# President's Message

by Thomas Shevlin

I hope you enjoyed the summer and spent time with your family and friends. I am excited to say that you should have received your retro checks from our recently settled contract by now. Once again, thank you for your patience and professionalism. It is much easier to get through hard times when we are united and support each other.

We are now entering into the political season with local elections in November. We have spent time interviewing all of our candidates from both political parties. As we interview, we look into past voting records and ask challenging questions on future visions that could help or hurt our members. Once we make our official endorsements, we ask you to participate and unite as the mighty voice we are. Politicians make decisions that directly impact us and the communities we serve. For example, the local politicians vote on things such as funding for public safety and contracts between the County and unions, and they have the authority to make changes to the County Charter that could help us with the discipline process.

Please take the time to vote and consider our endorsements. Also, please help us to get the word out to your family and friends about our pro-police candidates.

Be safe and always back each other up physically and mentally.

## 1<sup>st</sup> Vice President's Message

by Kevin Mullick

### **"GET INVOLVED" YOUR VOTE COUNTS**

The upcoming election cycle for 2023 concentrates on your local elected officials. The Nassau County Police Benevolent Association Political Action Committee(PAC) completed the interviews of our local Legislators and Town Supervisors. I am very honored, as First Vice President, to be Chairperson of the Legislative Committee. I would like to thank Corresponding Secretary John Paterson and the Political Action Committee for their professionalism when screening the candidates. The Nassau County Police Benevolent Association is not an arm for one political party. We proudly endorse candidates on both sides of the aisle. It

was these same Legislators that unanimously approved our contract this year.

In any election whether local, state, or national every vote counts. This was proven, last year, when a local New York State Assembly seat resulted in 50.1% to 49.9% votes counted. That is exactly the slimmest of margins. Very shortly will have our list of endorsements for membership. We also partner with the Suffolk County Police Benevolent Association for their list of endorsed candidates. The most important part of this process is not only membership, your family, to go out and vote. If anyone needs a voter registration form please let your local PBA representative know and we will get you one. You have an opportunity to vote early, at your convenience. The Department prepares an order giving members time off to vote if they are eligible. You have a right to vote and not doing so is giving up your voice.

## 2<sup>nd</sup> Vice President's Message

by David J Re

### **MATRON DUTY**

In July of last year, the Department issued Administrative Order 22-008 titled DETENTION CELLS – Female Arrestees. We were told that it was issued in order to comply with NYS Law Title 9 NYCRR §7504.1(e). That statute requires the presence of a matron when female prisoners are detained in a detention area. Since Precinct arrest rooms and Squad lockups or "fishbowls" have cells, they are considered detention areas and require a matron of some sort.

Although both the Department order and NYS law clearly states that a matron is necessary only when in a cell, it still created a lot of confusion. Supervisors began to order female Patrol Officers to discontinue patrol, come off post and act as matrons whenever there was a female arrestee. This is not always necessary and the need for a matron depends upon where the arrest is being processed. A simple way of putting it is: You need a matron in a detention area. A detention area has cells. If the area has no cells then it is not a detention area, and there is no need for a matron.

Meanwhile, compliance with our contract depends on who is making the arrest. On August 15, 2023, there was a revision to OPS 2115 Arrest Processing, including Squad Arrests. The new procedure deviates from the statute and previous order and ignores the most important component which is the cell. Now, as per the order, female patrol officers may be ordered off patrol

to act as matrons on female squad arrests. This is not a function of patrol, or a call to service. This is matron duty, and it violates minimum manning.

Can the Department process female squad arrests without violating minimum manning and comply with State Statute? Yes! In fact, the Department has already supplied the solution within the new order. If there is a female squad arrest where the arrestee needs to be in a cell, but no female detectives are available to assist, the arrestee should be transported to Headquarters for processing at CTS since there is a matron on duty 24/7.

The PBA has filed a grievance regarding this issue and it was recently assigned an arbitrator. I'm still hopeful that we can resolve this matter with the Department.

In the meantime, we are proceeding with arbitration and we will keep your PBA Reps updated about this ongoing issue. If you have any questions, let them know.

