President's Message

by James McDermott

We have reviewed the Governor's veto message with regards to the steps legislation. There are three main components that were mentioned in the veto message. Upon review, we feel that two components can be dealt with immediately, and the third can be dealt with in the coming months. We have had bills in the same situation vetoed in the past and we kept submitting and working on them until they were ultimately passed into law. While the current situation may be frustrating, rest assured, we will continue this fight.

The PBA has made, and will continue, to make this issue a top priority. We fully intend to re-introduce the legislation and we are going to be meeting with the Governor's council to address the veto message.

We feel confident that during the process of trying to get the bill passed, the issue of freezing steps was brought to the forefront and the concept of freezing steps is inherently wrong. We have had many discussions with the incoming County Executive as well as the NIFA Chairman and board members. We feel confident that we won the day with the argument that the steps should be sacred and have had a lot of positive response to that end.

Fortunately for all of us, NIFA and the county have stated that the fiscal year 2018 budget is balanced, therefore, there should be no concern of an imminent wage freeze. Furthermore, while we wage our legal fight in federal court with respect to the NIFA wage freeze lawsuit, it should be important to note that the judge in that case stated that the Buffalo Teachers vs. the Buffalo Control Board decision is the template to be used in the case. Both NIFA and the county have acknowledged that decision from the judge.

In the Buffalo decision, the federal courts have held that a wage freeze should be used only as a last resort and it should not be used for political expediency nor should it be used as a tool for collective-bargaining. We fully intend to hold the county and NIFA to that decision.

It was a major achievement to get this bill passed in both houses of the legislature and we are not about to walk away from this fight. Additionally, it should be reiterated it was passed unanimously. The steps were bought and paid for already and you are fully entitled to each and every one of them.

In the upcoming months, after we re-introduce the bill, we will deal with any and all issues to get this important matter brought to a successful conclusion.

I know many of you are as frustrated as I am. Do not let this distract you when you are out there doing the job of policing. Stay safe and let your PBA continue this fight

for you. The entire Executive Board, our Trustees and Delegates are fully committed to this issue.

On a lighter note, Happy New Year! Hope that everyone enjoyed their holiday season! We have had many changes occur in the County in the past year as we go forward. A new County Executive, Police Commissioner and staff, new leadership in all three police unions, we have had many seasoned officers separate from service to retirement and greener pastures. Yet still, time and the job moves along. I anticipate this as a pivotal year for both the County and the police department. Big decisions are pending and hopefully the powers that be are poised to make the right choices!

Legal Report

by Milan Rada, Esq. with John Hewson, Esq.

There are several recurrent themes that we see over and over again when we do appointments with members. Thankfully, most of these issues are easily dealt with. The troubling part is that several are so important that they continuously warrant discussion and need to be stressed because the failure to understand these important issues can be the difference between a claim that goes very smoothly and a claim that is constantly bombarded with obstacles.

For starters, with so many new and young members on the force, we must discuss what you need to do when you get injured on the job. Every claim begins with an event that causes an injury to a member. In many cases, these initial moments are the most important on the case, and they can be the difference between a claim that is properly documented and protected, and one that has a fatal flaw that cannot be repaired. When a member gets injured on the job, the proper documentation and reporting of the injury is crucial. Under the Department Manual, a member who is injured in the line of duty has seven (7) days to report the injury to the Department. This step is crucial. Countless times members have told us that they were told they needed to submit an accident report (aided packet) immediately or as soon as possible, otherwise it will not be accepted. This is not correct. The seven (7) day reporting rule exists to protect both the member and the Department. The Department will not be prejudiced by a member waiting one week to report an injury because in most cases, the Department already has verbal reporting of the injury to a supervisor, and in instances where the member is so badly injured that he cannot work he will have already reported the injury to the Police Surgeon, if physically possible. This rule should be utilized by the member to protect the himself and make sure that he or she has ample time to produce a fully complete and fact specific report documenting the injury. Proper documentation of an injury matters when it comes to the New York State Police and Fire Retirement System, and a lazy or inaccurate

description of an event can be the difference between a 3/4 or accidental disability pension and one that results in only 50% or a performance of duty disability pension.

We have seen too many injuries go unreported or not properly documented over the years. If you have read this Legal Report in the past, you have also seen that we are not necessarily fans of “non-recordables”. Though we certainly understand their value from a certain point of view, we have also seen many times over the years where members start a claim with a non-recordable but the injury turns out to be much worse than they initially thought. When they filed the “non-recordable”, they failed to take the time to properly document all of the specific set of circumstances that caused the injury, particularly giving short shrift to the description of how the injury occurred and then, when the Retirement System evaluates the initial injury report, the Retirement System sees no distinction between a “non-recordable” and a full injury packet. The “non-recordable” is a short cut, a time saver, which typically does not command the attention to detail as does a full aided packet. Therefore, that initial report, the non-recordable, will be the first description of the injury and the one that the Retirement System typically will use when making its determination as to whether or not the injury was the result of an “accident,” as this term is defined in the Retirement and Social Security Law.

These initial reports can either make or break a claim that may not be filed until years later. Attention to detail is a must. Thus, we also advise our clients to tell their delegates and trustees about their injuries as soon as possible. Not only are the PBA delegates incredibly knowledgeable about how to handle this process, but they also will contact our office if there are any issues that need clarification. So, if there is any discrepancy or question as to how to draft a report or describe the accident, we can assist in making sure the report is thorough and accurate, even if the injury first appears to be relatively minor and not expected to have any negative impact on the officer’s career.

