told him to drop the knife. Officers using strong verbal commands were able to convince the defendant to drop the knife and PO Alonge was able to secure it. PO Shannon then placed the defendant into custody and

removed him from the apartment.

Officers then went back inside the apartment and removed all the Victims from inside the home in order to ensure their safety from the fire. Uniondale Fire Department then responded and extinguished the fire. Defendants were charged with Arson 2nd, Menacing 2nd and CPW 4th. Great work boys, sounds like a real mess of a situation.

I would like to give a Special Buffy Spotlight to PO Hauk, PO Clarke, not that one, PO Mateo, and PO DiDonato. On November 4th, Members of the First Precinct Special Patrols along with Hauk, Clarke, Mateo, and DiDonato conducted Operation Baldy at Centennial Park in Roosevelt. Officers set up observation points around the park and were able to arrest 2 defendants for Criminal Sale of Controlled Substance 3rd; 3 defendants for Criminal Possession of Controlled Substance and another defendant who was wanted for multiple warrants. Everyone worked well together and all defendants were arrested without incident. Marc, Anthony, Kyle, and Kris hope you had fun, and welcome to the world of Jump Outs!

HAPPY HOLIDAYS TO ALL!

With the close of 2021, it was an interesting year in the PBA. With the election this year our Union has a new board with the exceptions of Sean Mulligan and John Paterson, Congrats. Congratulations to our new President Thomas Shevlin and his board members Kevin Mullick, David Re, Edward Eilenberger, Frank Acuri and James Shanahan. This is a genesis for our Union and it will be an exciting and stimulating future for our members. With the rebirth, comes retirements Peter Paterson, Dean Losquadro, Thomas O'Reilly, Kenneth Cortes, William Purcell and Michael Spadaccini. With those six names there are countless hours of their time devoted to helping cops. Just not doing office work but getting up in the middle of the night and going to an officer hurt or making the ultimate sacrifice. Also to many police involved shootings where they made sure the cop was not harmed and his or her rights were protected. Their experience and devotion will be missed by all, A Happy and Healthy retirement to all, and THANK YOU.

Fifth Precinct

by Brian Monahan
pbanewsletter@yahoo.com

Family and friends are what life is all about, I think we can all agree. Speaking of family and friends, one of our Fifth Precinct family members, and friend to us all, P.O. Jimmy Lee has hung up his rig to enjoy the fruits of his over twenty-eight years of service in the Fifth Precinct. Jimmy was a long-time operator of 516 car. Not only was Jimmy a longtime operator of 516, but he's also had two partners in 516 totaling eighteen years of his career, Joe DeSantis, and Wes Waszczuk. Jimmy is retiring with 28 years and 3 months on the job, and a little-known fact about his career with the Nassau County Police Department is that he has also been in Squad 5 for the ENTIRETY of his career. Now that's amazing! Jimmy is a legend in the Fifth, an all-around great guy, always willing to help anyone in need, the people in the community he served, and most certainly he would do anything for one of his brothers or sisters in blue. Jimmy is a big part of our Fifth Precinct Family and will be greatly missed. We wish you all the best in your retirement, you've certainly earned it. Congratulations!

Daniel and Dina Kurot had a beautiful bouncing BOY! Colton Reid Kurot 9 Lbs 12 oz good job Dina. Colton welcome to Squad 6.

I like to thank Jarred , Stephan and Alex for all their hard work this past year for making the Fourth such a great Precinct. Also welcome to Jimmy , a good addition to our PBA team.

We would all like to wish every one of our members, as well as every member of the department a Happy and Healthy Holiday season. Merry Christmas, and a Happy Hanukkah to all who celebrate. This past couple of years has been trying on all of us, and our families. Our hearts go out to all of you and your loved ones. We hope you

all have gotten to, or will get to, spend time with loved ones and friends this holiday season. May you all have a blessed, Happy and Healthy year ahead. We also ask that the members of the Fifth keep our fellow members in need, as well as their families in your prayers. As always, watch each other's back, and always reach out if you need anything at all. Happy New Year to All!! Bring on 2022!