## Fourth Precinct

by James McDermott

The Fourth Precinct is saddened to say that we recently lost a brother. Wayne Resnick unfortunately succumbed in his fight against ALS. Wayne was a pillar of this command and will be deeply missed by all that had the privilege to know him. His legacy on this job will live on through us. Our condolences are extended to Wayne's wife and five children. I'd like to give thanks to all of the members, from all across the Department, for their attendance at Wayne's funeral service. It was greatly appreciated.

Since our last published newsletter article, it seems as though the Fourth has turned over roughly 35% of its members, whether it be to units, promotion or retirement. We would like to extend our congratulations to all of those that have moved on and wish them all nothing but the best in their next chapters. Special recognition to the three current members of the Fourth, Jack Castronova, Anthony Romanello and Chris Loew, on their upcoming moves to Canine unit and BSO. Well-deserved by all.

While recognition of a job well done is something that all of those that have moved on from this command have in common, I would like to acknowledge the effort and dedication of that is put forth day in and day out by all the members of Fourth. Whether it is a radio run for an alarm, aided or domestic disturbance, a routine car stop resulting in a warning being issued, or a VTL involving a dangerous known felon which results in

multiple charges and arrests, you can rest assured that the entire Command top to bottom, from the patrol Officer next to you all the way up to the Commanding Officer, recognize the quality work being put in on the street and has your back at all times. We are a team, united, as it should be.

Remember to always back each other up and be safe.

## Fifth Precinct

by Sal Milone  
pbanewsletter@yahoo.com

Unfortunately, I have to start this newsletter with some very sad news. One of our brothers, PO Thomas Ryan, passed away unexpectedly on July 14, 2023. Tom was an excellent Police Officer and an even better friend. Tom always looked out for his fellow cops and held down the Green Acres Mall with his partner in crime, Mike Celeste. Tom struck internet fame this year when he calmly showed the world what an improper "Press Pass" was, putting all First Amendment auditors on notice. Tom, you have been greatly missed and your absence is noticed on a daily basis. Please continue to keep Tom's family, especially his wife and baby girls, in your thoughts and prayers.

The Fifth Precinct, as well as Highway, will be hosting a memorial fundraiser for Tom and his family on September 20, 2023 at 6PM at the Plattduetsche. Please come down to support his family and friends.

We have had a lot of movement in the Fifth in the last month. A huge congratulations to Sgt. Ashley Bambino on her promotion. Squad 4 has been in shambles ever since you left - and with Grogan as your replacement, I don't see that changing anytime soon. Stay safe and good luck!

Another congratulations to Sgt. Joe Camilleri. While Joe was apart of a mass exodus from Valley Stream (which I can't say I blame him) he moved to the equally as busy Third Precinct where he'll be a valuable asset. After all, you get to learn everything you need to know from Gluch. Stay safe and good luck!

PO's Mike McDonald, Steve Martucci, and Mike Celeste also made the move to highway.

Mike, if you ever decide you want to come back, everyone would greatly appreciate not having to listen to Cetto try and fill 12 car. It was an honor and privilege to learn from and work with you. Stay safe.

Celeste, another honor and privilege. You're one of the nicest and genuine guys we've had work here and your resounding "20" over the air will be missed. Stay safe. Steve.....if I ever want to see what it's like to be a real cop

in 501 I'll just look up your partner's serial number in swift. You're still one of the only cops I know to almost need the coast guard to exit an RMP on 10-7. Highway has a real gem in you. Stay safe pal!

On behalf of the Fifth Precinct, I'd like to extend our well wishes to Inspector Stephanoff on his move to the Seventh Precinct. It was an honor to have you as our CO and wish you nothing but the best. We'd also like to welcome and congratulate long time Fifth Precinct cop and LT, Inspector Crawford. We look forward to working with you as our CO.

There has been excellent police work in the Fifth over this past month. Three separate gun arrests for POs Dondero and Cetto, POs DeStefano (BPD) and Alvarado, and POs Giachetti and Scicutella (BPD) - great police work in all scenarios, gents.

Unfortunately, we had a horrific accident in West Hempstead with the death of a juvenile. The cops that responded were nothing short of amazing with the care they rendered to all involved, and ultimately making an arrest of the individual responsible. When tragedy strikes, there is no other group of men and women I'd rather be around to have my back and take care of business.