The reporting process is not only important to the Department itself, but it is also required for both the Workers’ Compensation claim as well as for the Retirement System. Under the Workers’ Compensation Law, an injured worker has two years to file a claim with the Board itself but must report the accident to his or her employer within 30 days of the occurrence. If the injury is not reported, the employer can essentially controvert the claim on the basis that it was not timely reported, thus costing the injured worker the medical coverage that he or she is entitled to for the injury as well as the monetary benefits that he or she might be entitled to while out of work. In the case of an extremity body part such as a knee or shoulder injury, that can also mean missing out on a schedule loss of use settlement that might be worth thousands of dollars. In addition, under the Retirement and Social Security Law, a member must report the injury to the Comptroller’s office as well in order to be protected under the disability statutes. For those who have had injuries in the past, you are likely thinking that you have never filed an accident report with

the Comptroller before. You would be absolutely correct. The reason is that a properly and timely filed accident claim with the Workers’ Compensation Board satisfies the filing requirements of the Comptroller and a timely filed accident report with the Police Department satisfies the 30 day notice requirement of the Workers’ Compensation Law. It is a domino effect: file your full aided packet (or “un-recordable” if you absolutely must) with the Department within the required seven (7) days and you have protected the filing requirements for Workers’ Compensation and disability retirement pensions.

Please keep these documentation requirements in mind the next time you suffer or hear about another member suffering an injury on the job. Our goal is to make sure these concerns and problems are eradicated so each member is fully protected both with the Department and any other claims that might arise because of the line of duty injury.

We wish you, your families and friends a very safe, happy and prosperous New Year. Keep in mind that every consultation with our office is at no charge and we are always happy to serve the members, their families and friends in whatever way we can. If you have any questions about these matters or any other disability or injury related issues, please feel free to call our office at 516-941-4403, or e-mail us at mrada@fbrlaw.com.

Happy New Year! I would like to thank Frank, James, Kyle and Jim, for all the hard the work they did in 2017. It has been said this is the most rewarding job, and the toughest job all rolled into one that you could ever do. Throughout the year all the Delegates, do many things that the membership may not always see. From representing guys directly when they have contact with supervisors, to checking the myriad of rules regarding minimum manning, staffing holidays, making sure food is available during the holidays, to running all the functions we have throughout the year.

I again, look forward to working with them as a team in 2018. We will always fight for the best interests of you the members. They make my job easier, and I would like to thank them publically. Thank them to the next time you see them or call them.

Thanks to all who showed up to the holiday parties, both the Children’s and pct party. We have a great crop of new guys (and gals) in the pct, and it was great to see everyone out enjoying themselves. If there is something you’d like to see or do in terms of parties for 2017, let us know, and we will help make it happen. It’s your precinct too.

2ND PCT TOP COP

I would like to congratulate Rich Papa for being the Nassau County Legislature's Top Cop for November 2017, for his efforts in controlling a potentially violent Domestic assignment in Syosset. His actions made a potentially dangerous situation, come to a peaceful end. Great Job Rich!

As of this writing, the Governor just vetoed the step legislation. While it is not great news, it is not the end of the world. It is my hope that the County and the Control Board should not want to go back to the bad old days of the last 8 years. Morale has been on the upswing as of late, and having new police officers frozen in their steps for years on end is the not the way to go. People sacrifice to take this job, and to make them suffer on top of the sacrifice is not fair to the officers, or the people they serve. We make contracts, and they should be upheld.

This is my 16th year in the PBA and 12th as your Trustee, and I have always tried to tell it like it is. We have many new challenges in the future, and I can assure your New PBA executive board will meet them. I am personally happy to see a board that is not afraid to fight when it is necessary. A fight is not always necessary, but if it has to be done, I have full confidence that the new executive board is up to it.

Have a safe and happy new year, and please be careful driving when out on patrol. Until next time,

Onward and Upward!

Third Precinct

by Dave Re

In his last newsletter article as Third Precinct Trustee, Billy said goodbye. In this, my first article as Trustee, I want to wish him well as he moves south to 89 E Jericho Turnpike.

I am grateful and humbled that the members of the Third Precinct put their trust in me and I want all of you to know that the Third Precinct will be my number 1 priority. Brian is my friend and it is unfortunate that in this election, one of us had to lose. Rest assured that the delegates and I will work together as a team to ensure that your representation moving forward will be better than ever before.

As we begin the New Year, I reflect on 2017 as a year of triumph and tragedy for our precinct. The loss of three beloved brothers is enough to cripple a command and it has been extremely difficult. However, we need to draw strength from the passing of Steve Clifford, Luis Palermo and Phil Roberts. As Rocky aptly put it "The world ain't all sunshine and rainbows. It's a very mean and nasty place and I don't care how tough you are it will beat you to your knees and keep you there permanently if you let it. You, me, or nobody is gonna hit as hard as life. But it ain't about how hard ya hit. It's about how hard you can get hit and keep moving forward." We need to move forward. Each of us have our own struggles and those guys taught me to keep moving forward. No matter how hard you are hit. I will never forget them, their families and how they were there for me during my darkest days. Do not let your struggles paralyze you and lean on each other for support.

This life lesson translates very well to the softball field and it was an honor to be a part of the team known as TEAM PHIL. As you know, the Third Precinct is the 2017 PBA softball champions. I am not ashamed to say that my view was from the bench because in my case he who can, plays. He who cannot, coaches. This team can flat out play and contrary to common convention, the key wasn't scoring more runs than the other team it was never giving up. There was no quit in this team. Going into the last inning, Greg Mausner led the team with a rallying cry that was almost deafening; and it worked. Hits turned into runs until we took the lead and nothing was more satisfying than to watch one of the best hitters in the league ground out to Tommy Shevlin. Greg and Tommy, you are and will always be

a part of the Third Precinct. Tommy, I hate that you left, but I know you have a lot of work to do and you will always be a close friend and confidant. Greg, your work is here, and there is no legitimate reason why you are not back home where you belong. It is my hope that the injustice of your banishment will be corrected.

