President's Message

by Thomas Shevlin

We are learning the tragic and devastating details surrounding the deaths of two NYPD Officers, who were victims of an ambush-style execution. We have learned of 22 year-old, Police Officer Jason Rivera, who was executed while on a domestic violence call. We also learned, just today, that Police Officer Wilbert Mora had succumbed to his injuries.

I planned on writing this newsletter on the topic of longevity, contract, health insurance, body cameras, and the day-to-day working conditions. After learning of this news, I realized that I could not do that - and instead, I wanted to share my emotions with you.

As I am surrounded by my family right now, I feel numb, sad, and angry - emotions that I know each of you share. The reason that we feel this way is because of the forever bond that all Police Officers share. We know that this could have happened to any one of us. Our families, friends, and communities are all saddened, sickened to their stomachs about this incident and the lives lost. Truth is, while others may express support, no one can truly understand the feelings that incidents like these cause unless they have worn our uniform - and they do not understand how deeply hurt we are.

This tragedy made me rethink what I would write about, and, the most important job that I have as your PBA President is to keep you safe. Safety takes precedence over contracts, insurance, and pensions.

I am disgusted and in disbelief with the current conditions facing law enforcement in this State and across the country. It sickens me to think that some people see the police as the enemy and the criminal deserves a free pass. This is why, now more than ever, we need to be united and back each other up.

We promise to you that we will always have your back, and always fight for your safety and future. We will get through this together, and good will defeat evil.

Please stay alert, back each other up, and stand proud.

And, always, keep Police Officer Jason Rivera, Police Officer Wilbert Mora, their families, and the entire NYPD in your thoughts and prayers.

Stay safe and be well.

Sergeant At Arms

by Frank Arcuri

Email: farcuri@nassaupba.org

First and foremost I would like to thank all of you that supported me in this past election giving me the opportunity to represent you on the Executive Board. Those that know me know I will work hard for all of you those that don't know will find out I will do everything I can to make sure the membership is protected and your contractual rights are never violated.

The Sergeant At Arms position has many responsibilities one of which is dealing with MAO. Since December while transitioning to this position I had a chance to further my relationship with the supervisors there and so far they have been very helpful in getting our members through the Covid era. Unfortunately and not their fault there has been a shortage of doctors to see our members. Virtual visits were backed up, appointments were spread out, and then the supervisors at MAO got Covid making it more difficult. Thankfully at the time of writing this article they are hiring more doctors and just about back on track. Members are getting their time back and workers comp cases are getting done. If anyone has any issues please contact me either by email or call the PBA office.

On a side note there were a few retirements this past year from the Executive Board and I would like to wish them all well and thank them for the hard work they have done throughout the years. One name stands out to me and should be acknowledged and that's retired 1st Vice President Pete Paterson. What Pete has done for this union not just in the past but setting us up going forward cannot be measured. Pete is one of the most knowledgeable and respected union members I have ever met and I want to thank him for all the help and guidance he has given me and others over the years. Thank you Pete for always giving this department everything you had and then some. You will be missed.

Legal Report

by Milan Rada, Esq. with John Hewson, Esq

This has been an agonizingly painful time for law enforcement, for the community and for us. The line of duty deaths of NYPD Officer Jason Rivera and NYPD Officer Wilbert Mora, who were murdered when responding to a domestic violence call for assistance, have left us completely numb and unable to put together a meaningful Legal Report for this month. Along with our cherished police officers, we deeply mourn the deaths of these two very young officers and pray that such murderous evil will not happen again. Our thoughts and prayers are with the families of Officer Rivera and Officer Mora and the entire police family.

Of course, if you need our office for anything during these trying times, we are always here for you or your families' legal needs. We can always be reached by phone at 516-941-4403 or by e-mail at mrada@fbrlaw.com. Please stay safe and healthy, and we thank you for all that you do keeping Nassau County safe.

