# President's Message

by Thomas Shevlin

November 8th is upon us, and this Election Day is very important for our membership's future.

The past few years have been very trying times for police officers. We have been in the middle of the government's political war, that has been going on for years. This is our chance to do something about it.

This is our chance to say no to the "defund the police" talk or treating criminals better than the heroes who risk their lives for the safety of our communities. This is our time to come together, turn out on Election day with our family, friends, and neighbors to vote in support of the police, in support of our needs, and elect officials who will support us.

We need elected officials who will always have our back, physically and financially. We need elected officials who will allow us to do the jobs we have been trained to do.

We have completed our political interviews. We do not take our endorsements lightly and have chosen candidates who represent our interests. We reviewed the voting records of incumbents, and vetted the candidates and their campaign platforms.

You will see our list of endorsements along with the cross endorsements of our Brothers and Sisters in Suffolk. These candidates are not to be viewed as Republicans or Democrats, but instead to be viewed as the best choice for us and our future.

New York State needs change. Election day is the time to let our voices be heard.

We need changes to our pension system, specifically Tiers 5 and 6. Electing these candidates is the best way for those changes to be made. These candidates have also pledged to stand up against the hundreds of anti-police bills that are brought to the floors of the Senate and Assembly.

Outside of voting for your PBA representatives, and voting for contracts, this is the most important thing that we can do as one. Get out and vote on Election Day, Nov. 8.

Always back each other up, physically and mentally.

## SERVICE ORIENTED POLICE DEPARTMENT?

Approximately 16 Years ago, after serving overseas with the Army, I entered into the first class of the "New" Massapequa Elementary, Nassau County Police Academy, as a young recruit.

Lecture after lecture, each and every academy staff member, including bosses, instilled in us that we are a service-oriented police department offering the citizens of Nassau County a form of Policing that focused on interacting and gaining the trust of our residents. This was most evident when the Chief of the Department, at that time, walked into our classroom and addressed our class. To this day, his speech has had the greatest impact on my career. He talked about what was expected as a Nassau County Patrol Officer. He emphasized the importance of public outreach and going the extra mile for the residents. He addressed how important it is to learn your post and more importantly to interact with the community because they are the ones we serve. He then told a story that went like this:

"A police officer received a fire alarm on his post. When the Officer arrived on scene, it was an elderly lady, that was concerned there was a fire in her house. The Officer quickly realized the fire alarm was beeping because the battery was low. The officer asked if she had a battery so the officer could replace the old one. The little old lady did not. The officer then, on his own, went to the local store and purchased a battery for the lady. The officer responded back to scene and replaced the battery for her. The elderly female invited the officer to sit down with her and have a cup of coffee. The officer did and spent time with her giving her support and companionship."

That is what defines a great Police Officer. A person that goes above and beyond the calling. When I began my career in the Third Precinct, it motivated me to build a trust between myself and the community. At the start of every tour. I would go to the local coffee shop and talk to the business owner and their customers. I created a bond and trust with a multitude of people that came from different ethnic races, backgrounds and income levels. There was "Bobby the Baker", "Frankie Flowers", "Mikey the Insurance guy", "Ronnie the Barista", and many others that I became acquainted with on a daily basis. I got to know where they lived, their children, their spouses, while gaining their trust and respect. I believe that because of my actions, when one of them got arrested, they did not fight with the officers. They respected the process and promised to make a positive change in their life, in which they did. Service oriented! That is what was instilled in us as recruits, and that is the

what Nassau's finest has always done for generations.

I believed that this type of policing is what led this County to be named the "Safest County in the United States." The evidence showed "WE" were doing something "RIGHT"!!

Now, unfortunately, the Department has determined that the measure of a good cop should no longer be based on service-oriented Policing, but rather analytics, stats, and "activity". The department no longer judges a Patrol Officer on the service he delivers to Nassau County. The Officer replacing the fire alarm has no place because he doesn't check the right boxes. The higher the numbers in those boxes are, the better you are as a Police Officer.