## Seventh Precinct

by Tim Regan

I hope everyone had a nice summer. Hopefully the fall will see the 7th get back to a more normal work schedule after a busy summer. Everyone who stepped up to help your fellow brother and sister get out of an 'Order In' is much appreciated.

Great job to everyone looking sharp while the cameras were rolling for the Gilgo Killer Massapequa Park detail. I'm pretty sure Netflix will be interviewing Danny Randazzo for their next documentary as he always seemed to be in the center of the action.

August featured 27th Precinct functions. Many retirees came out of the woodwork to attend the Tobay Beach Boat Yard Party and the annual Cap Tree Fishing Trip. It was great to see many members brought their kids and families to make it another successful year out on the water. Thanks to everyone who attended. Expect a meet and greet in the fall to welcome our newest 7th Precinct cops, date and time TBD.

We would like to welcome our newest cops to the 7th Precinct. Congratulations on graduation and a warm welcome to Connor Brogan, Steven Mordente, Christian Turri, Eric Selva, and Gennaro Gabbe. We wish you the best of luck on your careers here and always be safe out on the street and **BACK EACH OTHER UP!**

The summer baby train arrived. Numerous congratulations are in order. Congratulations to Dylan Schoen and his wife Gina on the birth of their **TWINS!**, Julia Elizabeth and Theo Scott. Congratulations to Pete Stella and his wife on the birth of Jack Hendrix Stella. John Albright and his wife welcomed baby Adam into the world. Congratulations to Krystal and Andrew Massa on the birth of their daughter, Noelle Joy.

This summer saw the great supervisor shake-up take place. Best of luck to Sgt. Bruno on his transfer to highway, you always looked out for your cops and we will miss you here. Best of luck to both the 6th Precinct and our former DCO Insp Rhatigan. Good luck to both on your new endeavors. Best of luck to Insp Hirsch on his transfer to the 8th, we thought you would be in the 7th forever. We welcome our new CO Insp Stephanoff and DCO Dolan to the 7th, we've heard nothing but good things and look forward to working with you.

Have a good fall and stay safe out there!

## **F TROOP HOCKEY CLUB BY TIM REGAN**

Another successful season is in the books for F Troop Hockey Club. The spring season ended with a trip to the finals against the Corona Ice Kings and our annual trip to the BFit Heroes Cup in Boston.

F Troop sent two teams to the Heroes Cup and competed against military and first responder teams while raising money for Kids With Cancer. The weekend featured lots of hockey, some great tailgates and BBQ, and stops at local breweries and watering holes. This was the first year F Troop had enough players to enter 2 teams into the tournament as the club continues to grow each year.

We want to thank the PBA and our sponsors for their continued support of the team. The team is growing each season and we continue to bring more members together for hockey and team events. This year we introduced our first team craft beer thanks to Lithology Brewing in Farmingdale. Puck Off Pilsner was a big hit with the team and allowed the players to hydrate after each game.

The end of summer means it's time for hockey season. F Troop Hockey Club and Team Lions will resume

play after Labor Day Weekend at Newbridge Arena in Bellmore. In addition to lots of hockey and the Heroes Cup in Boston in June, F Troop will be participating in the Battle of the Badges in Orlando for the first time.

We are always looking for new members. Our participation is at its highest yet, but we still have plenty of room for members, retirees, detectives, or supervisors. September 12th at 1115 at Newbridge is an Open Tryout for anyone interested. Reach out to Rob Sacco(4th Squad) 917-620-3453 or Tim Regan(7th Precinct) 516-993-2210 if you are interested in joining the club.

## **BSO**

by Keath Mishkin  
Ncpdbso.com

I hope everyone has enjoyed their summer because now it is time to get back to the grind. It has been a great year so far for the Bureau as well as the whole department overall. The contract has been finalized and retro monies as well as raises have been reflected in everyone checks. It was definitely long over due, but couldn't have been done without the PBA board and Tommy Shevlin leading the way.