2018 begins with uncertainty, but not despair. The Governor has decided that partisan politics is more important than human decency and vetoed the step legislation. His reasoning isn't just wrong, it's a disgrace. The only thing that bill would have done was insure that steps would not be held hostage during contract negotiations like they were in the past. Intentions are now clear. I hate politics and can never accept it when politicians obstruct, interfere and act in self-serving ways. Pete Paterson deserves our gratitude for drafting an amazing bill, successfully lobbying its passage and never giving up on it, even at the stroke of midnight. I've known Pete and his family a long time and NO ONE works harder on behalf of the membership than him. Although we are working without a contract, the terms of the previous one prevail. That means that your steps will come provided that they are not frozen. There is no indication that that a freeze will happen anytime soon. The board will do what it can to make sure that does not happen and that the next contract is fair for the members and that benefits are not taken away or given up. The executive board remembers the rift in the union that was created the last time that happened and the chaos and financial hardship of a step freeze. As the year begins, I have confidence in their abilities to get things done and I look forward to working with them on behalf of the Third Precinct.

In closing, I hope everyone had a fantastic Christmas, Happy Hanukkah, and a Happy New Year. Remember, we are a family and the person you work with relies on you just as much as you rely on them. Be aware, be responsible and let's be careful out there

NOTES FROM BOOTH F

By Jimmy (Deadman) Duignen

I want to start off by saying Happy New Year and hopefully Santa made a visit to your kids. I attended the kids Christmas party and Santa did a great job. The crowd has gotten very young, I see this party getting big in the future as our young officers start their families. I was able to attend the retirees party hosted by AL Barfordino also. Once again, there was a great showing of about 140 people. Guests attended from as far as Arizona, now that's dedication. All that travel, just to hear 4 hours of bull shit. Bobby Higgins (aka queenie) did his night club act while giving a jab or two to Eddie Wahl and then Eddie returned the favor, it was great to watch. There's not enough room in this newsletter to tell you all the stories I heard that day,

they go on forever. Thanks for the invite Al, I can't wait till next year. We had a good showing at the Third Precinct holiday party, great job by DJ Greg, thanks for being the MC and thanks to the PBA guys for taking care of everything else. It was nice to see some of the big cheeses come out to say hello. Thanks to Commissioner Ryder for stopping by, you have a difficult job ahead of you trying to boost morale and every little bit helps. Once again, at least you're not acting, and it was good to talk to someone in my age group. I see we still have a problem with crossings, I don't know what it will take to solve the problem but it has to get resolved. Having the guards sign on with cops who have been working 11 1/2 hours is tough because they are on their way out the door, they need a dedicated person to sign on with. Once you have a crossing assigned to you, you can't take any calls prior to the crossing, then you get to the crossing to find out that there is a guard already there. Even one cop on a crossing is too much. Cops need to be available when other cops need them. I hate to say that I learned something from The General, but he did show me that at the beginning of each month that he rotated his ammo clips around and oiled his gun. This is one thing that took less than a minute and can save your life. Some of us are not great at maintaining our equipment, but it's important. There's oil in booth F if you need it.

Let be safe out there and make sure we all go home safe at the end of the day

Fifth Precinct

by Mark Casella
pbanewsletter@yahoo.com

Hello all! I hope everyone had a happy and healthy holiday as well as a safe new year! This past November, I had the honor of being elected Trustee of the Fifth Precinct. After being a delegate for 14 years, I am enthusiastic about taking on new responsibilities in my new position. I am looking forward to working with all of you to make the Fifth Precinct an even better place. Let's face it, the Fifth Precinct can be hectic at times but it's important to acknowledge that we all know how to step up to the plate, work together and get the job done for the benefit of the command.

At this time I would like to take the opportunity to congratulate James McDermott, Pete Paterson, Dean Losquadro, Tom O'Reilly, Joe Nocella, John Carroll, Sean Mulligan and Bill Purcell on the success of their elections. I am honored to be a part of such a respected and distinguished group of officers with whom I look forward to working with as well as learning from.

Our annual children's Christmas party took place on December 3rd at the Plattdeutsch Biergarten and was

once again a huge success. Tom Iannucci called his team together and provided the kids with a day to remember. This year was bigger than ever having Batman, Superman, Thor, Spiderman, Flash, Wonder Woman, Cinderella, Minions, Olaf and of course the big man himself, Santa!

Thanks to Tom and everyone who volunteered, especially those former 5th precinct members and people from outside our command who go out of their way to help year after year. Hope to see you all next year, same bat-time same bat channel.

Within the past several months, a few of our fellow officers made the decision to retire after long and successful careers; Tom McGuire - 23 years, Joyce Brown - 20 years, Joe Giacone - 31 years and Danny Dowsett with 28 years of service. The hard work and dedication you've displayed over the years is something to be proud of. You will be greatly missed. Also, after 31+ years of hard work, Lieutenant Brian Murphy has also retired. Although his time at the 5th precinct was brief, he has always expressed gratitude for having a home here. On numerous occasions, he made it a point to acknowledge the work ethic that is shown at the 5th and that he was happy to be a part of it. He definitely did his part to keep the spirit of the precinct alive. From all of us, we want to wish these officers a long and happy retirement. It is much deserved and we wish you and your families nothing but happiness and success in your future endeavors.