Seventh Precinct

by Frank Arcuri

I hope everyone had a great Thanksgiving and you got to enjoy some quality time with your families. Now with all the December holidays that are coming up let's get ready for them. Let's start with the 7th Precinct Kids Holiday party. The party will be on December 4 from 12-4PM at The Elk's Lodge located at 2162 Veterans Boulevard in Massapequa. Then on December 6th the 7th Precinct holiday party at Bunker Hill located at 1910 Wanatgh Avenue from 8pm-12.

Now with the news everyone is talking about. This will be my last article as Trustee of the Seventh Precinct. When this newsletter gets published there will be a new Executive Board on the PBA. I am happy to announce that I will be part of that team as the new Sgt. at Arms. I cannot express how thankful I am to have been voted in by the members of this department. I want to congratulate the other elected winners to the Executive Board. Tom Shevlin President, Kevin Mullick 1st Vice President, Dave Re 2nd Vice President, Ed Eilenberger Treasurer, Sean Mulligan Recording Secretary, John Paterson Corresponding Secretary and James Shanahan Financial Secretary. I really do appreciate the support that you the members have given us. I'd also like to wish the outgoing board good luck on your future endeavors and thank you for all you have done for this union and the membership.

To my friends and co workers in the Seventh Precinct I will miss seeing you and laughing with you on a regular basis. I've been there my whole career it's been the only home I have had and the only place I would ever want to be a cop. I never say "Good Bye" I say "I'll see you later" because I'm 7th precinct forever. I'm still in the area and will always be available for anything you need. You guys gave me the honor of being your PBA rep. first as Delegate then as your Trustee and I will never forget that. I could write thank you all article long but I'll keep it brief. Thank you all members of the Seventh Precinct past and present for everything you have taught me making me a better cop, a better PBA rep., and most importantly a better person. I will see you all soon and

always stay safe.

I also want to say a special Thank You to my brother Tom Arcuri who was a PBA Delegate for 10 years. Thank you for pushing me during this campaign. You kept me focused the whole time and wouldn't let me stop till the end. You always have my back as I have yours.

and a Partridge in a Pear Tree...

Well not quite, BUT

Our annual Christmas/Holiday party will take place on Sunday December 5th at the Main Event in Farmingdale, that's 1815 Broadhollow Road for you GPS folks. Festivities will kick off at 8pm, and we hope everyone will attend and spread some holiday cheer.

SHOUT-OUTS

Big Union delegate shout to PO Brian Sison. On the fence for years, pushed and supported by his peers, Sison finally threw his CPA hat in the ring. His wheelhouse is numbers and his tool box checks off the important boxes a representative should possess. Life experience, book smarts, assertive, great communicator, respected by supervisors, etc etc. He joins an 8th team that just recently added big Joe Bruno as Trustee. Union speaking, these last few months and upcoming ones will have more turnover than at any point in the history of our great department. While change is somewhat tough, it's also constant and necessary. Adapting is where the reps will make their name and build a positive reputation. Sison and Bruno fit that bill and we know undoubtedly that they are looking out for our best interests.

Time to pick vacation for 2022. Do you really think cops will proactively call the time office on their assigned date/time? Make-up days for same reason, you think? Squad changes, new cops out of the academy, days to nights, nights to days, 10s to 12s, transfers and on and on. Where am I going here? Oh wait I forgot tour changes and mutuals on top of piles of pink slips. How about

extension 25 ringing all day along with texts and calls to a personal cell as well. Do you need two Advil yet? Well a big second floor time office shout to PO Staci Fersch along with her team Tina and Susan. They are the oil that keeps the 8th engine moving. It's a thankless job with a low ceiling, but this column will remain undeterred in its quest to shout out those who truly deserve it. Staci we hear and feel you sister. Thanks for all you do for us.