## **RETIREMENT**

The Bureau would like to congratulate Nick Collins on his retirement as of August 24th. Collins has spent the last 10 years assigned to the Bureau and was a huge asset as an anti-crime cop as well as a tactical operator. Nick began his career in the 4th precinct after graduating from Nassau's police academy in 2007. While assigned to the 4th precinct he quickly made an impact right out of the gate and got assigned to 409 car which covered Inwood. Post 409 was hands down the heaviest and busiest car in the precinct for assignments. After approximately 6 years on patrol Nick proved himself and earned his way to BSO in 2013. Once in BSO, Nick was assigned to squad 3 and partnered up with Frank Parente. These two were all over the map recording nearly 100 arrests a year. They then went over to Narcotics for a short stint and joined the Heroin Task Force on a temporary assignment where they helped take down "The 110 Crew.". In 2018 Collins joined squad 1 where he partnered up with Keath Mishkin. Nick picked up right where he left off also averaging over 100 arrests a year and acting as a lead shield operator on search warrants. In 2021 Nick got injured during a vehicle stop with then partner Joe Lamariana where he injured his wrist. During his tenure in BSO Nick has received many medals and was Top Cop by the county legislature. He is by far one of the best cops this job has had and we wish him the best of luck on his retirement. Once in Never Out!

## **BIRTH ANNOUNCEMENT**

Congratulations to "The Worm" Mike and Ashley Sierzant on the birth of their baby girl Sienna Marie who was born on July 2nd, 2023 weighing in at a whopping seven pounds nine ounces and 21.5 inches long.

## **SAVE THE DATE**

Please join the Bureau of Special Operations at the annual BSO Christmas Party which is set to take place on Friday December 15th, 2023 at the Oheka Castle located at 135 W. Gate Drive Huntington NY, 11743 from 7pm to 12am. The cost is \$110 a person and hotel rooms are also available. For more information call BSO Base 516-573-8010.

## **SHOUTOUTS**

Congratulations to Sean Conroy on his recent promotion to Lieutenant and assignment to the fifth precinct. Hopefully the next department order that comes out has you coming back to the Bureau since Danny Boy DeCastro waits on deck for his promotion and call up to the majors as Lieutenant. We also want to congratulate our new four NG's who recently just got assigned to the Bureau. First we start off with the Gotti Boy Larry Gotti. All I can say is that it's about time! This seasoned

veteran is ready to go and also ready to reunite with his first precinct comrades in BSO. Next we have COPE's own Michael Scuderi. Scuderi who is a collar hound is ready to bring his anti-crime skills to BSO. Our #3 hitter is definitely someone you don't wanna mess with. All County wrestler and weightlifter who came from the 4th precinct Chris Loew is ready to bring down the house. Closing out the crew who is still waiting to come off the bench because of restricted status, and was recommended by his agent John Fallace says he's ready to go, and that's Paul Simonetti. Another BSO alum who is about to make his return after his temporary assignment and summer vacation in the water is none other than Big Brian Witt.

## Notes From the E.S.U. Corner

by Kevin Probst

### ON THE JOB

First off I hope everyone had a safe and enjoyable summer. Summer never slowed down for ESU and the department. There have been some bad fatal car accidents with people of all ages involved. We say it is all 'part of the job' and have our own way of debriefing but if you have any concerns or feel you need to speak to someone please do not hesitate to reach out to one of your coworkers or even peer support. ESU is a great place to work and we want everyone to have a long healthy career both mentally and physically. Barricades had an up tick as well, and some of the recent ones needed the assistance of the local fd's ladder truck to get onto the roof. Maybe next inservice we practice tactical entries off of ladder trucks!

We have continued to update the office and the truck bay and can not thank the guys who have put in the extra work to get it all done. We have a few important dates to get out there: On September 10th the department is holding a memorial mass at Sacred Heart Church at 1200. On September 11th we'd like to have all ESU members and retired members attend the service at Police Headquarters. September 22nd is the second annual ESU memorial golf outing at Willow Creek golf course in Mt. Sinai, the golf foursomes are sold out but if you would like to come for the dinner it's \$85 and can be paid at the door. Remember all proceeds go to the Artie Lopez scholarship fund!