The next thing that the department has become reliant on is, watching and grading us based on dots on a map. What exactly does that mean? When an officer drives around in their RMP, it leaves dots on a computer map. When a report is run by a supervisor, they can see what that officer was doing during their tour and where they were. These reports are then scrutinized to the highest degree and no matter what answer that is given in response to the officer's whereabouts, nothing would ever be good enough. They expect robots to drive around constantly, without stopping, except to write a ticket. If that dot moves all the time, the officer did a great job. Well, I am not sure how that can be viewed as a great job! What made this department great was the personalities of our officers that communicate with the public. How could anyone build trust or gain vital intelligence with anybody, if we are not allowed to stop?

Unfortunately, if it were today, the story of that officer who changed the battery, and spent an hour with the elderly lady would end with him writing a letter explaining why his dots weren't moving. Imagine that... I can't, but I'm sorry to say, this is what is happening every day. The longer it goes on, the longer we lose touch with the community that we serve and patrol in. Nassau County Police Department was ahead of the curve in Policing. It saddens me to say, that this no longer appears to hold true, as we have regressed to the over bearing practices that many communities and departments strive to change.

## Seventh Precinct

by Tim Regan

A good arrest by 7th precinct patrol cops in the end of September. Nearly everyone got involved in this one. A 911 call was made for a fraud in progress at Island Power Sports as 3 subjects were attempting to purchase over \$17,000 worth of dirt bikes with fraudulent identification. Officer Sollenne, Paglicua, and Vultaggio located the subjects who were attempting to leave in a U-Haul and kept them at scene. Officers Schill, Deangelis, Ripp, and Stella also arrived on scene and assisted in the investigation. It was determined that the subjects attempted to use a fraudulent Pennsylvania ID to purchase the dirt bikes. All 3 subjects involved were apprehended and ultimately charged with Identity Theft 2nd, Criminal Possession of Forged Instrument 2nd, and Grand Larceny 3rd. Thanks to good teamwork and a thorough investigation, that's now 3 less dirt bikes to pop wheelies down Sunrise Highway.

Congratulations to new delegate, Karen Sullivan. We welcome you to the union and look forward to working with you. We thank Lorraine Vultaggio for her service as delegate to the precinct for the last few years and wish you the best on your future endeavors. The 7th Precinct Retirement Party was a huge success! Thank you to everyone who attended and helped honor our recent retirees! We wish John Schellderfer, Maureen McTavey, Howard Friedberg, Steve Deng, and Chris Jackson all the best in their retirement and thank them for their service. The 7th Precinct Christmas Party is tentatively scheduled for December 6th, once again at Bunker Hill Tap Room in Wantagh. We hope to see everyone there!

## TOP COPS

The Top Committee dissected and reviewed multiple cases from May and voted to honor Police Officers Joseph Polak and Emmanuel Rodriguez.

These two astute street cops were both dispatched to a speeding vehicle assignment near Hicksville Middle School right before school started.

Employees of the school stated they saw a silver Mercedes SUV driving continuously erratic around the vicinity of the school. Shortly after canvassing southbound Jerusalem Avenue, Officer Rodriguez spotted the vehicle on 6th Street just south of the initial call location and attempted to pull him over. Said vehicle refused to pull over. As Officer Polak was on Jerusalem, the subject and his vehicle went through the stop sign at 6th Street and Jerusalem Avenue and almost collided with RMP 801. Officers Polak and Rodriguez then followed the subject who was driving in a reckless manor. While on 5th Street, Officer Rodriguez was almost struck head-on by defendant in the vehicle. The defendant then drove southbound on Jerusalem and made a left on 8th Street where he collided with a parked vehicle. It was then that Officer Rodriguez and Officer Breslin of the 2nd Precinct conducted a felony car stop, giving verbal commands to exit the vehicle. The subject was non compliant. Officer's Rodriguez and Breslin did attempt to remove subject from vehicle. 2nd Precinct members in an unmarked rmp were parked behind defendants vehicle at this time and defendant did reverse into their vehicle. Defendant refused commands and then resisted arrest. A 2nd Precinct unit did deploy his taser with no effect. Officers on scene were able to remove defendant from vehicle at which point he was resisting arrest when taken to the ground. The taser was redeployed and as a result Officer Rodriguez did get electrocuted and fell into the side of the defendants car. Officer Polak and Morante were then able to gain control of defendants arms and safely place him in handcuffs. While in handcuffs, the felon was making spontaneous statements. He was irrationally stating that his dogs own the car and they were telling him what to do. Officer Polak did observe defendant to be talkative, excited, disoriented and have a rigid tense muscle structure. He was also making incomplete verbal statements, and did appear to be having hallucinations.