TOP COP SEPTEMBER 2017

Here's the scenario, on September 21 2017 at approximately 0016 hours two subjects entered the 7-11 store on Central Avenue in Valley Stream. Subject #1 displayed a black firearm and pointed it at the head of one of the victims. Subject #2 removed approximately \$180 from the cash register. Both subjects left the store and entered a 2010 gray Audi which left the scene. Descriptions and notifications were made. P.O. Woloszyn saw one of the subjects exit the vehicle and flee on foot. The location of the vehicle and the subject information was transmitted via headquarters

.P.O. Ascencio and P.O. Dartiquenave were in the area and were able to apprehend the fleeing subject without further incidence. The subject was charged with (2) counts of Robbery and (1) count of criminal trespass. GREAT JOB BY ALL!

OUR NEW EXECUTIVE BOARD

We are entering 2018 with a new PBA Executive Board. I wish to congratulate James McDermott-President, Pete Patterson-Vice President, Dean Losquadro- 2nd Vice President, Tommy O'Reilly- Treasurer, Joe Nocella-Corresponding Secretary, Sean Mulligan-Recording Secretary, John Carrol- Sgt. at Arms, and William Purcell Financial Secretary

A WELL DESERVED FAREWELL

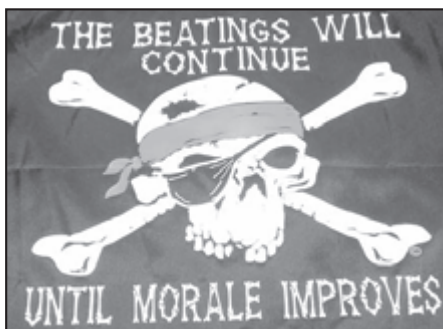

Once again we have a crew that have decided to open the new door, and enter into retirement. I want to thank Police Officer Pete LaRocco 25.5 years of service. Pete worked in Great Neck (613) and was also assigned to Aviation. Pete was an honoree in 2006 for our PBA Top Cop of the year. Congratulations to Police Officer's Richard Webb 32 years (NYPD & NCPD) and Dawn Ruettgers 23 years of service. I had the pleasure of working with both Rich and Dawn on the night tour. Both worked inside the Precinct Desk. They have made my job as your PBA representative less difficult as they were always my eyes in ears, at the desk. They always looked out for the membership.

I wish to give a BIG congratulations to two people that have had an impact on not only my career as a cop, but as your PBA representative. I want to thank Police Officer Glenn DeMeo 31.5 years (NYPD & NCPD). Glenn has served as your PBA Delegate for 9 years. He also served on the Precinct Top-Cop committee. Glen is fearless and as old school as they come. He always made his opinions known and he fought tooth and nail for the cops. No matter who you are if he thought you were wrong you better be ready to fight. He was never a "yes man". I am grateful to have been a delegate and trustee with Glenn. I will miss you Glenn!! I want to also thank the one person who turned me from someone who had no faith in the PBA, to entrusting me to be your Trustee. Police Officer Ed Conroy who completed 30 years. His amazing journey started as 8 years as PBA Delegate, 6 years as Trustee, and 2 years on the

Executive Board- Recording Secretary. I never met a more disciplined individual who like Glen, is as old school as they come. I was very lucky to serve as delegate with Ed when I was a new PBA representative and he was one of my greatest teachers. Ed, you ended your career at the office. Remember one thing, the Sixth Precinct will ALWAYS be your home. I'm going to hold back on right now and express my feelings, for all the retirees, at our next Sixth Precinct retirement party.

Best of luck to Police Officer Dan McNally who transferred to PIO. We also welcome back Police Officer Billy Allen who has returned from PIO. Dan is one of the most witty people you will ever meet. Not bad for the Northport Tiger!

I want to thank everyone that made our Kids Holiday Party a great success. Police Officer Joe Vasek has always been a great help as a member of the Manhasset-Lakeville FD who helped get us the venue, at the firehouse. Police Officer's Andy VonPodlesski and Vanessa Reteguiz for organizing and making this a great event. Police Officer Robert Graves and his Explorers are a great help. Last but certainly not least Police Officer Rich DeAngelis. I think we all know why. For all of you that attend the party it will amaze you how fast our kids grow and mature, over the years. I have great news from an old friend. Retired Police Officer Tommy Wilson daughter Ashley is the Goalie for Hofstra University's Grils Soccer Club. In 2017 the team went 11-0 also defeating Northeastern in the Colonial Athletic Association 1-nil. Nil translated is zero. Way to go Ashley!! The stork as struck again! Congratulations to Police Officer Michael Prall(aka Prall-Star) and Momma on the arrival of Mason Prall 7Lbs 9 oz.

8th Precinct Delegate Report

by Tommy Arcuri

Camaraderie is something every command hopes to attain. Many times it's hard to come by. Between running around all tour and then handling our many responsibilities waiting for us back at home, it's rare to

find the free time to bond with coworkers.

Over the last few years it has been great seeing the increased participation by 8th Precinct members at our events and countywide events as well. Our turnout at the Christmas party held at The Main Event was the best I've seen in a very long time. Two days later the Kids Christmas party at Pump it Up was a success as well. Thanks to the 2nd north reps for letting us in on a great venue. I'm sure we will be back next year.

I'd also like to point out the benevolence displayed by our members during the holiday season. We were well represented at the Movember Carry on for Cayde benefit at Mulcahy's. As a rep there is no better feeling than when Executive Board members go out of their way to remark how many 8th Precinct officers are in attendance donating to an important cause. It was a fun event even though Parsa "the Stache" Karimi was robbed in my opinion!

