# Legal Report

by Milan Rada, Esq. with John Hewson, Esq

When it comes to writing our Legal Report each month, the constant thing that rings in our heads is what would be the most important information to get out to the membership that directly affects his or her job and future benefits. And undoubtedly, the thing that pops up most often is the issue of “accident” vs. “incident” when it comes to getting and obtaining 3/4 Accidental Disability benefits. However, there are a number of other types of injuries that are equally important to discuss in terms of protecting oneself beyond just that 3/4 accident.

For starters, we have to start with the current status of “accidents” with the Retirement System. As you have seen for years reading our articles, the courts have consistently been whittling down the definition of what constitutes an accident into something that barely resembles what it would have covered 25 years ago. Unfortunately, that is the reality of the situation and not one that the courts appear willing to change. However, our office has seen this coming based on the vast experience we have in this area, so the Nassau County Police Department members have been moving in this direction well in advance of what the courts have been doing. It goes without saying that our job is always to keep you informed and keep you protected. We think we have done a pretty good job of that over the years, and the results speak for themselves.

That is why we had absolutely no surprise when earlier this year the Third Department Appellate Division adopted our argument on an accident case that involved a New York State Court Officer. We have been able to read the trends on this accident issues for years, and we saw that the court and the Retirement System were seeming to adopt the position that although the case law has always defined an accident that is something that is “unexpected”, what they really were learning towards was that the cause of the injury had to be something outside the control of the member and something that they could not “anticipate”. Thus, what we have now is what we would call the “Anticipation Doctrine” as it relates to accidents on the job.

Essentially what the Retirement System now has to apply is whether or not the risk that caused the injury could have been anticipated by the injured person. If the answer is that the risk could have or should have been seen or anticipated then it will not be an accident as defined under the law. On the other hand, if the risk could not have been reasonably anticipated by the person then they were injured as a result of an accident and not an incident. This completely falls in line with the mantra that we have been talking about for at least the last decade. If you recall our prior articles and seminars where we discussed being in control of the action that

causes the injury then that completely matches up to the person being able to anticipate that outcome or the risk. Further, the accident statements that we have helped write over that same period of time have always taken this logic into account as well. Thus, Nassau County PBA members have been incredibly well protected from this “change” in the law, and it was one that we anticipated ourselves.

In addition to this new language coming about from accident cases, we also have to be aware of the other types of injuries that can equally be covered by line of duty injuries and Workers Compensation. These include heart impairments caused by the over exertional nature of the job such as heart attacks or strokes. These need to be particularly well documented if the injuries happen due to work activities. If someone was wrestling with a large perp and then went home and had a heart attack that night, that should be covered under both line of duty doctrine and Workers Compensation if a medical physician believes that the over exertion to the heart was caused by the work activities. In addition, there might be cases such as hearing loss that might be caused either by traumatic exposure to an explosion or something along those lines or the occupational nature of hearing loss such as someone assigned to the gun range for a good portion of their career. These cases can also be compensable under Workers Compensation and need to be protected appropriately.

As you can see, there are issues that pop up repeatedly during the work day and throughout a career than can be a pitfall that should be covered. Of course, if there are not treated correctly then all of the benefits that those injuries might confer could be lost entirely. We are a resource that we hope that every member feels comfortable using to protect themselves or their families when these type of situations occur. If you have any questions whatsoever, please do not hesitate to contact our office at 516-941-4403 or by email at [mrada@fbrlaw.com](mailto:mrada@fbrlaw.com)

We wish you and your families the happiest of holiday seasons and only the best in the upcoming New Year!

**Holiday Party**  
**Crest Hollow 6pm**

# First Precinct

by Jimmy Keane

I hope everyone enjoyed their Thanksgiving and were able to spend time with their families. For a lot of us it's the first holiday season. It's tough to be away from family and working the holidays. Make the best of your situations and see them when you can. Along with the holiday season comes the cold months. Try and keep yourselves dry and warm, especially for the night tour people. The flu is going around bad this year and no one wants to have to waste sick days dealing with that.