First Precinct

by PO James Fullerton

Hello and Happy February. Well as the temperature keeps dropping so does the cops. This Covid trend does seem to be slowing down as more of us are coming off sick and returning to work. One thing for sure is, even though the temperature drops, crime keeps going up. The gun calls, and gun arrests continue. Gun point robberies, Grand Larcenies, and now Catalytic converters are all up. Well, Cat Converters was always a big thing, but I have never seen it like this. I think County-wide were getting hit with 20 a night. Hey, if you want to have a big write up in the Buffy Spotlight, catch one of these crews.

I would like to welcome back Police Officer Taddeo. You were truly missed and glad you came back. Lol

I would like to welcome to the First Precinct our new Police Officers, Officers..... Well, there are way too many of you to list and I have a thousand-word count limit and I need to save some of these words to pat myself on the back. My advice to you is learn from the senior cops. No not them, they just graduated a few months ago, and nope, not them either they graduated last year. Lol, I am teasing of course. We have a lot of great cops here and great bosses. Don't be afraid to ask questions. This is a fast-paced precinct and you're going to see it all. Believe me.

Also welcome to the First Precinct Lt. James Regan, Lt. Michael Valela, and Sgt. McCartin. Let me be the first to say welcome to the show. Good luck to Sgt. Pohmer, we wish you the best in your new command.

BUFFY'S SPOTLIGHT

On December 19th, Special Patrols Officers Girona and Stephani while conducting Crime Deterrent Patrol at the Coliseum Motor Inn conducted a VTL stop and observed the passenger, who is a known, violent Gang Member and was found to be in possession of narcotics. During subsequent investigation suspect was also found to be in possession of a loaded .40 caliber handgun. Officers with prior knowledge that the suspect was also a person of interest in numerous bank robberies in Nassau notified Robbery Squad who responded to the First Precinct.

Suspect was charged with Criminal Possession of Controlled Substance, Criminal Possession of a Weapon 3rd 2 counts, Criminal Possession of Weapon 2nd, and 2 counts of Robbery 1st for the bank robberies. Great work boys!!! Hardware, and Bank Robberies Outstanding!!!!

On 12/30/2021 at about 11:00 P.M. three suspects entered the BP Gas Station located at 1878 Hempstead Turnpike. East Meadow. One suspect approached the victim who was the lone employee behind the counter and pointed a handgun at him as he and the other suspects demanded cash and lottery tickets from him. The victim in fear for his safety started to hand about \$976 and lottery scratch off tickets under the clear plastic Covid partition, the suspects took the proceeds and then shoved into a gray bag. When the suspects fled the gas station a witness followed them as they ran to suspects blue 2012 Dodge Caravan, which was parked on Stone Ave. A description of the vehicle was transmitted over the police radio to responding officers. Officer Stephani observed the vehicle on Prospect Ave and East Meadow Ave and attempted a VTL stop when they fled. The suspects drove onto the Southern State Parkway at Newbridge Rd and ran over a traffic sign which disabled the vehicle. The three suspects all ran from the officers onto the parkway. PO Gironda observed one of the suspects running in the westbound lanes of the Southern State Parkway and used his RMP to block the middle lane of the Parkway as numerous vehicles were driving around the RMP putting the suspect and PO Gironda in grave danger. The suspect refused orders to stop by officers and was taken to the ground by PO Stephani, Gironda, Winwood, and Makastchian as they attempted to handcuff him as he violently refused officers verbal commands, refusing to provide his hands and pulling them away from officers. All of this, while vehicle traffic was still moving on the Southern State Parkway, in the dark. That right there is some Buffy stuff. One suspect ran across the parkway to the southside where he was arrested by PO Riccio and PO Havens. The third suspect ran across the parkway to the southside where he hid in the brush until PO Munnely and his K9 located him and with ESU PO Fliedner placed him into custody. Inside the suspect's vehicle was a large amount of lottery scratch off tickets, money and a loaded handgun. Search of the suspects also recovered a large clear plastic bag with 17 smaller clear plastic bags with a white powdery substance believed to be cocaine. The total weight was approximately 6.9 grams. The suspects were charged with Robbery 1st, Robbery 2nd, Criminal Possession of a Firearm, Criminal Possession of a controlled substance 3rd, and 4th as well as Resisting Arrest. This crew was involved in numerous other armed gas station Robberies around the County. This is the Buffiest of Spotlights. This was a great job by all involved. This has PBA TOP COP of the Month written all over it!! Hint Hint PBA Board lol. Seriously outstanding work!!