### TRAINING

In-service is coming up quickly and with the addition of the newest members it will be a great time to incorporate

the fresh minds of new members and the experience of the senior guys. We are hopeful that after this inservice we can start to 'up the ante' a little bit and test the limits of the members and the equipment!

### RETIREES

Let's not forget about the ESB/ESU retired members breakfast. It's the FIRST Thursday of every month at 10 am at the Embassy Diner. If there is any information you would like to see published in the newsletter please feel free to email me at [kprobst@pdcn.org](mailto:kprobst@pdcn.org)

## MARINE BUREAU

by P.O. John Kannengeiser

### WELCOME ABOARD

Congratulations to the 2023 Marine Bureau Temp Class: PO's Aquino, Barrucheri, Cardino, Cascio, Verde, Vlasaty and Witt. Welcome to the unit, gentlemen! Be sure to look out for each other and learn as much as you can. Don't be afraid to get your hands dirty, jump in and get the work done but most of all, don't hesitate to ask questions. The veteran members will be more than happy to share their experience and help you assimilate to your new surroundings. This unit is a great place to work and I think you all will do just fine.

### SMPVOC

On April 3th, the 32nd installment of SMPVOC commenced out at the SCPD Marine Base. The aforementioned officers along with members of the SCPD Marine Bureau, NYPD Harbor Unit, NYS ENCON Police, NYS Police, Suffolk County Deputy Sheriffs, East Hampton Town Marine Patrol, Babylon Bay Constables and Groton Police Department embarked on our annual campaign to learn how to become Marine Law Enforcement officers. As always, the class was filled with exciting moments and achieved the desired results of properly preparing the students as they embark on a new chapter in their law enforcement careers. The team of instructors we have on staff at this time are amongst the most qualified maritime professionals in marine law enforcement which always yields positive results.

## MAY DAY

On Friday, March 31, 2023 at approximately 1500 hours, PO's Beard, Votinelli and Siesto were working a day tour aboard Marine 2. While on patrol in the Western Bays, the crew overheard a May Day call on VHF Channel 16 for a vessel adrift in the vicinity of Wreck Lead Railroad Trestle in Island Park. The vessel had suffered a mechanical failure and the anchor was not holding. The wind and current were pushing the boat towards the rocks.

The crew arrived on scene in a matter of minutes and observed the subject vessel dangerously close to the rocks at the embankment of the Wreck Lead facility. Patrol vessel operator PO Votinelli approached the boat and the crew passed off a line which was then fastened to her midship cleat.

Marine 2 then pulled the vessel away from the rocks and the operator was instructed to pull the anchor, then fasten the line to the bow cleat and pass the line off to the crew. PO Votinelli then turned the patrol vessel and placed the boat in side tow and took it back to the Long Beach Municipal boat ramp.

This assignment is a great display of marlinspike seamanship and quick thinking on the part of the boat crew. Highly effective line handling in a stressful situation yielded a positive result that could have easily seen a catastrophic ending. Nice job, boys!

## RUNAWAY VESSEL

On Wednesday April 26, 2023 at approximately 1900 hours, PO's Clauss, Ficalora and Litvinski were working a night tour aboard Marine 2. At the aforementioned time, they received a Distress Response assignment for a man overboard in Parsonage Cove in Baldwin. The male had fallen off of his skiff while trying to retrieve his hat which blew off. The emergency cutoff lanyard failed to activate and did not kill the engine as intended. The skiff was traveling at approximately 12 knots and was spinning in circles at the location. The crew arrived on scene and approached the vessel. They tried throwing a line in the water in an attempt

to foul the propellor but this technique did not work. PO Clauss then maneuvered the patrol vessel alongside the skiff at cruising speed and PO Ficalora was able to jump onto the skiff, disengage the engine and take control of the runaway boat. The crew then tended to the victim and proceeded to tow the vessel to safe harbor. This assignment is a fantastic display of tactical boat maneuvering and effective teamwork. This type of assignment can present a very dangerous situation and the crew handled it with ease.

## WATER EMERGENCY AT CENTRE ISLAND

On Monday, May 15, 2023 at approximately 2330 hours, a call was received for a person in the water in the vicinity of Oyster Bay Harbor, Lloyd Harbor. According to reports, two young men were underway aboard a 25' sailboat when one fell overboard. The remaining man was inexperienced and was unable to assist and eventually 911 was called.