## UPCOMING EVENTS

December 11, 2022 - 0900-1200 @ Bounce 330 (Syosset) - Kids Holiday Party - FREE

December 13, 2022 - 8pm-12pm Craft (Wantagh) - 1st Precinct Holiday Party - \$60

December 21, 2022 - 1900hrs Crest Hollow Country Club - PBA Holiday Party

The current Delegates and I would like to take a moment to thank John Tucker and Lawrence Gotti for their years as PBA Delegates. It often goes unnoticed how much work these guys do, and we should all be thankful to have had them watching our backs. I've had the pleasure of working next to Tucker in Squad 5 and I've worked with Larry as my partner for a few years now. The amount of phone calls, time away from family, and money left on the Short Roll Call table is higher than any of you could know. Good luck to John in his future as a crypto-tycoon.

## PRECINCT SPOTLIGHT

On November 4th, 2022 Officers D'Attoma, Sukalic, Dawber, Mirenda, Tucker, and Simonetti responded to an active house fire in Roosevelt. Officers were approached by a bystander who was frantically screaming there was a woman in the rear room, whom she had just heard yelling pleas for help. Officers were unable to reach the woman from any entry/egress points in the residence due to the severity of the fire, including doors and windows which were all attempted to be breached by Officers. Officers Mirenda, D'Attoma, Tucker, and Simonetti then took their Department issued entry tool and began to swing away at the exterior wall which the woman was last heard behind. The Officers were able to breach the side of the house using only the entry tool which we all have in the rear of our RMP's and pull the woman out from her home which was fully engulfed in flames. Without the quick thinking and determination of these Officers, that woman would have never made it out of her home. To have the wherewithal to continue looking for another way to get that woman out from the

home and the manner in which they did is nothing short of incredible.

On November 15th, Officers Cardino and Tuffarrelli responded to one of our top resorts in the 1st Precinct. The wonderful Coliseum Motor Inn, for a report of a man with a gun. Officers promptly responded and located the subject who was placed under arrest and recovered a loaded firearm.

Enjoy your holidays, and be safe.

## 2ND PRECINCT FIRE

For those who have not heard we lost the 2nd precinct Station house to an accidental fire at the end of November. This is sad news for not just current but former 2nd pct. Members alike. Unfortunately, the building could not be saved and needs to be rebuilt. I want to acknowledge all the officers who were working that night, especially those who were present when the fire started. Their quick actions and response prevented further disaster and saved lives. We don't yet know what the future building will entail or when it will be completed. However, we all can hope that it will once again feel like the home we've all grown accustomed to.

## RETIREMENT PARTY

Thank you to all who were able to attend the 2nd precinct retirement party last month. The feedback has been very positive, and it was great to see old and new faces unite and celebrate the careers of so many. Hopefully things stay normal, and we don't have to wait so long for the next one. Congratulations once again to all our retirees.

## ELECTION DAY RESULTS

A lot of hard work goes into election day. The selection of who we endorse and who will best fight for us is not taken lightly. After that is the hard job of getting boots on the ground and engaging the public to help support those who support us! This year we tried something new as a precinct and got more of you engaged in the process. Thank you to the officers who took time from their busy schedules and participated in the 2nd Pct Political Action Walk. This is something we hope to grow year after year and ultimately extend to our retired members. As a union we were very successful

with our endorsements. That is a credit to those who worked but more importantly to those who voted and encouraged their friends and family to vote!

## **HAPPY HOLIDAYS!**

We wish everyone a Happy Holiday! No matter what your faith or celebration, this season always ushers in warm feelings. Hopefully they carry over into the next year and good things await our Job and Union!

Stay Safe and Always Back Each Other Up!

## **Seventh Precinct**

by Tim Regan

As the end of the year approaches, I wanted to wish all our members a Happy and Healthy Holidays. Merry Christmas and Happy New Year to you and your families.

It was long overdue but the department recently recognized its members for all their excellent police work during COVID. The following 7th Precinct members were honored at the departmental awards ceremony: Officers Richard Adams, Bryan Bernier, Ryan Graham, Tyler Lawson, Bryan Monette, David Pyes, Ryan Zimmerman, Michael Castiglie, Dave Flareau, Connor Fujarski, Kevin Gerard, and Kevin Sollenne. Congratulations to our cops on their Medals Of Distinguished Service, Medals of Commendation, and Meritorious Police Service Awards.