Officer Rodriguez suffered from injuries to his knee, elbow, and hands as a result of the incident. Officer Rodriguez was taken to Northshore Plainview hospital in Ambulance 2358 for further medical attention. We are happy to report he was back to work shortly thereafter.

Defendant was placed into county ambulance 2392 with

the savvy veteran medic, Stephen Kahl, and Officer Morante. While in the back of the ambulance, the defendant did make a statement to a patrol supervisor who stated that he used cocaine. Defendant was transported to NUMC for further medical attention and to receive a blood test who was believed to be under the influence of drugs.

The Top Cop Committee convened and voted for **PO Joseph 'Joey' Johnson for June.**

In mid-June, Johnson was dispatched for an aided assignment in Levittown in which the victim was drowning in a backyard pool. The aided was removed from the pool where he was unconscious and not breathing. CPR was immediately administered and the victim was revived due to the instinctive actions of PO Johnson.

## JOE SAL'S TAKE

PO Johnson may just be the nicest guy to step foot and work in the 8th since Sgt Mike 'smilin' Cario. Johnson is quick to respond to assignments and very thorough once he's arrived on the scene. When the committee came across this case, it was no surprise that these were the actions of JJ. We would like to congratulate him on this well-deserved award bestowed on him.

## SHOUT-OUT'S

A retirement shout-out to PO David 'The Admiral' Robinson, one of our finest and longest tenured members here in the 8th. PO Robinson was sworn-in in March of 1995 when "Take A Bow" by Madonna was number one on the pop charts and fighting ensued between the Croatians and Bosnians overseas. There are probably a good number of current 8th Precinct cops who were yet to exit the womb when Dave started his illustrious career.

When I arrived on nights approximately ten years later, Dave was holding down the Old Bethpage post next to his partner, the affable Mike Corso. These two were the 'night veterans' for us rookies. To say they could teach you a thing or two would be a vast understatement. Their advice and knowledge of the job were unparalleled and the way they conveyed it, well, truly genuine. I knew cops like Dave would steer me in the right direction if need be. Dave was invaluable to this precinct from working his post on the streets to working the last few years inside. The inside bosses knew what an asset Dave was and proved to be, by allowing him to train so many inexperienced officers on all things inside, from 32-room to signal monitor. Dave has left an indelible mark on the 8th in his almost three decades serving here. We wish him the very best moving forward and thank him for what he gave. God Speed Dave.

An off-to-ESU double shout to POs Kevin 'The Mailman' Post and Marc 'UBS' Timpano.

Our famed Emergency Services Unit should be locked up for larceny for stealing two of our youngest and brightest stars.

PO Post was quite the character in his time here at the 8th. He worked alongside his buddy Tim Fagan in Levittown for some time and also caught a few back nine holes with the legends Jimmy Dolgos and Bobby Tedeschi, where this squad held down most of Levittown. Kevin was never short with a story and was always a comforting cop to work an adjoining car. Over the last six years, Kevin grew from a rookie to an experienced veteran as the flood gates of new cops opened. Kevin was well-versed in the law and always gave the brass here 110% in the activity category. He will be sorely missed, and our loss will indeed prove ESU's gain.

PO Timpano spent almost five years here patrolling numerous sectors of the 8th, and most recently working RMP 814 next to PO-pilot Chris Rogers. Marc has a loaded background in regards to what it takes to succeed at his new position. On top of that, Marc is more than prepared for the intense training that his new gig demands. We wish Marc the best in his new position and he will be missed around the 8th for sure. And a 'matrimonial' shout as the cherry on top for the recently vowed top cop.