Upon arrival, Marine Bureau members were assisted by Town of Oyster Bay Constables and USCG personnel in gathering information, conducting the investigation and commencing search operations. A multiple agency search for the missing male was then conducted by The Marine Bureau, Emergency Services Unit, Aviation Bureau, NYPD Aviation Bureau, US Coast Guard, Oyster Bay Constable, Bayville Fire Department and the Oyster Bay Fire Department.

Having searched through the night with negative results, NCPD Dive Team members, PO's Carlson, Leek, Locher, Kogan and Zylinski, under the supervision of Lt. Fischer, were called in to conduct advanced searches with the Side Scan Sonar. With assistance from the Christian Aid Ministries Search and Rescue Team, NCPD Dive Team squads covered an extensive search area over a period of several days.

In particular, PO Kogan acted as the point person to coordinate search parties and spent countless hours analyzing Side Scan Sonar data and coverage areas to determine further efforts. Although the end result was not what was intended, the family of the missing man was brought closure when his body was recovered by a fisherman in the waters off Caumsett State Historic Park Preserve in Lloyd Harbor. This case is still under investigation.

## DOG DAYS OF SUMMER

On Saturday, June 3, 2023 at approximately 2220 hours, a call was received for a vessel aground in Sea Dog Creek in the vicinity of Reynolds Channel, Point Lookout. As a result of the full moon high tide, the adjacent marsh had become obstructed and the vessel ran aground. The operator did not have a commercial assistance contract and was alone aboard the boat with only his dog. With high winds blowing, the pair became cold and worried. POs McGovern, Siesto and Votinelli arrived on scene aboard M5, observed the vessel and made contact with the operator. At this time, the dog proceeded to jump overboard and was quickly rescued by the crew. The boat was then removed from the marsh and towed to nearby West Marina for a vessel inspection. What was a routine grounding assignment took a turn for the worse when the dog entered the water and a rescue was necessitated. This is a good example of being ready for the unexpected at any time.

## SECURITY CALL

On Saturday, June 24, 2023, US Speaker of the House Kevin McCarthy (R) was invited to a private fundraiser at a local waterfront residence in South Bellmore. Marine Bureau units were requested to provide maritime security in the area for the duration of his visit. Upon arrival, Marine 1 and Marine 5 conducted extensive sweeps for potential terrorist activity, canvassed the area for maritime threats and maintained a security zone in

the adjacent waterway. County Executive Blakeman was also on hand to welcome Speaker McCarthy and the event went on as scheduled without incident.

## HISTORY

Soviet Prime Minister Nikita Khrushchev visited the Soviet Embassy to the United Nations (Killenworth) at Glen Cove during the 1960's. Shown in this photo are Prime Minister Khrushchev (center) with future Police Commissioner Francis Looney to the left of Khrushchev and Soviet Foreign Minister Andrew Gromyko behind and to the right of Khrushchev (wearing hat and glasses). Some members of the Marine Bureau were assigned to the special police security detail during Khrushchev's state visit while on Long Island.

The replica sailing vessel H.M.S. Bounty that appeared in the 1962 version of Mutiny On The Bounty (starring Marlon Brando) was constructed by Smith and Rhuland, Ltd. of Lunenburg, Nova Scotia. The ship was launched in 1960. The subsequent home port for the H.M.S. Bounty was Greenport in Suffolk County.

When the Bounty required marine inspection and repairs in the years following the production of the movie, it moved to Jakobson Shipyard in Oyster Bay. The Bounty could be regularly seen moored at Jakobson's main pier during the 1960's. During this time, the Marine Bureau would often receive calls complaining of folks swimming out from Beekman Beach and attempting to access and board the Bounty for surreptitious purposes.

## **ANNUAL "BACK TO THE BEACH" PICNIC**

On Wednesday, August 2, 2023, the Marine Bureau held the annual picnic at Tobay Beach Marina. Marine Bureau members old and new all convened to celebrate the 90th year of the Marine Bureau. It's always a great time and gives us a chance to reminisce with friends, family, coworkers and retirees alike. Live entertainment was provided by Frank Sino, who did a tremendous job entertaining the masses. A really great turnout yielded a ton of kids of all ages and I'm sure they'll all want to come back next year just like everyone else.