Several of our members recently received the best holiday gift one can ask for. Congratulations to Officer PJ Persichetti and his wife on the birth of baby Lilly! Congratulations to Officer Scott Smath and his wife as they welcomed baby Quinn Grace to the world. Congratulations to Officer Dan Neugebauer and his wife on the birth of baby Jace. Congratulations to Officer Chris Mander and his wife on the birth of their daughter, Madelyn!

Some quick reminders for our members: Be sure to notify a PBA representative prior to signing any disciplinary paperwork(PDCN 209, 210, etc.). Prior to attending IAU as a subject or witness, be sure to thoroughly watch any body camera footage, IAU will know what's on your body camera better than you will. You have the right to request Medical Review at the surgeon's office if there is a dispute about your line of duty status, you are ordered to return to work while on sick leave, or ordered back to full duty from light duty status.

Some fun events coming up for the holiday season! The 7th Precinct Holiday Party will be on Thursday, December 8th at 2000 hours at Bunker Hill Tavern in Wantagh. We also have the 7th Precinct Family Holiday Party on Sunday December 18th at 1300 hours at Elk's Lodge in Massapequa. We hope to see you all there for some holiday fun.

Please stay safe and have a Happy Holidays and New Year!

## **MARINE BUREAU**

by P.O. John Kannengeiser

### **SUMMER WIND**

Pardon my absence from last month's issue. I try to never miss a deadline but unfortunately, sometimes life takes over and makes it impossible to get things done.

### **WELCOME ABOARD**

Congratulations to our newly minted Marine Bureau members. PO's Castka, D'Antone, Karimi, Killeen, MacGregor, Saladino and Walter have seen their Temporary Assignment come and go and have now been permanently assigned to the unit. You all have done a great job this season and are certainly deserving of the transfer. However, the process doesn't stop here. I urge you guys to continue to learn and hone your skills as Marine Patrol officers. You've only seen a small fraction of what you will encounter out on the high seas. Employing a proactive approach is a key part of reaching and maintaining proficiency.

### **ACCIDENT WITH INJURIES**

On Saturday, September 10 at approximately 1300 hours, PO's Rooney and Ficalora were working aboard Marine 1 and responded to a Distress Response assignment in Oyster Bay Harbor.

Upon arrival, the crew determined that the subject vessel, a 2007 Bayliner, was cruising at the aforementioned location and had struck a large wake. The impact resulted in a back injury to the operator and a leg injury to the passenger. Marine 1 crew, working in conjunction with Atlantic Steamer and Bayville Fire Departments, quickly expedited hospital transports for the victims to receive medical treatment. The crew then assisted in securing

the subject vessel for tow and hauling purposes. All in a days work. Nice job, boys.

## **DOG DAYS**

On Monday, September 12 at approximately 1115 hours, PO's Stassi and Litvinski were working aboard Marine 11 and responded to a Radio Assignment in the vicinity of Plum Point, Oyster Bay. Having heard a VHF Channel 16 radio broadcast, the crew were aware that reports indicated that a dog was in the water near buoy #5.

Upon arrival, several boats were attempting to rescue the canine but were unable to do so. PO's Stassi and Litvinski were able to successfully rescue the dog and brought her aboard the patrol vessel for transport back to Roosevelt Park Marina where she was then taken to a local Veterinary Hospital for evaluation and treatment. Fortunately, the dog was tired but not harmed, had a microchip and was reunited with her owners. Nice job, boys.

## **FATAL ACCIDENT**

On Saturday , September 10, PO's McGovern, Siesto and Cernilli were working a night tour aboard Marine 4 in Freeport. At approximately 0430 hours, the crew received a Radio Assignment for an overdue/missing boater. According to reports, the operator had departed his waterfront residence in Seaford at 1730 hours and had not returned home. Marine 2 crew made contact with the complainant, the operator's wife, and then commenced a search of the area waterways. At around 0630 hours, the NYS Parks Police received a call for a deceased human body in the surf at Jones Beach West End 2. The crew then responded to the vicinity to assist and determine if it was related to the missing person.