For those who have passed, flowers are always sent in the name of the Retired Members of the 8th Precinct. Charlie Seich does a phenomenal job in regards.

Reminder: Our email address is joeyal77@yahoo=.com for any questions, comments, etc., you may have. And if you were just married, divorced, had a baby, won the lottery, etc., please email us so we can recognize you in our next column. Thanks for the feedback.

It's been a tough road, but hopefully now there is light at the end of the tunnel. Congratulations to all the members who won their races for the PBA Executive Board. With a new PBA Executive Board, County Executive, PBA labor attorney in Dave Davis, and our commissioner remaining in office now maybe we can make the PBA great again! It seems that we have all the pieces to the puzzle in place. Now we just have to execute!

SHOUT OUTS

On Friday October 29th Nassau County Police Officer John Hirschberger who is currently assigned to the Bureau of Special Operations was honored and received the Combat Cross which is the second highest departmental

award issued by the NYPD. Officer Hirschberger was shot while in the line of duty working with the NYPD back in 2014 as he was trying to apprehend a subject armed with a firearm. Congratulation to Bureau of Special Operations members Ryan Mahon and Joe Russo on receiving the 2021 PBA award for overall Top Cop for Nassau County! Be on the lookout for the bearded homeless man whose alias is Chaos 1. Intelligence reports say that he may be clean shaven now and is back in the neighborhood. He is seeking vengeance as he was MIA for the last few months and he needs to make his presence known.

UPCOMING EVENTS

Please join the Bureau of Special Operations for the annual Special Olympics Polar Plunge which is set to be held on Saturday March 5th at Tobay Beach located on Ocean Parkway in Massapequa NY, 11758. BSO members are looking to break their three minute sit and hold in the water plunge from last year. This is a great time and great cause to show support for the athletes of the Special Olympics who are the world's largest sports organization for children and adults with physical and intellectual disabilities. For more information on this event call BSO Base at 516-573-8010.

SAVE THE DATE

BSO is planning to have a retirement party for its members coming in March of 2022. The previous date was back in 2019, but had to be postponed due to Covid-19. Look out in next months newsletter for further details.

BIRTH ANNOUNCEMENT

Congratulations to Joe and Ashley Russo on the birth of their Italian Top Cop baby Valentina Aria Russo who was born on November 27th, 2021 weighing in at 6 pounds 15 ounces and 19.5 inches long!

COLD STEEL

While patrolling the 8th precinct, COPE superstars McCartney and Loesch conducted a vehicle traffic stop in the lot of the luxurious Days Inn. This location is a hot spot for narcotics transactions, weapon possession and of course, the fabulous in ground pool located in the center of the parking lot. During the traffic stop, officers observed a switchblade knife, clipped to the driver's pants pocket. The driver was removed from the vehicle for officer safety. Further investigation of the traffic stop yielded a loaded Glock 19 handgun with three additional magazines and a loaded Mossberg 12 gage shotgun. The individual was placed into custody and transported to the 8th precinct for arrest processing. If not for the seasoned experience of officers McCartney and Loesch, this fine outstanding citizen could still be out on the streets. Both

officers are grinding it out everyday, to make sure the streets of Nassau are safe. COPE doesn't only hand out safety pamphlets and Frisbees, they make great arrests like this one. Nice grab boys.....keep up the great work.

this news article, there are two days left and they consist of hands-on practicals, from setting up mechanical advantage systems, to patient packaging in the stokes and sked, along with an anchoring station, and a written exam. After 9 days of scenarios the guys are feeling confident that the last few days will be a success. Special thanks to Bill Stio who put up with our nonsense and put us through the ringer for 11 days!