Happy Valentine's Day to all you love birds. Have a

great month, and remember GRAB THESE GUYS DOING THE CAT CONVERTER THEFTS!!!

REMEMBER, WATCH THOSE HANDS!!!!
As always, stay safe and watch each other's backs

Fourth Precinct

Jason Rivera and Wibert Mora went to work on Friday, January 21st 2022 to help the citizens of the Great City of New York. That day ended along with Jason's and Wibert's goals and dreams in the NYPD and all their contributions they would have made to their community and families. I must reference a quote from Jason highlighting his thoughts about his new career in the New York City Police Department. He was honored to serve the "THE GREATEST POLICE FORCE IN THE WORLD", and his goal was to "HELP CHANGE THE RELATIONSHIP BETWEEN POLICE AND COMMUNITY". That madman robbed thousands of people of the good both Jason and Wilbert would have brought to their communities. And stole the love they would have given to their families. I have attended too many Police Funerals in my career and like all of us in our BLUE FAMILY I get that chill down my spine when the Pipers play Amazing Grace. I'm sure all of you got that same chill, like me, when hearing the news of Jason and Wibert passing first Jason and then Wilbert. From NCPD we give all of our love and support to their families and our Brothers and Sisters in the NYPD.

Fifth Precinct

by Brian Monahan
pbanewsletter@yahoo.com

February is here! Again, I will start off with some good news, very delayed, but nonetheless a great story. This next officer has waited quite some time to be recognized in a monthly newsletter for his great police work. P.O. Steven Dimaio responded to a 911 call at approximately 0100 hours for a building fire in West Hempstead. While he was canvassing the area for any suspicious persons,

he conducted a field interview of an individual who was walking in the area on foot. After the review of surveillance video, it was determined that the individual identified in the Field Interview matched the description of the subject wanted for arson. Police Officer Dimaio then conducted another canvass, where he was able to locate the subject for a second time and placed her under arrest. Officer Dimaio's diligent police work along with help from the fifth squad made it possible to link the suspect to nine other arsons in Nassau County. They were able to close cases in three precincts. Officer Dimaio was awarded Top Cop for the month of May of 2020. Well deserved award Steve, Congratulations again!

Next, I would like to correct a mistake that I let slip by while proofreading last month's article. While writing, my mind was on another part of the newsletter, I wrongly used a word in relation to our Fifth Precinct member and his promotion. My apologies to P.O. Kevin Gluchowski, now SGT Kevin Gluchowski. He was not "posthumously" promoted because I have spoken with him, and he is alive and well. Again, I would like to properly congratulate our friend and co-worker, Sgt Kevin Gluchowski on his promotion. Congratulations on the well-deserved promotion! Stay safe out there.

I would also like to touch on a topic that comes up from time to time in conversation amongst your delegates. I have had a discussion with another one of our representatives on this matter recently and felt the need to revisit this. If ever there comes a time when any of our members is confronted with a situation where they may feel there is going to be a disciplinary action taken, or they are unsure of what direction things are heading, please reach out. First and foremost, politely find out as much information about why you have been confronted by a supervisor, without making the situation any worse. Then please reach out to one of us BEFORE taking it upon yourself to just go ahead and handle things such as a sit-down meeting, letter or whatever it may be. Obviously, this doesn't mean, don't take a transport or something within the scope of your job without consulting us if you feel that's a punishment for something. I believe we all can understand where I am coming from regarding this example. On the other hand, if ever there comes a time when you think things are being done incorrectly, please reach out. Healthy and happy members is our goal, if we work towards constant and proper representation of our members, then your job will hopefully be easier and less stressful.