We also have members doing charitable work during their free time as well helping out Toys for Tots and other organizations that provide Christmas gifts for children. Officers Adryan Scott, Derrick Penn and Christina Harrigan are a few examples that come to mind that should be applauded for their efforts. Keep up the great work. We are proud of you.

THE NEW "8TH PCT"

I don't know what's a tougher question to answer, ..will the new building be reopened as a real precinct any time in the near future or who should Chris Rowe use in his lineup for the fantasy football championship game ? I never believe anything until it actually happens but everything seems to be pointing towards us moving in and reopening as a full precinct eventually. There is plenty of space and the facility is top notch to say the least. Hopefully by the time this article comes out we will have a more definitive answer for everyone. There was a ribbon cutting ceremony the other day so we seem to be moving in the right direction. As far as Rowe's team goes, I'm going to need time to think and research!

THE VILLAGE

We all know at this point how chaotic Main Street in Farmingdale has become. This past weekend during Santa Con we had extra patrols and unfortunately had officers injured. This is becoming an all too regular occurrence on the east end. As always try to back each other up on these types of calls. There is strength in numbers. Be safe out there and as always never hesitate to call a PBA rep day or night if you need anything.

HQ 1 Delegate Report

by James Quigley

I would like to this time to inform our membership about a program that is offered by the New York State Police and Fire Retirement System that most of our members are eligible to take advantage of, but very few know about. The NYS PFRS has a program in which members are able to VOLUNTARILY contribute a percentage of their gross pay into the pension system. These "excess contributions" earn a rate of 5% and can be removed at any time by the enrollee. If the member leaves these "excess contributions" in the system, when you retire, these monies (plus interest) will convert to an annuity, backed by the NYS PFRS pension system, and will add an additional amount to your regular pension.

SOME POINTS REGARDING THE PROGRAM

1. All Tier 1 and 2 members and PFRS Tier 3 (Article 11) members covered by a non-contributory retirement plan may voluntarily contribute from 1 - to - 10 percent of gross earnings to their member account.
2. You receive 5 percent interest on voluntary contributions and may become eligible to borrow against your contributions. (3% guaranteed, plus up to an additional 2% based on the Retirement System's earnings. The interest rate on these contributions has been 5 percent since 1976.)
3. You can start or stop voluntary contributions by filing the appropriate form with your payroll office.
4. If you stop voluntary contributions, you must wait 12 months to resume making them.
5. Members may withdraw voluntary contributions (also known as excess contributions), plus interest, at any time before retirement, regardless of whether they are working. Withdrawing voluntary contributions does not terminate Retirement System membership for these members.
6. As per NYS PFRS Rep Charlie Anderson, all contributions are POST TAX

HOW TO ENROLL

1. Simply fill out NYS Section 21(L) Election Form RS 5379. Which can be found at the following website:
<https://www.osc.state.ny.us/retire/forms/rs5379.pdf>
1. Fill out the above form with the pertinent information and forward it to Kathy Tenenbaum in Personnel and Accounting.

I personally have opted into this program, and it initially took the better part of almost 15 months to finally get it

up and running, due to the fact that I was the first person to try to enter into this program in at least 15 years. As of now, I have heard it takes about 2 or 3 pay cycles to start the deductions. One reminder that I would like to point out to any possible enrollees, is that when they say "gross" pay, they mean it. Every check has the enrollees selected percentage deducted (big check, mini checks, holiday checks....)

For more information on this, please feel free to contact me on my cell, Jim Quigley 631-387-3173, or call the NYS PFRS @ 1-866-805-0990 Or visit the NYS PFRS website <http://www.osc.state.ny.us/retire/members/index.php>.

BSO

As we get back into the grind I would like to wish everyone a happy and healthy New Year. Once again BSO finished the 2017 Calendar year with over 2,000 arrests for a third year in a row as well as CIRRT. So if you look at the numbers BSO and CIRRT combine for nearly 25% of the arrest activity for Nassau County. Congratulations to John Herman from BSO who got promoted to Detective and is now assigned to the First Squad. We would also like to recognize the overall Top Cops of the year Christopher Maher and James Friel from CIRRT. This veteran team had over 200 arrests with multiple felony and gun collars.

BSO QUOTES OF THE YEAR

- 1) "BSO Proper."
- 2) "CIRRT Bro."
- 3) "You gotta eat when the eatings good."
- 4) "Yeah, we got multiple recoveries boss."
- 5) "Alahambra."
- 6) "You know how it is. You gotta play the game."
- 7) "Scotty doesn't know."
- 8) "Don't worry Laddy. The angels are on your backs."
- 9) "The wolves are scratching at the door."
- 10) "Come on Man."

Notes From the E.S.U. Corner

ARPO

by Bob Livoti

By the time this comes out we will be into the New Year. I hope everyone had an awesome Christmas and a Happy New Year. The holidays are always a great time of year especially when mixed with snow. Having a young (7yrs. Old) child makes it doubly so.

I and my co-workers here in ESU would like to thank everyone for the great response to the sale of the Artie Lopez Memorial t-shirts. Be advised that there are still some left for anyone who would like to purchase one. Contact any member of ESU or dial ext. 8240 for any further information.