ON THE JOB

I'd like to give a shout out to PO Ken Tymecki who is a 16 year veteran of the NCPD and 8 year member of ESU. When he is not training the members of ESU he is training himself to compete in endurance events. During 2021 he has completed 3 20 mile Shore2Shore trail runs from Cold Spring Harbor to Massapequa, a 50k Shore2Shore trail run from Sunken Meadow Park to Heckscher Park, a Half Ironman Triathlon in Maine, his first full Ironman Triathlon in Tennessee, and recently ran the NYC marathon in 3 hours and 37 minutes. He does these endurance events to raise money for Team BlueLine, a 501c3 charity dedicated to helping families of law enforcement in need of assistance. During the last 2 years he has raised over \$5,000. If you would like to donate or follow his journey visit www.GivinItATri.com

STOLEN VESSEL VEHICLE

On Thursday, September 16 at approximately 0650 hours, PO's Dennington and Law were gearing up for a day tour working aboard Marine 1 out of Wantagh Park Marina. As they were preparing for their tour, they observed a black Honda SUV with garbage strewn around the area adjacent to the car. Inside the vehicle were two male white subjects. The driver appeared to be asleep and slumped over the wheel and the passenger exited the vehicle and started walking southbound in the park.

The officers approached to investigate, turned off the ignition and attempted to wake the driver. At this time, the second subject came back to the vehicle and started to become combative with the officers. A physical confrontation ensued and ended with both subjects being arrested. Subsequent investigation revealed that the vehicle was stolen and the subjects had committed several felony and misdemeanor offenses during a crime spree involving stolen credit cards and illegal drugs.

Among the charges were CPSP 3rd, CPSP 4th, Criminal Mischief 3rd, CPCS 7th (2 counts) and Unauthorized Use of a Motor Vehicle.

This is a great example of two officers being aware of their surroundings and knowing when something just wasn't right. For their efforts, PO's Dennington and Law have been awarded Marine Bureau "Crew of the Month" honors. Congratulations boys. Fantastic job on a great caper.

ARPO

by Bob Livoti

Here we are again, in the holiday season for 2021. On behalf of all the ARPO Officers, we wish everyone a Merry Christmas and Happy Holidays. Have a safe and Happy New Year.

The 2022 dues notices have been mailed out along with the 2022 ARPO wall calendar. Please remit your dues payment promptly as it cuts costs of having to mail them out again later on and you will have to pay a penalty for paying late.

I've just returned from a short stay in Florida and I'm getting ready to join the rest of our snowbirds again to head south for the winter. I put in my address change and if you are going, you better put your change in too or miss out on getting your ARPO mail.

Nassau Blue 2022 is scheduled for January 27-30. Now more than ever, I don't have to tell you it's later than you think, so if you have never gone, now is the time to take mom south and get to a warm place during the winter. It has been a rough year because of the Covid-19 virus and we have lost a lot of members.

If you are in need of additional cards, decals or calendars contact one of the officers and we will get them out to you. Remember our meetings are the second Wednesday of the month at the PBA building and refreshments are served before and after the meetings. I hope that everyone has a Happy New Year. Get your vaccinations so we can beat this thing and get things back to a more normal way of life.

We will be conducting a Toys For Tots at our December

meeting. Please bring in an unwrapped toy for the toy box.

Looks like Nassau County is going back to the Republicans again. I hope it will lead to a more normal political scene. We have been heading towards such a liberal society and people who want to do away with the police and give away everything that the working class has worked so hard to get. That's one word the liberals want to do away with, work. They want to replace it with free. Everything for free with no way to pay for it. Someone tried to explain what 3 trillion dollars would take to pay back and the numbers are staggering and incomprehensible to explain. My great grand children would be the ones trying to pay for it that's how long it will take to pay off.

I see all these wonderful machines they have in other countries to fix potholes on the roads and wonder why we don't have them here. Can someone explain that one to me? Our highways in New York are a mess and I don't see them getting any better with the money they want to spend on everything.

December 11, 2021. We will be meeting at the parking lot at NCPD HQ at 1:00 pm. A coach bus will take us into Manhattan's Bryant Park where you can shop at the Winter Village European open-air market.