### GOOD GRAB

On October 1st, 2022 Bureau of Special Operations Officers Collura and Curaba were conducting patrol in the Elmont area when they observed a vehicle traveling westbound on Hempstead Turnpike with no headlights on, no front license plate, and an inoperative tail light. Officers conducted a vehicle investigation and observed three occupants seated inside. While approaching the vehicle the operator and the front seat passenger were making furtive movements around the area where they were seated. Both front occupants were then asked to exit the vehicle. Officer Curaba directed the front passenger to exit the vehicle, and as he did the front passenger bladed himself away from Officer Curaba and reached towards his waistband. Officer Curaba was able to control the subject and then removed 20 individually wrapped plastic twists of crack cocaine. Officer Curaba then attempted to place the subject into custody and after a brief struggle they were finally able to handcuff the subject. The two other occupants of the vehicle were then placed in handcuffs for Officer safety. Officer Curaba then searched a jacket located on the passenger floorboard and felt a firearm from within the jacket. The front passenger who was already in handcuffs then did jump up without warning and flee on foot. Officer Mahon who arrived on scene to assist then engaged in a foot pursuit with the handcuffed subject and was able to place him back in custody. All three subjects were placed

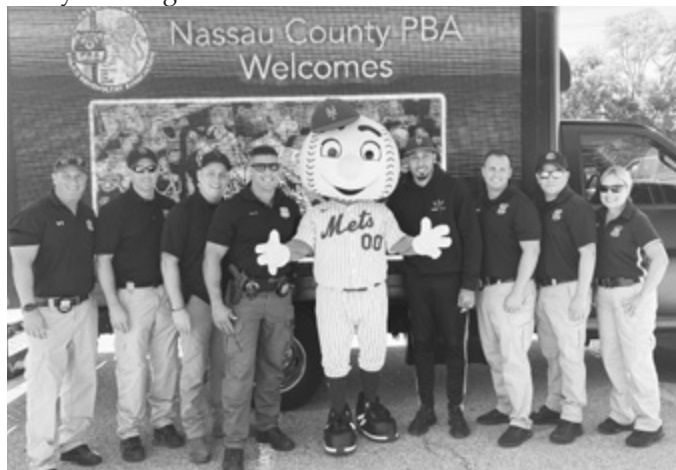

into custody and transported to the fifth precinct for arrest processing. The gun recovered was determined to be a ghost gun which was loaded. The vehicle ended up having switched plates on it and the operator was driving with a suspended license. The operator was also found to have additional crack cocaine on him in his underwear. The operator and front seat passenger did have multiple open warrants within NYPD and Nassau County as well as open cases with the fifth squad. Great job by all involved!

## SHOUT OUTS

Congratulations to the Fab Five who just joined the Bureau led by veteran leader and CIRRT alumni James Friel. Friel who will be what we call their team leader is an all star veteran with over 1000 collars under his belt. Not to mention PBA Top Cop of the year and recipient of many other medals. First from Jimmy's team we have "Coach Gavin the Trainer" who not only was a #1 draft pick by the Bureau out of COPE, but also just signed with Body Building.com. Next we have Cope Star Joey Mueller who is ready to go and hit the ground running after destroying the BSO PT test. Coming off patrol from the fighting first is John Oliva. You can always catch John in the Bellmore Gym working out in his cut off sleeve Hawaiian shirts. Last but not least from the fighting fifth precinct we have baby face Mike Marzocca. Marzocca is

ready to bring his brolic skills to BSO. Yeah!

*Nassau County PAL welcomed NY Mets All-Star Edwin Diaz to Massapequa PAL Fields for a youth baseball clinic. Thank you to the PBA for their support. All the kids had a blast.*

## Retiree Column

by Joe Failla

JoeFaillaNCPBA@aol.com

Well America did we win or are we still locked into the whirlpool of the DC swamp. The choice was ours to make. Hopefully everyone chose wisely. Regardless of what Party you align with, remember, you are an American first. With all this in mind, may you and your family enjoy a very Happy Thanksgiving. May God continue to bless you and may God continue to bless America.

## THE 28TH NASSAU BLUE REUNION

The dates for the Reunion will be January 26, 27, 28. The application for the reunion, which will be recognizing the 50th Anniversary of the Academy Class of 1973, can be found a few pages back.