Debts of gratitude are owed to PO's Shahinian and Schmidgall who always run a tight ship for our events. In addition, PO's Clauss and Law played a huge role in this year's party. Thank you, boys. The pride and tradition in this unit continues on because of hard working men like yourselves. We appreciate it!

Until next time, fair winds and following seas.

## **ARPO** by Bob Livoti

For all you retired members out there that don't belong to ARPO, I'd like to extend an invitation to join our ranks. Many of you don't even know we exist. We're

all retired from the same job you were on and we get together at the PBA office for our meetings at 7:30 PM the second Wednesday of every month except July and August at the PBA office. Come on down and get together with some of the guys you use to work with for over twenty years. Refreshments are served before and after every meeting. Our dues are \$20 a year and you can get an application by coming down to any of our meetings or send an email to [gotsha@aol.com](mailto:gotsha@aol.com) and I'll send you an application.

October we will be having our second annual HR218 re-certification course. The registration form is in the September ARPO newsletter. If you need a copy, just send me an email. Remember that there are new laws that our cop hating Governor and NYS Democrat law makers put new road blocks into effect last year that are affecting law abiding pistol permit holders like us. If you want to continue with a valid conceal carry permit, you must follow the new rules which you can learn about at any ARPO meeting. Don't lose out on this because you can lose your carry permit if you don't follow the new laws.

Our next Defensive Driving course is scheduled for September 19. This will probably be the last class this year as we have already done 3 classes this year. Registration forms are in the ARPO newsletter.

For those of you who aren't members, the only way retired members are going to be able to keep track of new law changes is through our published monthly ARPO newsletters. If you aren't a member, then you will have to rely on this web site for info which will only be a quarterly online issue.

Our ARPO Scholarship applications will be going in the mail and the winners will be announced at the November open meeting. Member's children and grandchildren are eligible.

Right now, Nassau Blue has intentions of having the reunion again in January. They are in the process of finding a place and setting the time for the reunion. We will keep you advised through our Newsletter.

Due to high costs and lack of interest, we will no longer be printing the ARPO wall calendar after this year. A limited number of calendars will be printed and available at ARPO meetings starting in November. If you can't make a meeting to pick one up, let me know via email.

Keep in touch and join us at our next ARPO meeting. Meetings are held in the PBA office the second Wednesday of the month and start at 7:30 PM. Refreshments are served before and after the meeting.

FYI, (if you did not already know) our Post 1050 is one of the oldest Organizations within the Police Family. The Original if you please! Therefore, it was voted on to purchase a "Paver" at the New Police Academy as a reminder for all who pass by.

We invite all members of the Nassau Veterans Association to attend our American Legion meetings. Those who are members of the Nassau Veterans Assn, and who perhaps would like to have more input than what they have not been able to fulfill at their meetings are encouraged to Join/switch over to Post 1050. We have to room and are most interested in your talents and experience.

See you at the meeting.

# Retiree Column

by Joe Failla

JoeFaillaNCPBA@aol.com

Ladies and Gentlemen, welcome back from your summer vacation. To the rest of you that are retired / retired, enjoy the rest of your vacation. These in most cases are spent working on "Honey Do" projects.

So many of our number retired at their earliest convenience and went in to many different fields of endeavor, new careers even jobs within our beloved PDCN. To name just a few of our retired Members, who chose to put their energies into our State of the Art Police Academy, the David S. Mack - Law Enforcement Training Pavilion are; John Nikiel, Bob DelSignore, Al Miller, Doug Stiegelmaier, Mike O'Leary and Kevin Kane.

On June 11, I had the pleasure of attending the 2nd Annual Retired Members Day at the Academy Hosted by, your friend and mine, COP Patrick Ryder and sponsored by the Nassau Police Foundation. The Commissioner gave a talk where he laid out the various training scenarios that our young brothers and sisters are going through in an effort to make sure that they go home in one piece at the end of the tour.

Years ago an "old timer" told me; "Kid, police work can be 95% BS most of the time. But that 5% can eat you up and spit you out dead if you don't pay attention to everything going on around you."