After shopping, make up to 5th Ave to Rockefeller Center to see the tree, then over to 5:30 pm Mass at St. Patrick's Cathedral. Following Mass, the bus will take everyone to Tudor City for our dinner and drinks. Then the bus will return home and arrive back to Mineola at 11:30 pm. Seating is limited to and the cost is \$50 per person.

Our trip to Ireland planned for late September 2022 is in full swing. Details will be emailed to those on the travel list and will also be in the Newsletter. The trip includes an 8-day coach tour with stops in several cities. If you are interested, please send us an email to: IPA.Ireland.2022@gmail.com and we will put you on the travel list to receive all details.

HAPPY HOLIDAYS TO EVERYONE!

Congratulations to Nassau County on their brand new state of the art Police Academy. Commissioner Ryder was an excellent host to all members, allowing an all-access visit to the facility on October 20th. It was well attended and well received.

We have been very busy at the IPA with several projects and events.

Our Christmas ornament is now available for \$10 each.

This year, we honor all our members and first responders who went above and beyond 20 years ago on September 11, 2001. We will never forget.

Let us know if you would like one for your tree.

Nassau Police Post 1050 American Legion

by Robert Steinroeder

Dan Scheidel, our Commander who has stepped down from that position and who, for years, did the PBA Newsletter Article will be happy to know we still have a voice in the Newsletter and we're happy the PBA encourages our entries. Just a reminder no open meetings in December, too many things going on, No meetings in January and February as most members are Snow birds!! However, there will be a Board meeting on January 18, 2022.

A little over two years ago, a group of Veterans decided to form an American Legion Post and called it Nassau Veterans American Legion, backed by the

Department's "Front Office" well that's all well and good but at those times didn't anyone look into the fact that there already was a veterans, American Legion in the department? That would be us! Nassau police Post 1050, American Legion The OLDEST line organization. Many vets within the Department, recruited at the Police Academy, who were NOT aware of our existence joined the new Am Leg post. Now I hear that the New American Legion Post is having some difficult times. Those of us at police Post 1050 are still here, not going anywhere and we will be happy to absorb any American Legion Member into our Existing Post. Our rules are simple. 1.) You have to be a Veteran, 2.) a member of Law enforcement, Including Court Officers, Probation, Sheriff's office, Nassau, suffolk, NYC, Port Auth, State. 3.) be an employee of the Force or Department without being a Veteran, but become an Associate member, including AMT's, School Crossing guards.

Generally speaking be a PROUD AMERICAN! We get more members and we'll reopen meetings in Dec, Jan, & Feb.

Questions? Just reply via email to americanlegionnassaupolicepost1050@gmail.com or rsteinroeder@optonline.net (1-516-456-9612. There is a proper way to move from one Post to another.

Looking forward to Nassau Blue in FL in late January, also including the 50th anniversary of the class of '72 -1-2-3-4

FROM THE BOX

A Record that has yet to be broken.....

Hi Joe, Back in the 50's, one of my pursuits was searching the bed and banks of the small creek that flowed North to South at the Roosevelt / Baldwin line giving the name to Brookside Avenue.

I found fossil rocks, arrowheads and "paint pots," small, soft, indented stones that would turn your wet finger red. We boys imagined Indians painting on war faces with them! I had borrowed my Brothers full size Schwinn "Road Master" with "Cattle Horn" handlebars and dashboard horn, by leaning it against the house, setting the pedal at the top and pushing away from the house while pedaling. When I arrived at the Centennial Avenue creek site, I leaned left with my foot out to control the fall and keep the bike from hitting the ground. A nearby tree was used for the return trip.