Also, I will say, we have some amazing Sergeants and Lieutenants in the Fifth right now, and it has been a pleasure to work with them for the last number of years. I would also like to offer a warm welcome to our newest supervisors as they join us in patrolling the streets of the Fifth.

As always, never hesitate to reach out to any of us. Take

care of one another, and always watch each other's backs.

Stay safe out there!

Sixth Precinct

by Joe Lianzo

I am honored to be the Trustee of the Sixth Precinct and look forward to working with our current team; PO Mike Calfayan, PO Bill Popiolek and our new delegate PO Ken Mundy. On behalf of my fellow PBA representative's, I wish everyone and their family a Happy and Healthy New Year.

Last year was a very difficult time for our department. We have remained dedicated and professional throughout the pandemic. Regretfully, we have lost our brothers Police Officer Matt Perlungher, Police Officer Chuck Vroom, Police Officer Mark Kellerman, Police Officer Hector Nunez as well as Detective Erik Contreras and Detective Chris Randazzo. These officers and their families will never be forgotten and they will always remain in our prayers.

I want to thank PO Kevin Mullick and PO Sean Maass for all of their service and dedication to the Sixth Precinct and the Nassau County PBA. Kevin Mullick has been a Nassau County Police Officer for twenty-three years and a member of the Sixth Precinct for eighteen years. He has been a PBA Representative in the Nassau County PBA since 2006. I wish Kevin Mullick the best of luck in his new position as our PBA 1st Vice President. Sean Maass has been an active member of the Sixth Precinct for twenty-three years and a PBA Delegate for the last five years. Sean was recently promoted to Sergeant and we wish him the best of luck on his promotion. With all of their PBA experience, Kevin and Sean will be an asset in their new positions and I wish them well.

I would also like to thank the outgoing PBA Board of Executives for their years of service and dedication to the Nassau County Police Department and Nassau County PBA. We look forward to working with the incoming PBA Executive Board and wish them the best of luck.

Seventh Precinct

by Marisa Caroselli

There is too much loss and tragedy already this year and our hearts are heavy. During times like these, we find comfort in celebrating life. We were blessed in the 7th with the arrival of three new babies in the past month.

Just in time to make it home for Christmas, Jen and Ryan Fais, welcomed Niko Raymond on December 23rd. He surely wore the bluest of blankets in the nursery, as both mom and dad are members of the NCPD.

New Year's Eve was cause for greater celebration this year for CJ Fuschetto and family as Sophia Rose made a grand entrance on December 29th.

Olivia Grace Guardino's arrival on January 8th ensured that Chris and Kristin will always remember 2022 as the year they became dad and mom.

Recruit Class 132 is making their way to the precinct in waves. Welcome to our newest members—Jessica Anglin, Daniel Borda, Michael Generi, Thomas Gorman, Sean Hall, Christopher Kuzminski, Tyler Lawson, Justin Norcini, and Luke Repalone.

As this class of police officers joins our ranks in this hostile climate, get to know them, listen to their stories and how they came to the job. In their call to service, in their enthusiasm, see the truth—the job is not dead; we are the job and will always be.

8th Precinct

by Joseph Salvatore

SHOUT-OUTS

A retirement shout to one of our most tenured members who leaves not as a member of the 8th, but as PBA President for our County.