Upon arrival, a body was observed which matched the description of the missing. Commanding Officer Lieutenant Fischer, who had responded via RMP, entered the water and recovered the body himself with assistance from NYS Police personnel. It was determined that the body was indeed that of the overdue boater. Shortly thereafter, the subject vessel was located a mile east in the surf. The vessel had been involved in an

accident which resulted in the death of the operator and is currently under investigation.

The day tour crew, PO's Dennington, MacGregor and Walter, signed on duty and responded to secure the crime scene, gather evidence and assist in the subsequent removal and transport of the subject vessel for accident reconstruction by the Marine Accident Investigator and Homicide Squad.

This accident was a highly complicated situation. It had many moving parts and all Marine Bureau members involved, including SP-1 ops PO's Beard and Ruzika, should be commended for their professionalism in handling this difficult set of circumstances. Hats off to all of you, especially to our CO for leading by example.

## **HELPING HAND**

On Sunday, October 9, PO's Larsen and Stassi were working a day tour aboard Marine 11 in Oyster Bay. At approximately 1830 hours, while monitoring the police radio, they heard a Second Precinct officer calling for assistance forthwith. The operator of RMP 204 was in the process of investigating a Domestic Disturbance at a nearby Yacht Club when the subject became non-compliant and a violent struggle ensued. Without a second thought, PO's Larsen and Stassi quickly responded to the location and helped take the violent subject into custody. Way to go boys! That's how it is done.

## **JONES INLET UPDATE**

As of mid-October, the Jones Inlet dredging process commenced with crews working daily to make our Inlet a safe, navigable waterway once again. Any boaters in question of where safe passage takes place on any given day should contact the USCG or the dredge operator on VHF Channel 16.

## **DIVE TEAM OPS**

Back on Thursday, June 16, a vehicle belonging to an active missing person under investigation was recovered on the Southern State Parkway near Exit 21 adjacent to Coes Neck Lake. The vehicle was found to have possibly been involved in an auto accident and a search of the area commenced.

The NCPD Marine Bureau Dive Team was called in to conduct a search using marine dive assets while utilizing Side Scan Sonar. However, an extensive search yielded negative results.

Subsequent review of Side Scan Sonar data led to an additional search on Saturday, June 18 and a successful recovery of the body of the missing in 22' of water.

The Police Divers involved were: PO's Locher, Kogan, Zylinski, Carlson, Beard and Stassi. PO Kogan was instrumental in the data analysis leading to the successful search. In addition to the NCPD Marine Bureau Dive Team, Emergency Services Unit, Aviation Unit and Missing Person Squad were all involved. As always, great work boys!

## **SIDE SCAN SONAR TRAINING**

As a result of the above listed Dive Team ops, on Tuesday, October 4, the NCPD Marine Bureau hosted a 2-day inter-agency training initiative that was attended by Dive Team and Training Staff members. In addition, personnel from 9 other agencies, including: NYPD Harbor Unit, SCPD Marine Bureau, Town of Hempstead Bay Constables, Town of Oyster Bay Bay Constables, Glen Cove Marine Patrol among others, were present for this valuable training.

The manufacturer of the Side Scan Sonar equipment, Marine Sonic Technology, provided an instructor to teach the proper use and implementation of sonar technology in the marine law enforcement environment.

Marine Sonic Technology is a premier domestic and international supplier of Side Scan and Collision Avoidance Sonars and Depth Sounders/Altimeters. They are one of the top companies in the industry and it was such a great experience to learn directly from the manufacturer of this essential equipment.

Day 1 consisted of detailed classroom instruction with Day 2 being a practical, hands on demonstration using the equipment out on the patrol vessels. Certainly a great training opportunity with special thanks going out to PO Kogan for orchestrating the sessions and Lt. Fischer for logistical support in securing a state-of-the-art facility at the Morrelly Homeland Security Center.

## **RETIREMENT PARTY**

On Wednesday, November 2, Marine Bureau members both old and new convened at the Milleridge Cottage in Jericho to celebrate the retirements of the following men: St. Robert Boyle, Sgt. Joseph Gaffney, PO's Joel Fuoco, Benjamin Macchia, James Muhlbauer, Eugene Drum, Robert Hayes, Michael Kalab, Joseph Nappi, William Joie, Kevin Shannon, Philip Endres, William Gordon, Casimer Cegelski, Frank Borgi, James Sanford as well as Police Fleet Mechanic Sal DiLorenzo.