Once afoot and walking through the grass, I was alarmed by a loud hissing sound! Looking down, I saw a baby alligator! I made a hasty retreat home to fetch our aluminum handled crab net. While leaving our 207 Debevoise Avenue home, my Dad called out "Where are you taking that?" He looked at me strangely and thought his worst fears had materialized when, I yelled back "To catch an alligator!" I rode swiftly back along Centennial Avenue to the creek and parked at the tree. I held the long handled scoop net in front as I hunted the ten inch quarry! Spotted and netted, the hissing beast was hoisted aboard the trusty Schwinn for a trip into captivity. Once I had pushed off and pedaled like mad to gain enough speed for balance, I laid the pole over the handlebar keeping the end under my right armpit. This left the poor, forward facing alligator hanging in space, in front of the front fender, little legs running in the air trying to match the speed his eyes were reporting to his reptilian brain.

More than one motorist came to a halt and more than one jaw dropped inside the ROOSEVELT IRONWORKS at the sight of a little boy, on an oversize bike, holding a long handle crab net under his arm with a live alligator running for his life in mid air. As I entered our driveway my Dad exclaimed "I'll be damned, he DID catch an alligator!"

I can't say for sure but I believe that TEN inches remains the record for "Wild Caught Alligators" in Roosevelt, Long Island to this day. Stay well.

-Jim Ruland

Great story Jim, thanks. Speaking of Brookside Avenue, I too have a tale.

One sunny spring day I was assigned with my Bike and trusty Radar Gun to Speed enforcement on Brookside Avenue. Business was a little slow when all of a sudden I see a man run out of a yard on the east side and head South towards where I was parked. About ten seconds after this I see two NCPD uniformed officers following in his footsteps. Now the three of them were running right towards me completely oblivious to my presence. As the leader of the foot race approached me, I close lined him flipped him over and cuffed him.

The two PO's arrived at the scene nearly spent, huffing and puffing, hands on knees filling their lungs with good crisp fresh air. They were shortly followed by RMP 141. A Sergeant exited the vehicle and approached, I saluted him and said, "I don't mean any disrespect Sarge but you are the youngest looking Sergeant I have ever seen." He smiled and that is how I first met Paul Tulley.

One of the cops knelt down and took out his handcuffs; I asked what are you doing to my prisoner? Here is when it really got interesting. A black un marked pulls up and a Captain steps out and walks over, I observed that he is wearing a piece of rope around his waist instead of a belt, I salute him and he says "What's the problem?" I responded "No problem sir, I caught and cuffed this gentleman and I am going to need some assistance." So now there are four uniformed NCPD members staring at me like I am crazy. The Captain says "My men have been chasing this gentleman for over a mile from the scene of a burglary." My response "But I caught him." The Captain; "We have to talk." Me; "Captain, I don't get any credit for arresting burglars only form 9's. If in some way there was a vehicle involved, we can possibly make a deal."

It seems that the gentleman had been operating an auto which he bailed from which began the foot pursuit. I

asked that he be transported back to the car, he was. I asked that he be allowed to sit behind the steering wheel, with the key still in the ignition, he was. His ID had been verified so I wrote him for VTL 306-B, 401-1, 402-4 and 511 and the two First Precinct PO's got their Burglary arrest and that is how I met Captain Rick.

The Official winner of the Joe Failla Lookalike contest is none other than Tim Ivers.

Dear Dr.

Police Officer _____ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 - 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Cops are tough. They slough-off injuries every day. In the rough and tumble world of Police Officers, on-the-job injuries are hardly a novelty. Cops get hurt. They get better and quickly get back on the job. But some of those injuries may find a way of sneaking back and biting them in the.....

A mild recurring ache morphs into chronic pain. Doctors say your X-rays and scans show degenerative arthritis and herniated discs, related to that tussle. Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

PLANNING FOR THE "CRISIS MOMENTS" IN LIFE

A basic estate protection plan consists of 4 documents:

- 1) NYS Living Will
- 2) NYS Health Care Proxy
- 3) NYS Durable Power of Attorney
- 4) Last Will and Testament

Everyone, once they have reached the age of 18, should have the basic estate planning documents in place to help lessen the blow should life throw you into a "CRISIS MOMENT."

We can help you prepare for those moments with documents that never expire and are a **ONE TIME** cost which maybe less than you would realize.