PO Mike Spadacinni arrived here via the NYPD in 2004. Nine years before that, in June of 1995, Mike began his career/life of public service working in the 113th for the NYPD. After making a name for himself, his upward trajectory led him to be temporarily assigned to Queens narcotics as an undercover narcotics officer. Mike proved his worth to that unit, taking dangerous drugs and bad dudes off the mean streets. After that stint, Mike returned to the 113th where he would serve

until Nassau requested his helping hand in the summer of 2004. The 8th Precinct came calling after the academy, where Mike arrived here with the likes of PO's now Lt's Mike Destefano and Adam Fisher, Mike Bjornstad, Marissa Caroselli and Andy Deverna. PO Spadacinni was a fixture on night tours, very savvy in his approach and a solid reputation for backing up those around him. His well rounded knowledge of police work coupled with his kind demeanor with his colleagues led him to become one of our union delegates in January of 2015. From there Mike did what he does best, fight for the cops around him and protect their rights. So after a little over two years, he took the next step as dictated by the 8th electorate to be our devoted Trustee and follow the path set by the legendary Jimmy Rail. Mike was never one to go with 'the flow.' His reputation for standing up for what he believed was right for his members earned him high praise and respect from them and the precinct brass. He won grievances, he fought for officer safety, he spoke openly to the big board while knowing that going against the grain was frowned upon. Mike had a back bone, and word emanated around the County. Next step...an open spot for PBA president presented itself county wide. Mike, who started laying his foundation years earlier, made an outline, had a thesis and a plan and started his campaign to be the man in Nassau. In September of 2020, his objective was reached. Due to rare circumstances involving the elections timing from the prior regime, Mike was up against it, knowing he almost would immediately wake up from victory and have to battle to keep his position for four more years. Unfortunately, this time around, the deck was stacked against him. Mike and his team would not be awarded four years. So on the last day of 2021, after almost 26 years of public service as an office and union representative, Mike stepped away and went off into retirement with his head held high. Mike always enjoyed representing others and he stated to me that is what he will miss the most. Well the 8th and County will miss him too. We wish him the best in retirement.

I want to give a police medic shout like I try to do very often in this column since they are so deserving of constant recognition for the work they perform daily and nightly. While I can't name them all, I will shout the ones I see the most out in the field, where they are out there not only for the citizens of Nassau, but also us!! An O2 shout to Merolle, Bugalla, Doucette, Kahl, Schatzberg, Freedman, Tran, Chiang, Cammarata, Crespo and DeBobes. And I can't leave out their supervisors who are pocket aces when serious aided cares arise, and are on scene with their expertise waiting minutes. So medic supervisor shout to Rudnick, Airey, Tedeschi and DiPino.

Upstairs 8th shout to PO Jen Santos and PO Melissa Herman. These two sharp detailed officers are the cogs and springs of a very fine clerical timepiece. Overlooked

by most in the command, they work behind the scenes, handling the onslaught of administrative duties that hit from all angles. We are lucky to have these two working in the 8th and want them to know that we are aware of their important role.

A down south snowbird shout to retired legend PO Vinny Bellissimo.

The Vin man sent me a nice email (bottom of my articles as always) last month saying hello and telling me about The Villages in Florida, his new winter domicile. Vinny was an old school street cop whom young bucks like myself looked up to upon arrival at the 8th. After he left his positive footprint here, he took his talents to the pistol range. Vinny, who moonlighted as an FD Chief up in Oyster Bay, was about as well-rounded as they come. Vinny sent me a picture which I'll attach to this months column of a place called Shooters World down in Florida. The mannequin has quite the resemblance, emphasizing the imprint some of our retired members leave down south (picture attached). It was great to hear from VB and as this job/precinct gets younger and younger, I will try and attempt to be the link that's keeps some continuity for all our members.

TOP COPS JULY 2021

The Top Committee has convened and awarded July 2021 to POs Kevin Forland, Lucian Competiello, Derrick Penn and Sgt McPhail.

Their case involved a domestic where the subject left scene with a knife and was safely apprehended in the area after a thorough canvass. This is obviously the abbreviated version, but all the department members named, played a vital role. We want to congratulate them on this honor.

MONEY MATTERS

For 2022, the most you can stash in your 457 plan is now \$20,500, up from \$19,500 in 2021. Catch up contributions for those folks 50 and over remains the same at \$6,500. Take advantage y'all.