On display in the lobby is Bell Helicopter, now here is where it gets interesting. Retired Det. Mike O'Leary conducted a sixteen month search which eventually led him to Minnesota where he found this, the Departments first Helicopter. The NCPD Foundation provided for the transporting of the ship back to Nassau where Assistant Commissioner Tom Daly took charge and refurbished it getting it to its current location the day before Retired Members Day.

When they painted it they put tail number 602 on it, which was the helicopter that Sergeant Robert Harris was flying on May 17, 1978 when he developed engine trouble and instead of landing in the ball fields in the rear of MacArthur High School, which were in use, he managed to keep it airborne until he crashed in a nearby clearing along side of the Southern State Parkway, sacrificing his life in an effort to avoid injuring any school children.

Foot notes to the story, if you need to find something or someone, call Mike.

On the morning of October 7, 1975, a good number of the NCPD were scouring the neighborhood of West Hempstead looking for a slug, who it turned out was from Bayside that had shot PTL. Matt Giglio of EAB, who was assisting the 5th Precinct with a business burglary on Hempstead Avenue.

Hour after hour the night dragged on with no success and dawn was beginning to break when lo and behold Mike comes walking out of a yard with the POS in cuffs.

How do I know he was a slug and a POS? I went to high school with him.

Matt suffered terribly from the gunshot and subsequently died on December 16, 1975. His murderer was sentenced to life but eventually became eligible for parole which he applied for as soon as possible. For several years he made his plea for clemency which was rejected by the parole board due to a strong presence and letter writing campaign spearheaded by your PBA, which brought Matt's widow and family to painfully testify at each of the annual hearings. Following a denial at his last hearing he hung himself upon return to his prison cell.

PS – In case you didn't know, there is a NCPD Foundation Paver Program at the new Academy where you can place your name or that of a Member you wish to honor on a paver. If interested, you can call 516 220 – 3428 for further info.

### **FROM THE BOX.....**

Thank you Joe, for keeping the retired Members column going.

I retired as a Detective Sergeant (Deputy Squad Commander) of the Second Squad from the PDCN in May of 1977.

I moved to Florida and took a job as Chief of Security at a local hospital. After a year at that position, I was offered a job with the Sewall's Point PD. I started as a patrol officer and then promoted to Sergeant, Lieutenant and subsequently appointed as Police Chief. I served 20 years with Sewall's point and after retiring I volunteered and served three years with the Martin County Sheriff's Office.

I have remained active as Past President of the Treasure Coast Chiefs and Sheriffs Association, President of Region 26 of the IPA and a Board Member of the 100 Club of Martin County ( an organization that assists families of first responders who are injured or killed in the line of duty). I am 92 and one of the old pensioners but thanks to the PBA, DAI and SOA my pension has increased over the years, just enough so I don't have to go back to work.

To all who still serve, stay well, stay safe and may our Guardian Angel Michael watch over you.

Some old memories – 1960's

The last of two door patrol cars, the siren screwed to the

engine firewall, the blinking four way emergency light on the roof, standard transmissions and no power steering. The toilet paper oil filter that got changed every week and a blue one for adding a right side view mirror.

John Cleary – soundvue3@aol.com

New requirements for renewing your Nassau County Pistol Permit require that you must have a valid LEOSA (HR218) in effect at the time of your renewal.

### **PEANUTS.....**

In closing until the next time, I recently saw a cartoon of Peppermint Patty sitting and randomly rattling off her future plans of wedded bliss to Charlie Brown. How would their union be supported? She asked Charlie Brown, "What do Cops make, Chuck?" His reply, "They make a difference."

So although we are no longer playing our A Game. No longer able to leap tall buildings in a single bound. Whether or not you had 10 for the month or breathed life back into a lifeless body. Somehow some way, whether it was crossing a pedestrian, answering a phone, checking out a noise someone heard in the middle of the night or tearing out the last page of the novel that the DO was reading, you boys and girls made a difference. God bless you all and thank you for your service.

Re:

Dear Dr.

Police Officer \_\_\_\_\_ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 – 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Very truly yours,  
FUSCO, BRANDENSTEIN & RADA, P.C.,