If the rumors are to be believed there may be a rash of retirements in the first month or so of the New Year. All the best to those that have put in their time and are finally calling it quits. May God bless you and watch over you in your next act. Speaking of retirement please be advised that a lot of people are leaving this job and the order says that they have resigned. That is just a paperwork job because if you have prior time that is only on the civilian side of the pension system that is what you must do. You then subsequently file for retirement from New York State and ask for your Police time to be transferred over. This is what I will be doing in a couple of months' time. If you have 20 years on this job, but, you have time somewhere else in the system call the union or the pension system in Albany to find out if you are eligible for any extra benefits. The pension system always does what is best for you but you will need to have the proper documentation and paperwork to accomplish this. If any of the above criteria fits you you owe it to yourself to gather all the information you can get and make an informed decision. This is a change that occurred in 2009. Again, if you were a County C.O., Court Officer, or have time in a local government you may be eligible. Please call the union office for further clarification.

Finally I would like to wish a speedy recovery to our own retired John Trutt. John recently had fusion surgery on his cervical spine. Obviously Police work is dangerous in many ways and it hurt JT. Keep rehabbing John and we will see you up and about very soon.

Well that's all for this month and we'll see you in February.

Happy New Year everyone. I hope everyone had a nice holiday and our snowbirds are getting ready to fly south again. So am I. I'll be heading down to Nassau Blue later this month so I'll see a lot of you there.

Here's some important information regarding retired officers carrying out of state. Under HR218, you must qualify each year for the weapon you are carrying. It can only be a "police type firearm" i.e., 38, 40 cal, 9MM. A 22 derringer does not qualify unless you were authorized to use, carry and qualified using that weapon when you were on the job. In NY and 7 other states, you may not carry more than 10 rounds in a magazine. When carrying under the HR218, make sure you have your photographic ID from your department and also your HR218 qualification card. Under the HR218, you can only carry the weapon "concealed". If you are not sure about any of the provisions, go online and check everything out. Remember that you are carrying as a private citizen and you should be aware of the state laws regarding use of deadly force. The laws vary from state to state and you should be aware of the laws in each state that you carry. You should also be aware that there are different requirements if you are carrying with a state conceal carry permit. For example, if you have a Florida CCP, it is recognized in 37 other states and some of the restrictions are not as prohibited as parts of HR218.

ARPO dues notices were sent out in November. We would appreciate it if you paid your dues in a timely manner. If you fail to pay your ARPO dues by January 31st, you will have to pay a late fee in addition to your dues after that date.

Again, I would like to remind you that we are looking for stories and photos from you for future issues of the ARPO newsletters. The ARPO newsletter is your newsletter and we would like to have as much input in it from you as possible.

Are you living in a great place outside of NYS? We would like to hear about it and inform our other members of the great fine you have. Many of our retirees are looking to move out of NY (can you blame them?) and any information or tips you can give them will be greatly appreciated.

We had a full class last month at our AARP Driving Class. If you missed it, the next one will not be until sometime in the spring. How do you sign up for it? Make sure we have your e-mail on file. That is the first line of notification and if we don't have enough time to get it in a newsletter, it might be the only way of finding out the next class.

Columbia Police Association

by Detective Frank A. Ruvolo, President

Wishing all who read this, a Happy and Healthy New Year. Our December Christmas Party was certainly well attended, with 49 people sharing great food, drink and laughs. Although the room was a little tight and loud with all the laughter and conversation, all who attended enjoyed the party at 388 Restaurant. Carlo Maltempi felt he was back in Sicily as he sat in a back, poorly lit corner table and let all approach offer him greetings and respect. Many thanks to our party chairman Lou Monteleone for running this event.

We had a smaller crowd at Arthur Ave this year, partly due to the first bitter cold day and wind. However, 8 of us braved the cold, shopped the Avenue and had a great lunch at Emilia's and got our required goods for the holidays.

Congratulations to member Greg Casarona on his recent designation to Detective.

January Meeting Change: We have a new meeting location for the January 2018 meeting. The meeting will be at a new place for this month of January and possibly continue for the year. After meeting with the owners to see if they can accommodate us and our growth, our new location, Piccolo Ristorante at 2770 Sunrise Highway in Bellmore is convenient for many members and the food is known to great. We feel we can continue our growth and maybe see more members attending. The price to our members will remain the same. Details about this trial meeting will be posted in the February and future newsletters and also sent by email to our members to inform you if the meetings will continue at Piccolo for our future. (Piccolo is in the King Kullen Shopping center, opposite the LIRR and ¼ mile west of the Wantagh Parkway)

Our Executive Board works hard throughout the year to promote, to run and further the progress of this Organization, we rely heavily on the support of our members so please make the effort to attend a meeting in 2018. We usually have a good turnout of members from different commands and great food and drinks, we hope to see you at an upcoming event.

We are forming a committee for the new Board because this is an election year for us, if you have an interest in becoming more involved and running for a Board position, please see any officer to inquire. Our membership renewals will be mailed shortly, if you don't receive the paperwork in the mail, or you would like to become a new member, please contact any board member or email me at frankcar108@aol.com Many members have ordered and received the new run of embroidered shirts, if you need one, please email me

above.

Speaking for the entire Board of Officers, we wish you and your families all the best in the upcoming New Year.

Nassau County Police Emerald Society

by Thomas Arcuri, Vice President

We want to thank everyone who came down to the Nutty Irishman for our Shillelagh Law fundraiser. As always it was an excellent turnout and a great time was had by all.

We are working on a date for our annual 200 club raffle. As soon as we lock in a date we will post all the details on our website.

St. Patrick's Day will soon be upon us and we invite all our members to join us and march. For those who have marched in the past you already know what a memorable event it is. We will post all pertinent information in regards on the website as the date approaches.