IN MEMORIAM

The passing of Detective Solomon Goodman in November. Solomon came on the job in 1966 and retired in 1991. Saul worked in the 8th Sauad for many years and made many friends. In retirement he worked at the Air and Soace Museum near Nassau Community College. Besides his vast knowledge in that arena, he also possessed a wealth of information for visitors' question at the museum.

A fruit basket was sent to his home in Bethpage in the name of the Retired Members of the 8th Precinct.

For those who have passed, flowers are always sent in the name of the Retired Members of the 8th Precinct. Charlie Seich does a phenomenal job in regards.

DEAR JOE SAL

Hey JS, with the all talk and hype surrounding the EV movement lately, I was wondering if the department has any plans on adding some EVs to the fleet anytime soon? Hope to hear back from you,

Thanks,
5th Pct Anon-Detective

Dear Detective,
Great question and one the Department will certainly be faced with in the future if not now. As we all know, EVs are making all the headlines for obvious reasons; less maintenance, electricity cheaper than gas, better for health and the environment and my favorite, it's good for America since we produce most of the electricity domestically, unlike petroleum. Add all of that to the fact that most of our fleet takes a 24/7 beating and is aging rapidly. Also, from a personnel standpoint, our mechanics are pressed for time, parts, the requisite labor, etc. I did in fact reach out to COD and even some CSEA Union representatives, and unfortunately, no immediate plans or orders are being processed...just yet. Stay tuned as I feel like most, that this 'green' initiative is not far off in our plans and chargers will be popping up in the rear of precincts/buildings probably a lot sooner than later. Thanks for the great question.

Reminder: Our email address is joesal77@yahoo.com for any questions, comments, etc., you may have. And if you were just married, divorced, had a baby, won the lottery, etc., please email us so we can recognize you in our next column. Thanks for the feedback.

BSO

by Keath Mishkin
Ncpdbso.com

The Bureau of Special Operations and CIRRT continue to defy odds as they finish the year with a total of 1749 arrests. BSO-1116 CIRRT- 633. After all has been taken away, the current climate we are in, as well as going into a modified patrol uniform these men and women were still able to go out with their backs against the wall and do what they do best. There is no other well trained unit in this department than the Bureau, and it shows as they continue to perform day in an day out!

RETIREMENT

BSO loses another senior supervisor and leader to retirement. On January 13th, 2022 SOA Trustee Lieutenant Tim Rooney retired out of the Bureau of Special Operations. Rooney began his career in the fighting first precinct in 117 car. Rooney immediately made his presence known and joined the 1st precinct plainclothes team before getting promoted to Detective and going to the 1st squad. With a wealth of experience and knowledge Rooney quickly began to rise to the top and got promoted to Sergeant and worked in the fourth and fifth when the precincts got merged. Rooney then got promoted again making Lieutenant and working in the fifth precinct. With a background in plainclothes and having been a detective in the 1st squad, as well as having over twenty years on the job at the time, it was an easy transition as the Bureau picked him up as a senior Lieutenant in 2016. Rooney led his troops into battle on many search warrants and barricades having to make immediate decisions as the tactical commander on many occasions and then was voted in as the SOA trustee upon the retirement of Lieutenant Mike Kelly. Rooney spent his last six years in the Bureau and not only was a great tactical asset to this unit, but also was the head of construction of our current BSO Tac House. Once in never out!

SAVE THE DATE

The long awaited BSO/CIRRT retirement party has been scheduled for March 31st 2022 from 7pm-12am located at the Milleridge Inn located at 585 N. Broadway Jericho NY, 11753. Stay tuned for further details

UPCOMING EVENTS

The 2022 Special Olympics Polar Plunge is going to be held at Tobay Beach located on Ocean Parkway in Massapequa NY, 11758 on Saturday March 19th. Please join the Bureau of Special Operations as the plunge in the water for the athletes of the Special Olympics. All of the money raised helps provide for year round sports, training, and competition for individuals with

intellectual disabilities. We will be freezin for a reason!