This event yielded a really strong turnout and a fantastic evening was had by all in attendance. As always, hats off to Mike Shahinian and Bobby Schmidgall for putting together a great event.

It was a true pleasure to celebrate some of the greatest Marine Bureau members ever to join our ranks. Thank you for your service, gentlemen. It was an honor to have worked with you, learn from you and laugh with you. See you all soon. Enjoy your well earned retirement.

Until next time, fair winds and following seas.

# Notes From the E.S.U. Corner

by Kevin Probst

## ON THE JOB

I hope everyone had a Happy Thanksgiving and has a Merry Christmas, Happy Hanukkah, and enjoy the time with your families. ESU has been building relationships with the volunteer fire service and began working closely with the FD Technical Response Teams. On Saturday November 19th, ESU joined the FD tech rescue teams for a joint training in Freeport. ESU, Electronics came down with drones, Massapequa FD, Freeport FD, Bethpage FD, Rockville Centre FD, Port Washington FD, and Nassau County OEM were all in attendance. The drill consisted of victims in a basement and the only way to access them was through the concrete floor above. We were split into two teams, one in which they used concrete cutting chainsaws, and the other was all pneumatic chipping tools. Both sets of tools showed their strengths and weaknesses, and once the floors were breached ESU took place for the "rescue." PO's Paratore and Russo were lowered via the tripod in one scenario and used a portable ladder in the other. It was a great drill not only to get hands on the tools but to show face and work together to get the job done. Hope there will be more opportunities for joint training in the future.

Above Photo's by Robert Peters from southfreeportfirebuff.

## TRAINING

At the time of this newsletter the new members assigned to the unit have completed vehicle extrication training, rope rescue training (patient packaging, high angle, low angle, and confined space training) and are halfway through tactic training. They have received rifle training from the range as well as shotgun training. Things are moving smoothly with some classes set up in New Mexico for Incident Response to Terrorist Bombing, and two weeks in Alabama for Hazmat Ops and Hazmat Tech Training. We put them through the ESU mask confidence course and all did well as most of the group has never put on a SCBA before. Hope they keep up the motivation and desire to learn and we'll keep giving them more!

## RETIREES

Let's not forget about the ESB/ESU retired members breakfast at the Embassy Diner on Hempstead Tpke, Bethpage. Just west of the 135 across from St. Joe's Hospital and just a reminder it's the FIRST Thursday of every month at 10 am.

**Be Sure to visit

## PICTURE OF THE MONTH

The guys in ESU have been rocking and rolling with their fitness lately and PO Grosser has been trying out some intermittent fasting. You know it was getting tough when he was frustrated the horse couldn't get the hay fast enough. Chris had to see what was the big deal and you can see he enjoyed breakfast along with the mounted horse.

If there is any information you would like to see published in the newsletter please feel free to email me at [kprobst@pdcn.org](mailto:kprobst@pdcn.org)

## Retiree Column

by Joe Failla

[JoeFaillaNCPBA@aol.com](mailto:JoeFaillaNCPBA@aol.com)

Well Boys and Girls, this is the last column for the year 2022. Just what kind of year was it? For some it started off greeting and talking with old friends at the Annual Nassau Blue Reunion, which by the way is scheduled for January 26 – 29, 2023. (An Application for the event can be found further back in this issue.)

It was a year where the number of retiree's from the "Best Job on the Planet" increased with many more joining our ranks and decreased with the passing of friends and acquaintances. So many people that we all worked with have left us for the big Station House in the sky to be with those gone before us.

I can visualize LT. Emil Mortak at the desk in the 8th, reading one of his treasured Zane Grey novels and "Sarge" Paul Pulcinni tearing out the last page from the book when the LT went for a fresh cup of coffee.

Jim Hervey, a PBA legend, the only man to have been elected as Trustee in all eight Precincts and the only man, to my knowledge to receive a 24 karat Gold PBA card on his retirement, sitting at the 32 desk asking everyone coming thru the door "Hey kid got any Pennies?" He eventually had enough to purchase a color TV for the 32 Room.