## HOW MANY DO YOU REMEMBER

Blue and Orange Patrol Cars with one red light mounted in the middle of the roof. A light bar with two lolly pop lights and the siren mounted directly over the driver. You had to beat the siren with a nightstick when it froze up in the winter. Air conditioning consisted of rolling down all of the windows. Rubber floor coverings rather than carpeting. A bent coat hanger stuck in the dashboard to hang your hat on. Blue Arrow Highway cars (Alcohol Safety Patrol). Every front bench seat had a hole burned in it from the handheld spotlight. Armor All seats that you slid across while responding to a call. K cars. Precinct mechanics and brooms that were sworn members. 38's with drop pouches on your belt. LA holsters that fell apart. Speed Loaders. Cushman Scooters with canvas doors and heaters that only worked when you were moving.

Election Day Poll Details. A Jack in your back pocket. Only two radio bands, North and South. North RMP's had a hard time getting on the air because it seemed that the 6th was always closing the Viaduct. Someone playing taps at 2345 and then reveille at 0630. Identifier cards in the "New Radios." Cardboard summonses, gas tickets that cranked in upside down and backwards.

Uniform Inspection once a year and then waiting a year to get the new uniform that no longer fit your forever growing physique. Bridge coats for Supervisors. Cops and Sergeants wearing Blouses. Light Blue epaulets and pockets on summer shirts. Leather jackets replacing the "Horse Blanket", (P Coat). Sergeants in station wagons. 40 Series Ambulances operated by cops armed with oxygen and band aids. 42 Trucks. Cigarette machines and wooden phone booths in every station house. Foot posts and Sergeants checking to make sure that your tin was cold to the touch in the winter and warm in the summer. Church Crossings, folding and roll out Stop signs. Form 89's, Aided cards and Bicycle Reports.

The Main Desk and phony prisoner menus. Gruff old D.O.'s and Police Women in skirts. Status Boards with

toggle switches and lights at the Signal Monitor Position. "A Flute for the Lt." Team Policing, "It's cloudy out kid," and last but not least \$3.86 Mini Checks that guys would drive in from Shirley and Ridge to pick up.

Yes I can remember all of them. The most important thing that I remember is a lot of good, caring people. People who would do anything for you. People who would show up after working a midnight and help with a home renovation project. People who would purchase a Christmas tree and leave it at someone else's house. These were the kind of people I worked with over the years. No they weren't heroes or anyone looking for recognition, they were all good people doing exceptional things every day. They just wanted to be treated with respect and a little gratitude. Thank you for the memories and allowing me to be a part of it. I was so proud to belong to such an extraordinary group. May God continue to bless you all.

Office: (516) 248-2340

350 Old Country Road, Suite 106 Garden City, New York 11530

Dear PBA Member,

Periodically, your PBA reminds its membership of appropriate steps that should be taken if you are called to Internal Affairs or become part of ANY department investigation. Recent events underscore the importance of involving the PBA and your legal counsel, me, as soon as possible.

Should you be called to Internal Affairs, be it as a witness or subject, you must notify your local PBA representative IMMEDIATELY. If you are deemed a subject, you have the right to have both a union representative and legal counsel with you during the interview. **If the investigation is criminal in nature, call me first!**

REMEMBER: You must be afforded a reasonable amount of time to contact a PBA representative and attorney. You have the right to confer with us both before and after questioning.

YOUR PBA REPRESENTATIVES AND ATTORNEY  
ARE HERE TO PROTECT YOU!

In any situation, be it at Internal Affairs or otherwise, where you are asked to write a letter and there is even a remote possibility of discipline, be sure to begin the letter with the following statement:

"I am making this statement for administrative purposes only. I have not done so voluntarily, but in compliance with an order of a Superior Officer. This statement in no way constitutes any waiver of my rights, and this statement, or any part thereof, may not be used against me in any subsequent criminal proceeding."

Finally, upon notifying your PBA representative that you have been called to Internal Affairs as the subject of an investigation, we will arrange to meet prior to your interview at my office to review the facts and circumstances.