Our monthly meetings are held every third Wednesday of the month at 8pm upstairs at the Wantagh Inn. If you would like to become a member you can join in person for \$25, print up an application from our site and mail a check or sign up for an automatic dues payment through the credit union...yes we are getting all modern and fancy these days !

Hope to see you all soon. Be safe out there.

The Police Holy Name Society of Nassau County

by Neil J. Delargy, President

Happy New Year to all and I along with the Board of the Holy Name Society wish our members and all the police family of Nassau County a healthy and prosperous 2018. By the time this newsletter arrives we will have completed the secular season and the Church celebration of the birth of Christ. The Catholic Church teaches that the Christmas holiday begins on Christmas Eve and continues for twelve days into the New Year. It's that time of the year when all organizations come knocking and ask you for your membership and significantly for your valuable membership dues. The Holy Name Society is no different and we need your participation now more than ever. Times are getting tougher for everyone and the HNS, as an organization that values charity and good works, is being tasked with many more requests to assist our members and community. We ask for your help now and throughout the year to assist us in our mission to enhance

the spiritual journey of our members and to be able to continue in our charitable and scholarship endeavors.

During this past October the Holy Name Society enjoyed another of our great pilgrimages. We traveled to Ireland and Northern Ireland, experiencing the way of Saint Patrick, the Patron Saint of Ireland, as we drove through the beautiful countryside of the Emerald Isle. Many people ask, "why does the HNS only sponsor pilgrimages and not just travel tours that everyone can participate in?" The short answer is that a pilgrimage, any attempt at drawing closer to Jesus and the Catholic Church, is at the core of the Holy Name's mission. As a benevolent association we are first tasked with bringing our members closer to the Catholic Church and to our society's name sake, Jesus. His name is the "Holy Name" of our society and the reason for our association. The pilgrimages we sponsor bring our members and friends who join us on a spiritual journey which bring them closer to God in a personal way. The HNS offers the conduit, a theme inspired trip, but the journey is their own and if they seek to know God more fully by traveling to time honored religious sites we have accomplished a small part of our mission.

The pilgrimages are closely related to the Christmas Season of Advent. As Catholics prepare for the birth of Christ through prayer and meditation anticipating Christmas morning when the greatest gift of all arrives, the baby Jesus; pilgrims plan to come together as a group, leave behind one's problems and jobs and focus on the sacred places visited and the daily celebrations of devotion and faith. The gift received at the end is personal and dependent upon their individual openness to be renewed or restored in faith by such a journey. Similar to Advent, a pilgrimage is a time to prepare for God, deepen our relationship with God, and step back from our mundane, average workday world to accept what God is offering us. Advent is four weeks long, our pilgrimages typically last 12 days and we pack in an abundance of opportunities to experience our Catholic religion. We also marvel at the unique sites, people and history that each location has to offer.

Our Annual Retreat and Communion Mass and Breakfast are coming up very fast. This year's Mass and Breakfast is on March 18th! We will continue our tradition of celebrating two weeks before Easter and this year we'll have to combine a St. Patricks day theme with our largest event of the year.

The details are as follows: Sunday March 18, 2018. The Mass is scheduled for 8:00 a.m. St. Agnes Cathedral, 29 Quealy Place, Rockville Centre. Our Chaplains will participate in the development and celebration of the Mass. The church is located about 2 miles from our breakfast site: Knights of Columbus Hall, 2985 Kenneth Place, Oceanside. (event will begin directly after Mass) The 43th. Annual Police HNS Retreat is set for March 19-March

21, 2018 It's geared for members of Police Departments (civilian, sworn) and retired members. Complete details with cost and program details will be available shortly.

Retiree Column

A Happy, Healthy, Prosperous New Year to all. I hope you all had a wonderful Holiday Season.

2018 marks the 90th Anniversary of our PBA. Joining our ranks since the last report are members of our Executive Board; 2nd VP Bob Rettinger, Treasurer Wayne Hartmann and Recording Secretary Ed Conroy. Congratulations on your retirement and thank you for your service and yes, welcome to the club. Their joint retirement dinner is on January 18 at the Milleridge. Call the PBA office for details.

Another, although not a member of the PBA but one who has helped countless PBA members over the years, is also retiring, Sue Bruckbauer.

Sue began working for us when our office was still on Willis Avenue. On moving day, May 1, 1991, Sue sat in the corner on the floor of 89 East answering the phones as the movers paraded past carrying the Association's belongings. She directed the workers to the rooms where they were to be placed, she made sure that everything ran smoothly. Working under three different Presidents and dealing with all the different personalities of the PBA officers over almost three full decades, she always made sure everything ran smoothly. The countless members who she greeted when they visited the office and those that were greeted on the phone with the words "PBA, Sue speaking", can never thank her enough for her service. I am sure we all wish her many happy, healthy years of retirement.

GREETINGS FROM NORTH ZULCH, TEXAS.....

2017 has been a strange year, a very mild winter and a not to hot summer. As of today November 28, it is 77 degrees. We drove to Forestburg, Texas to spend Thanksgiving with our Cancer Free Daughter Janice and her husband Jim. Betty and I both had cataract surgery during the months of September and October.

In October we went to Dinner Club in The Woodlands, Texas to see Crystal Gayle. The tickets were a birthday gift from our son, John Jr. and his wife Julia. We waited 2 and a half months to see Crystal but it was well worth the wait. We had front row seats and could have reached out and touched her, that's how close we were. She put on a great show for two hours.

Christmas will be here and gone before we know it. We are expecting our son John and wife Julia and their three boys will be coming down from the Syracuse area

Enjoyed reading your “Retired Column” with the ‘1933 CONTINUED.....’ You wrote that Joseph Klepper was one of two appointees to be Delegates for Precinct 3 on September 19, 1933.