All of this playing out right there in front of the bronze likeness of Richie Rose with Richie saying "hey, pretty good likeness huh?" The old 8th is gone and Richie has moved to the new building.

So many names have been posted in the Final Signal 11 this year, Classmates who have gone ahead to organize the biggest reunion of them all, the one that no matter what you have on your schedule, you just cannot miss.

Hopefully you all remembered to vote and that you got exactly what you voted for. Whatever the outcome, I guess we will have to live with it.

If you are in town, you should really take the time to check out the "State of the Art" NCPD Police Academy. I was able to attend the Grand Opening hosted by COP Pat Ryder, who did a fantastic job and made us old guys feel welcomed and appreciated.

In closing, I would like to wish you and your families a Blessed Merry Christmas and a Happy Healthy Prosperous New Year. If you are celebrating at home be sure to watch the New Year's celebration from Nashville on FOX. My son Jimmy will be helping to usher it in. God bless you all.

## **FINAL SIGNAL 11**

Since the last column, we have been notified of the passing of the following PBA Members;

On October 8 we lost DET Richard N. Hipp, Serial 3309, Narcotics Vice Bureau, who served from October 4, 1963 until January 26, 1986.

On October 11 we lost PO Edward J. Deegan, Serial 4678, Bureau of Special Operations, who served from June 5, 1970 until June 4, 2004.

On October 11 we lost SGT Martin W. Blessinger, Serial 4024, Communications Bureau, who served from July 5, 1968 until August 27, 1987.

On October 16 we lost PO Joseph F. Santillo, Serial 2404, Fourth Precinct, who served from January 2, 1957 until January 23, 1992.

On October 27 we lost DET Richard A. Thomson, Serial 3548, Eighth Squad, who served from April 16, 1965 until April 16, 1985.

On November 1 we lost, PO Kevin W. Grogan, Serial 3243, Fourth Precinct, who served from July 1, 1963 until July 4, 1986.

May they all rest in eternal peace.

## **2022 Epic NPA Blackfish Trip**

by John May

It was the 13th year of the NPA Annual Blackfish trip and it was EPIC! The trip started in the usual way. A group of anglers went out the night before and stayed at the historic Townsend Inn in Greenport. A traditional dinner of chicken pot pie at the Front Street Station was enjoyed by all. And the evening ended early with a night cap at the Inn.

The following morning at O dark thirty, twenty seven NPA members all met up at the charter boat Orient Star V in Orient. Captain TJ Buckley was at the helm and guided members to the fishing grounds off Fishers Island. The day was exceptionally warm and seas fairly calm. It was a great weather day for fishing!

On the way out, Official Toastmaster Al Miranda offered the toast and he pointed out it was the 13th Blackfish trip for the Club. Once anchored on the fishing grounds, the bite began immediately! President John Klesseraht was hot with numerous fish coming over the rail but it was Chuck Conti that went with quality over quantity. He hooked into a fish that he immediately knew it was a monster. The fight began! Chuck tried to get the fish off the bottom but fish went into the rocks. The fish refused to budge for what seemed an eternity. Chuck waited out the beast. Finally, the fish relented and Chuck was able to reel the fish up to the surface. The blackfish weighed in at 10 pounds 12 ounces. The fish was estimated to be at least 15 years old. It was the largest blackfish in the 13 years of Club trips! A Club Record!

It went without saying, Chuck won the Blackfish pool. A pool for largest seabass was won by John May. Those "old SIB lab guys" certainly know how to fish!

Needless to say, everyone went home with some nice bags fillets. Who said the number 13 was unlucky?

If you are interested joining in the Nassau Police Anglers, visit <http://www.npanglers.com>. The purpose of the Club is to promote fraternity and friendly competition. Club members enjoy local and travel fishing trips, monthly meetings and a terrific holiday party! Expert and novice anglers are all welcome. Office: (516) 248-2340

350 Old Country Road, Suite 106 Garden City, New York 11530

Dear PBA Member,

Periodically, your PBA reminds its membership of appropriate steps that should be taken if you are called to Internal Affairs or become part of ANY department investigation. Recent events underscore the importance of involving the PBA and your legal counsel, me, as soon as possible.