SHOUT OUTS

Congratulations to the "Riddler" Tommy Rilling on his promotion to Detective. Tommy spent almost 9 years in BSO before making the jump to the squad. The unit loses another senior operator who was a squad trainer in his squad, a member of the Precision Firearms Team, and a plainclothes arrest hound. As soon as Tommy put his letter in to request the squad, he was immediately a number 1 draft pick and was requested and picked up by the 7th squad. We would also like to recognize and Congratulate Tom Kearney on his retirement. Kearney was a 15 year veteran of the Bureau of Special Operations and a wealth of knowledge. Tom was a master Breacher on the stack before getting injured. Good luck and we wish you the best on your retirement. Big BSO shoutout to my man Joe Sal holding it down on the 1's and 2'a in the 8th precinct. You can catch this senior veteran ripping it up on morning day tours in the second precinct gym listening to his favorite Neptune's and Summers Beach House Music classics as he brings the Jersey shore to a different level.

GOOD LUCK GLUCH

Please join me in congratulating Kevin Gluchowski aka Spicoli (Yeah Brah) as he earned his stripes and is being promoted to Sergeant in the 3rd precinct. Gluch has proven to be a true gentlemen, hardworking team player and someone to look up to. Upon departing the fifth precinct and transitioning into CIRRT, he fit in with everyone as soon as he walked through the door. Gluch partnered up with my boy Dean Angell, and they both went out every night like good soldiers, keeping the streets safe. In the first five months working in CIRRT, Gluch made over twenty arrests which was a warmup for the 60 plus arrests he made in 2021. Gluch always had a smile on his face and worked hard every time he came to work. We all wish you luck as you begin the next chapter of your career. Your experience on the street and time spent in CIRRT, will benefit the 3rd precinct command immensely. I'm sure Juan M in New Cassel will be happy you're assigned there as well. Good luck, be safe, and never forget where you came from.

Congratulations! CFL!!

Notes From the E.S.U. Corner

by Kevin Probst

ON THE JOB

Car accidents and pin jobs have been leading the call volume column recently. On both day and night tours the accidents have been plenty and have been severe. Please when driving keep your head on a swivel and wear your seatbelt. There have been a few ejections and roll overs, again nothing new but they have been rearing their ugly head more recently.

On Thursday, January 6th, the 3rd pct received a call for a possible barricade/edp with tanks strapped to himself. Upon patrol arrival and ESU it was determined that it was a chemical suicide not an EDP/Barricade. Patrol and ESU were able to cordon off the room and ESU made entry with meters to ensure safety and determined the tanks were empty and there were no other hazardous gasses in the area/room. As difficult as it is to respond to these calls, the safety of patrol and the ESU cops who

respond is paramount. Once the scene is safe, slow it down and remember training and all will work out in the end.

TRAINING

When working with Chris Grosser do not let him get into any foot pursuits. Let him stay in the truck and work the radio. Wish him luck on his recovery from a torn achilles tendon. For those who know him and went to the academy with him, it's the other leg this time. Luckily he went to the same Dr. so he should come back stronger than ever.

RETIREES

At the end of December, PO Keith Blum retired from ESU with over 23 years as a Police Officer. Keith started his career as a NYPD Officer in 1998, completed 6 years and then came over to NCPD in 2004 and started his career in the 6th pct. Keith then made his way over to ESU in July of 2010. In 2016 Keith transitioned to the squad and made his way over to the Arson Bomb Squad. While at a training course for ABS, Keith was in a classroom where a live grenade was mistakenly brought in. The device went off and Keith suffered major hearing loss. Keith then made his way back home to ESU in 2019. Keith has been an asset to us in ESU and still is as I continue to call

him with questions since he retired. Best of luck and enjoy retirement!

Let's not forget about the ESB/ESU retired members breakfast. Beginning January it will be moved to the Embassy Diner on Hempstead Tpke, Bethpage. Just west of the 135 across from St. Joe's Hospital and just a reminder it's the FIRST Thursday of every month at 10 am.