Let me introduce myself. My name is Ron Klepper and I retired from NCPD in 1986. My father Frank and his two brothers were all members of the NCPD. My Uncle Arthur was killed in the line of duty in 1937. Uncle Joe and my father both retired in 1964. I remember Uncle Joe talking about being a Delegate. Is there a way to find out how long he served as a Delegate?

Thank you for what the PBA does for the membership. Best Wishes for the holidays!

Ron Klepper – rjklepper@gmail.com

Ron, The records that I have showed that Ptl. Joseph Klepper served as Delegate of Precinct 3 for the year 1933. He was elected as Trustee Precinct 3 in 1934 and 1935.

FINAL 10-11

On August 10, we lost PO Clayton S. Andersen, Serial 2956, Precinct 7, who served from April 12, 1961 until August 30, 1992.

On November 16, we lost DET Donald M. Daly, Serial 3733, Homicide Squad, who served from April 14, 1967 until March 5, 1998.

On November 20, we lost PO Richard Gannotti, Serial 3441, Precinct 6, who served from October 30, 1964 until January 7, 1985.

On December 2, we lost PO Richard A. Laudman, Sr., Serial 4146, Precinct 4, who served from November 8, 1968 until May 30, 1991.

On December 7, we lost DET SGT Roy Gorddard, Serial 3749, 1st Squad, who served from April 14, 1967 until July 19, 2007.

May they rest in peace and may God bless and watch over their families.

Our Christmas party was a huge success, 80 people attended and all had a great time. We shed our MC gear and got dressed up as did the ladies, showing off their finest holiday attire. A new year is upon us, 2018, lets hope we all fare as well or better than 2017. We have lots planned for the new year. The cold and snow keeps us off the road but not from getting together. February's first meeting of the month is soup night, a good variety of great tasting soups whipped up by the members. March's first meeting, Shepheard's Pie & Irish soda bread, April brings us the Chili Cookoff where I will defend my title. Who says bikers can't cook?

If you ride, are thinking of riding there is no better group of guys to ride with. It is a fact that riding in a group is much safer than riding alone. Come on down and give us a try.

Come and see for yourself join us at a meeting held on the 2nd and 4th Wednesday of the month at the VFW Hickory Lane, Levittown, NY. Till next Month.

“Ride with Pride”

Nassau Police Post 1050 American Legion

by Dan Scheidel

As we close out 2017 t has been a year of many questions about the status of our Post. We are going to try a new location for meetings as well as starting times, 1930 hours. The new location was designated in last month's edition, East Meadow Post 1082, 294 Bellmore Road, East Meadow. We are hoping to show an improvement in membership attendance.

Other than that there isn't much to report. We've lost a few older members but did gain a few thanks to the editor of the RPA newsletter who was gracious enough to place our “Wanted” flyer in recent editions of their newsletter. We did get a few calls and are awaiting their responses.

We've witnessed a change in the leadership of the county with the election of a new County Executive and will have to wait for her appointment of a new commissioner. But regardless of that appointment, I am sure the morale of this department will never change. I came on this job in 1953 and still believe it is the best job in the world.

Our trip to the Northport VA Nursing Home was cancelled because of the threat of a severe snow storm. We were fortunate to have a woman from East Williston that for each of the past six years has been donating lap robes and other appropriate goodies for those she calls, "My boys." Those lap robes were delivered to the

nursing home by a Nassau County American Legion service director. Our donor insists that we, the Police Post, do the deed each year. We are proud and pleased that she thinks that well of us.

Like I said in the beginning the year has ended but we hope the Post can still be a local, state and national veterans' organization. We are dedicated to serving those that served. Come join us.

May you all have a pleasant and healthy new year.

Dear Dr.

Police Officer _____ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 – 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Police Unity Tour

In May 1997 the Police Unity Tour was organized by Officer Patrick P. Montuore of the Florham Park Police Dept., with the hope of bringing public awareness of Police Officers who have died in the line of duty and to honor their sacrifices. The Police Unity Tour started with 18 riders on a four day fund-raising bicycle ride from Florham Park, NJ to the National Law Enforcement Officers Memorial in Washington D.C. which raised \$18,000.00. Today, the Police Unity Tour has over 1900 members nationwide who make the trip. In late 2005, the Police Unity Tour pledged \$5 million in support of the National Law Enforcement Museum. Inspired by our commitment and our motto, "We Ride For Those Who Died" , the National Law Enforcement Officers Memorial Fund has selected our organization to be the sponsor of the Museum's Hall of Remembrance. As of May 2016, the Police Unity Tour has donated over \$20 Million Dollars, which included this years highest donation ever of 2.5 million dollars.

Chapter 37 New York

We are the NEW YORK chapter of the Police Unity Tour. Chapter 37 was started by Port Authority police officers in 2002 and named in honor of the 37 PAPD officers who were killed in the line of duty on September 11, 2001 at the World Trade Center. Although designated the New York chapter, our membership of active and retired law enforcement officers also includes police departments from California, New Jersey and New Hampshire. We also view ourselves as the 9/11/01 Memorial Chapter. The original Chapter 37 members are represented by members of the Port Authority NY/NJ, Huntington Beach CA, Glendale CA, Nassau County and the New York City Police Departments. A pledge was made by the original members that Chapter 37 will always start our Tour at the World Trade Center to honor, respect and remember the 72 officers who lost their lives September 11, 2001.

WE WILL NEVER FORGET.

CHAPTER 37 POLICE UNITY TOUR FUNDRAISER 2018