Fraternaly,

Bill Miller

Re:

Dear Dr.

Police Officer \_\_\_\_\_ is protected by a contractual provision known as "medical review". As part of this process, the Nassau County Police Surgeon will call you to discuss the officer's ability to return to work in a "light duty" capacity. Please be advised that all officers are required to work 10 - 12 hour shifts answering phones and interviewing complainants that enter the station house. If the surgeon articulates any reduced work schedule or special accommodations for your patient, please request that this information be put in writing and submitted to you for agreement before you state your opinion on your patient's ability to work.

Thank you for your continued cooperation.

Very truly yours,  
FUSCO, BRANDENSTEIN & RADA, P.C.,

Cops are tough. They slough-off injuries every day. In the rough and tumble world of Police Officers, on-the-job injuries are hardly a novelty. Cops get hurt. They get better and quickly get back on the job. But some of those injuries may find a way of sneaking back and biting them in the.....

A mild recurring ache morphs into chronic pain. Doctors say your X-rays and scans show degenerative arthritis and herniated discs, related to that tussle. At this point many rights and potential benefits may come into play. Now is the time you need the advice of professionals who have been handling disability issues for Nassau Cops of all ranks for 30 years. What you thought was a minor work related injury could become a major headache! Whether you've been hurt on or off the job, you need experienced counsel to guide you - not a fortune teller.

## Serving your investment needs

I am proud to say I began my career in the investment industry in 1992. Over these 30 years, I've worked with people from all walks of life, employing my experience, knowledge, and relationships to help my clients achieve their financial goals.

When it comes to serving my clients, I am a firm believer in talking with them, not at them. This allows me to understand their specific situation – whether simple or complex – so that I can provide my best guidance. I help individuals, Professionals, Pensions Systems, Law Enforcement, Union & Trade Workers, Teachers, Medical Professionals, etc. with a common-sense approach to their investment Planning and Retirement needs!

Over the years, I have built relationships with other professionals. As a result, I frequently receive referrals from leading attorneys and accounting firms. These firms have entrusted me to assist their clients in navigating investments after receiving settlements from accidents, injury, divorce, or illness. I value the confidence they place in me and for introducing me to individuals who may benefit from my advice.

One reason I believe firms introduce me to their clients is that I have a broad understanding of financial instruments and the ability to present them in a very

clear, concise, and transparent fashion. I also understand the importance of confidentiality. I am sensitive to the personal challenges their clients have encountered, and work to tailor strategies that align with where they are today and where they want to be in the future. Ultimately, what I take the most pride in is when these clients report back to the referring party on how pleased they are with my service and my personal approach to their needs.

To support my clients, I look to the strength of my investment knowledge, my personal integrity, and my long-term relationships. Approaches and offerings are:

- Transparency and Accountability
- Fixed Income portfolios
- Portfolios that produce income & predictability
- Diversification
- Tax Shelters
- Family Succession
- Strategic Planning

I look forward to employing my knowledge and experience to help you reach your financial goals.

Pastor Bill Petrillo invites you to attend Shields For Christ, a Christian faith based group for law enforcement. All denominations are welcome, as well as anyone else interested in learning about the Bible and Jesus Christ. Meetings are two times monthly, one evening and one morning, to accommodate schedules. The same topic would be discussed each day; so you would come to one.

Pastor Bill comes from a family of police and was a police officer himself for 6 years. As a former assistant district attorney and current defense attorney, he has worked closely with and helped many members of our department of all ranks. Bill describes a clear and strong call on his life to serve God and encourage as many as possible.

## PLANNING FOR THE "CRISIS MOMENTS" IN LIFE

A basic estate protection plan consists of 4 documents:

- 1) NYS Living Will
- 2) NYS Health Care Proxy
- 3) NYS Durable Power of Attorney
- 4) Last Will and Testament

Everyone, once they have reached the age of 18, should have the basic estate planning documents in place to help lessen the blow should life throw you into a "CRISIS MOMENT."

We can help you prepare for those moments with documents that never expire and are a **ONE TIME** cost which maybe less than you would realize.

**REAL** discounts for all active and retired SOA / DAI / PBA members and their families.