Hopefully we are all enjoying a Happy, Healthy New Year. By the time you read this the 27th Nassau Blue / 50th Anniversary of the Class of 1972 Reunion has taken place and hopefully it was a great success.

You see this article is due to the desk of the Editor on the 10th of the month which makes it due on 01/10 and the Reunion kicks off on 01/27. As of this writing there are 102 registered for this gala event and I hope you are one of them. Hopefully there will be further reporting and perhaps some pictures in the March issue.

A LITTLE GUN HISTORY

In 1911, Turkey established gun control: From 1915 to 1917, 1.5 Million Armenians, unable to defend themselves, were rounded up and exterminated.

In 1929, the Soviet Union established gun control: From 1929 to 1953, about 20 Million "dissidents," unable to defend themselves, were rounded up and exterminated.

In 1935, China established Gun control: From 1948 to 1952, 20 Million "Political Dissidents," unable to defend themselves, were rounded up and exterminated.

In 1938, Germany established gun control: From 1938 until 1945, a total of 13 Million people including 6 Million Jews, who were unable to defend themselves, were rounded up and exterminated.

In 1956, Cambodia established gun control: From 1975 to 1977, 1 Million educated people, unable to defend themselves, were rounded up and exterminated.

In 1964, Guatemala established gun control: From

1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.

In 1970, Uganda established gun control: From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated.

In the 20th Century, a total of 56 Million "DEFENSELESS" people of various backgrounds, cultures and religions were rounded up and exterminated, because of gun control. There but for the grace of God, go you or I. You won't see this data on the evening news or hear politicians disseminating this information.

Guns in the hands of honest citizens save lives and property and gun control laws adversely affect only the law abiding citizens.

During WW II, the Japanese decided not to invade America because they knew most Americans were armed. Gun owners in America are the largest armed force in the world.

Switzerland issues a gun to every household. Switzerland's Government issues and trains every adult in the use of a rifle. Switzerland has the lowest gun related crime rate of any civilized Country in the World.

I am a firm believer in the 2ND Amendment. If you are not, please reconsider the true facts. This is history and not what is being sanctioned by our elitist representatives in Washington.

FOR ENGLISH LANGUAGE LOVERS

What is the difference between 'Completed' and 'Finished'? No dictionary has been able to define the difference to date. But in a linguistic conference in England, Sun Sherman, and Indian American, was the clever winner.

His response: When you marry the right woman, you are 'Complete.' If you marry the wrong woman, you are 'Finished.' And when the right woman catches you with the wrong woman, you are 'Completely Finished.'

His answer received a five minute standing ovation.

Re:

Dear Dr.

Police Officer _____ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 - 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Very truly yours,

Cops are tough. They slough-off injuries every day. In the rough and tumble world of Police Officers, on-the-job injuries are hardly a novelty. Cops get hurt. They get better and quickly get back on the job. But some of those injuries may find a way of sneaking back and biting them in the.....

A mild recurring ache morphs into chronic pain. Doctors say your X-rays and scans show degenerative arthritis and herniated discs, related to that tussle. At this point many rights and potential benefits may come into play. Now is the time you need the advice of professionals who have been handling disability issues for Nassau Cops of all ranks for 30 years. What you thought was a minor work related injury could become a major headache! Whether you've been hurt on or off the job, you need experienced counsel to guide you - not a fortune teller.

Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

PLANNING FOR THE "CRISIS MOMENTS" IN LIFE

A basic estate protection plan consists of 4 documents:

- 1) NYS Living Will
- 2) NYS Health Care Proxy
- 3) NYS Durable Power of Attorney
- 4) Last Will and Testament

Everyone, once they have reached the age of 18, should have the basic estate planning documents in place to help lessen the blow should life throw you into a "CRISIS MOMENT."

We can help you prepare for those moments with documents that never expire and are a **ONE TIME** cost which maybe less than you would realize.

REAL discounts for all active and retired SOA / DAI / PBA members and their families.