Should you be called to Internal Affairs, be it as a witness or subject, you must notify your local PBA representative IMMEDIATELY. If you are deemed a subject, you have the right to have both a union representative and legal counsel with you during the interview. **If the investigation is criminal in nature, call me first!**

REMEMBER: You must be afforded a reasonable amount of time to contact a PBA representative and attorney. You have the right to confer with us both before and after questioning.

YOUR PBA REPRESENTATIVES AND ATTORNEY  
ARE HERE TO PROTECT YOU!

In any situation, be it at Internal Affairs or otherwise, where you are asked to write a letter and there is even a remote possibility of discipline, be sure to begin the letter with the following statement:

"I am making this statement for administrative purposes only. I have not done so voluntarily, but in compliance with an order of a Superior Officer. This statement in no way constitutes any waiver of my rights, and this statement, or any part thereof, may not be used against me in any subsequent criminal proceeding."

Finally, upon notifying your PBA representative that you have been called to Internal Affairs as the subject of an investigation, we will arrange to meet prior to your interview at my office to review the facts and circumstances.

Fraternaly,

Bill Miller

Re:

Dear Dr.

Police Officer \_\_\_\_\_ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 - 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Very truly yours,  
FUSCO, BRANDENSTEIN & RADA, P.C.,

Cops are tough. They slough-off injuries every day. In the rough and tumble world of Police Officers, on-the-job injuries are hardly a novelty. Cops get hurt. They get better and quickly get back on the job. But some of those injuries may find a way of sneaking back and biting them in the.....

A mild recurring ache morphs into chronic pain. Doctors say your X-rays and scans show degenerative arthritis and herniated discs, related to that tussle. At this point many rights and potential benefits may come into play. Now is the time you need the advice of professionals who have been handling disability issues for Nassau Cops of all ranks for 30 years. What you thought was a minor work related injury could become a major headache! Whether you've been hurt on or off the job, you need experienced counsel to guide you - not a fortune teller.

## Serving your investment needs

I am proud to say I began my career in the investment industry in 1992. Over these 30 years, I've worked with people from all walks of life, employing my experience, knowledge, and relationships to help my clients achieve their financial goals.

When it comes to serving my clients, I am a firm believer in talking with them, not at them. This allows me to understand their specific situation – whether simple or complex – so that I can provide my best guidance. I help individuals, Professionals, Pensions Systems, Law Enforcement, Union & Trade Workers, Teachers, Medical Professionals, etc. with a common-sense approach to their investment Planning and Retirement needs!

Over the years, I have built relationships with other professionals. As a result, I frequently receive referrals from leading attorneys and accounting firms. These firms have entrusted me to assist their clients in navigating investments after receiving settlements from accidents, injury, divorce, or illness. I value the confidence they place in me and for introducing me to individuals who may benefit from my advice.

One reason I believe firms introduce me to their clients is that I have a broad understanding of financial instruments and the ability to present them in a very

clear, concise, and transparent fashion. I also understand the importance of confidentiality. I am sensitive to the personal challenges their clients have encountered, and work to tailor strategies that align with where they are today and where they want to be in the future. Ultimately, what I take the most pride in is when these clients report back to the referring party on how pleased they are with my service and my personal approach to their needs.

To support my clients, I look to the strength of my investment knowledge, my personal integrity, and my long-term relationships. Approaches and offerings are:

- Transparency and Accountability
- Fixed Income portfolios
- Portfolios that produce income & predictability
- Diversification
- Tax Shelters
- Family Succession
- Strategic Planning

I look forward to employing my knowledge and experience to help you reach your financial goals.

Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

## PLANNING FOR THE "CRISIS MOMENTS" IN LIFE

A basic estate protection plan consists of 4 documents:

- 1) NYS Living Will
- 2) NYS Health Care Proxy
- 3) NYS Durable Power of Attorney
- 4) Last Will and Testament

Everyone, once they have reached the age of 18, should have the basic estate planning documents in place to help lessen the blow should life throw you into a "CRISIS MOMENT."

We can help you prepare for those moments with documents that never expire and are a **ONE TIME** cost which maybe less than you would realize.

**REAL** discounts for all active and retired SOA / DAI / PBA members and their families.
